Re OVERTURES NOS. 8, 13, 21 AND 31

Dr. MacKay for his Committee reported on Overtures Nos. 8, 13, 21 and 31 and recommended that no appointment be made to the position of Secretary of the Board of Missions at the meeting of the General Assembly in 1936. This was adopted.

That at the meeting of the General Assembly in 1936 a strong committee be appointed to survey the central organization of our Church and the Secretarial work connected therewith.

It was agreed to take up at this point consideration of Printed Overture No. 21 from the Presbytery of Toronto, *re* Request of the General Board of Missions.

Dr. H. E. Abraham appeared in support of the Overture. It was moved by Dr. Abraham, duly seconded, that the prayer of the Overture be granted. This was accepted in place of recommendation No. 2 by Dr. MacKay, and was adopted.

Dr. Abraham then moved that the following Committee:—Dr. R. Johnston, Mr. T. D. McCullough, Mr. Jas. Dutton, Dr. Jas. MacKay, Judge A. G. Farrell, Mr. Jas. Porteous and Mr. D. M. Rowat be appointed to nominate the Committee named in the Overture, and to report at the afternoon Sederunt. This was seconded by Mr. James Dutton and agreed to.

That this Committee be authorized to call for nominations from all the Presbyteries for such position or positions as it considers necessary to be filled, and report to the General Assembly in 1937. Upon the vote being taken, the recommendation was lost.

That in the meantime Dr. J. W. MacNamara be appointed as Secretary of the Board of Missions for one year, or until the 1937 Assembly, with such assistance and remuneration as the Board may deem advisable. This was adopted.

Appeal of the Presbytery of Winnipeg. Re Overture from Presbytery of Superior. It is recommended that this Overture be sent back to the Presbytery of Superior with the request that they send the same on to the Synod of Manitoba. This was adopted.

PRINTED RECOMMENDATIONS

Dr. MacKay then submitted the following recommendation in place of No. 1. *Re* the future policy of the Board. That a General Board of Missions be appointed by the General Assembly, as at present, to formulate the policy of the Church relative to its work in the Home and Foreign Mission fields, and to gather and disseminate information relative to these two spheres of labour. It was further recommended that the number of representatives of the Women's Missionary Society, Western Division be as at present. This was adopted.

Recommendation No. 3, as printed, was adopted.

No. 5. That a summer course be arranged for students who would take work on our mission fields, and

No. 6. That students, upon graduation, be required to put in at least one year on a mission field or augmented charge.

It was agreed to consider with these recommendations printed Overture No. 1, Synod of Manitoba *re* a Summer Session in Theology. Mr. John McNab, on behalf of the Committee recommended as follows:—

1. The Committee recognizes that this overture arises out of the lack of students in winter fields, *viz.*, our church loses in winter what is gained in summer.

2. The overture has been sympathetically considered and since the cost of administration and operation would prevent the immediate establishment of a summer session in Theology we would strongly recommend

all students who have completed their course in Arts to spend the ensuing winter on the Mission Field.

3. Committee would further recommend that a course of preparation be instituted and continued in our Theological Colleges for Arts students, also that a reading course be assigned during that winter by the Board of the College in which the student is registered, for which credit shall be given.

This was seconded by Mr. H. R. Horne. Upon the vote being taken the recommendation was declared lost, and upon a further vote being taken the recommendation of the Board was lost.

Further consideration of the report was deferred.

Lennox appeared in support of Printed Overture No. 2 from the Synod of Alberta "*Re* One year of Mission Work for graduate Students before Ordination," and moved, seconded by Dr. Taylor that the recommendation be amended by the omission of the words "or augmented charge". This was accepted by the Convener. It was further agreed to substitute the word "encouraged" for "required" in the recommendation. The recommendation as thus amended was then adopted.

Dr. MacKay moved the adoption of Printed recommendation No. 10. This was duly seconded.

RE OVERTURES NOS. 6, 7 AND 24

Mr. W. I. McLean reported for the Committee upon the following Overtures, No. 6, 7 and 24, as printed "*Re* the Minimum Stipend," which the Assembly ordered, should be considered at this time and recommended as follows:—"That a period of two years (from this Assembly) be allowed to congregations to call a minister on a stipend of \$1,400.00 and a house, but that such stipends shall revert to the regular minimum of \$1,800.00 and house by June the 18th, 1940. Meantime Presbyteries are earnestly

[4074]

requested to use all diligence to see that undue advantage is not taken by congregations in the meantime."

Mr. J. B. Skene moved, duly seconded, that these Overtures be laid on the table. The motion was adopted. The recommendation of the Board was then adopted. The report as a whole, as amended, was then adopted, on motion of Dr. MacKay, duly seconded.

Dr. MacKay thanked the Assembly for the honour conferred upon him in appointing him as Convener of the Board and for the opportunity of visiting our Foreign Missions in Japan, Manchuria and Formosa.

JUDICIAL COMMITTEE

Mr. D. M. Rowat reported for the Judicial Committee, and recommended as follows, in *re* appeal by Mr. Wm. Rutherford. The appeal was given most sympathetic consideration by every member of your Committee and after due deliberation it is unanimously recommended as follows:—"While recognizing the services which Mr. Rutherford has rendered to The Presbyterian Church, and recognizing his status as an Elder of Knox Church, Stratford, we recommend that he cease to be an acting Elder, until at the requisition of the session, the Presbytery of Stratford otherwise decide." The report, with its recommendation, was adopted.

In *re* appeal Mr. Andrew Hood, the report was referred back to the Judicial Committee for further consideration.

The report with its recommendation was received and adopted, upon motion of Mr. Rowat, seconded by Mr. A. M. Nairn.

REPORT OF THE COMMITTEE ON INSURANCE

The Assembly called for the report of the Special Committee appointed to investigate the feasibility of establishing a mutual fire insurance system. The report was given in and read by Mr. A. M. Nairn, the Convener.

"Your Committee have spent a good deal of time trying to get full information on this subject and are reporting on the result as reported by about 80 per cent of the churches. We would point out that the larger Presbyteries are the ones who have left us without full figures, so that our report would show a much larger value at risk and premiums paid, had all reported.

We have no doubt struck a rather fortunate five years to prove the desirability of doing something to save to the Church some of the money paid for this protection.

The \$21,000,000 reported on, with full reports, would no doubt bring that to \$25,000,000 of value to protect, and the premiums paid correspond-

[4078]

ing to nearly \$300,000 for the period in question—even doubling the loss ratio disclosed, still shows a desirable field to be considered.

The reports show \$21,000,000 at risk, \$13,000,000 insurance carried, \$246,000 premiums paid and \$15,000 fire damage recovered, that is less the 7 per cent on the premiums paid for the five years' period.

We would refer you to our previous information on page 63 of the Assembly Minutes 1935, reminding you of the favourable result of the Scottish Church, covering a period of about 45 years.

Our recommendations are:—

1. We would recommend that the Committee be continued for another year with instructions to report on the feasibility of forming a Trust Company similar to the one so successfully carried on by the Church of Scotland, including the legal, financial and other requirements, this Committee to be at the service of Church Boards to give information, or advice on Insurance problems meanwhile.

2. That the information and facts now available be sent down to Presbyteries to consider and report and their opinion on the desirability of and method of saving to the Church the benefit of this information."

It was agreed, upon motion of Mr. Nairn, seconded by Judge J. B. Moon, to receive the report and consider the recommendations. The recommendations were then adopted, upon motion of Mr. Nairn, seconded by Judge J. B. Moon. The report as a whole was adopted.

Dr. Reid then moved, seconded by Dr. R. Johnston, that permission be granted to the Presbytery of Montreal to take Mr. W. Harold Brown, B.A., M.A., on trials for License, and if the trial is sustained to ordain him for work in the Tyndale Mission House, Montreal, and that Mr. Brown receive full status in the Ministry when he has completed his regular Theological Curriculum. This was agreed to.

DR. F. SCOTT MACKENZIE'S MOTION

Dr. Mackenzie spoke to the motion of which previous notice was given, and moved, duly seconded, the reconsideration of that part of the report of the Board of Education with reference to Mr. H. Lindsay Simpson. This was agreed to.

Dr. Mackenzie then moved, duly seconded, and it was agreed, that Mr. H. Lindsay Simpson be permitted in the meantime to take the third year in Theology intra muros, and that the next General Assembly decide what further studies, if any, he should be required to take in Arts.

Address to His Majesty King Edward VIII.

The General Assembly of The Presbyterian Church in Canada meeting in Annual Session in the City of Hamilton, Ontario, and representing the whole of that Communion in the Dominion, desire to express their loyalty and attachment to your Majesty's throne and person; their great sorrow at the death of your beloved Father, whose influence for good was felt, not only in the widely scattered Empire over which he ruled, but throughout the whole world.

Though seas separate us in Canada from the centre of Imperial rule, we assure Your Majesty that in no part of your vast Dominions are there more devoted subjects than the members of The Presbyterian Church in Canada. They never forget the heritage of high ideals bequeathed to them from the Motherland and it is their ambition to perpetuate this noble tradition in the generations that are to come.

That God's richest blessing may be poured out upon you in your reign will always be the prayer of your most devoted subjects here represented.

Address to Her Majesty the Queen.

The General Assembly of The Presbyterian Church in Canada convened in the City of Hamilton, Ontario, most respectfully desires to convey to Her Majesty the Queen its profound sympathy in the loss of her husband, our late beloved King.

His people wept for him, and Canada was one with the Empire in its tears of sorrow. It is the earnest prayer of the Assembly that God will comfort her in her loneliness, sit with her in the shadows of her bereavement, and give to her that peace that passeth all understanding.

Address to the Governor General.

The Presbyterian Church in Canada now meeting in the City of Hamilton assures Your Excellency of the deep and abiding feelings of loyalty to the Sovereign you represent.

Though you have been but a short time in our midst this Church with others already recognizes your great interest in everything that contributes to the sacred and fundamental factors of life. While you have visited many communities in our country, our hope is that when you have seen our land from coast to coast with its varied scenery, its vast resources, and its types of people drawn from many races, that you will be able to think well of us and enjoy your period of service amongst us.

May it please Your Excellency to accept this renewed assurance of our good wishes both towards yourself in person and the Lady Tweedsmuir.

THE GENERAL BOARD OF MISSIONS

HOME AND FOREIGN MISSIONS REPORT

To the Venerable the General Assembly:

It will be readily understood that the work of the General Board of Missions has been carried on under rather unusual and difficult conditions since the last Assembly. The death of Dr. Andrew S. Grant, Secretary of the Board since 1925, which occurred only a few weeks after the close of the Assembly, last June, came as a great shock, not only to the members of the Board but to the whole Church. It seems, even yet, hard to realize that the rugged, outstanding personality of Dr. Grant, with his unique type of leadership, is no longer with the Church to which he gave such distinguished service for many years.

Immediately following his death the Convener called an emergency meeting of the Sub-Executive, in conference with the Moderator of the General Assembly, Mr. James Dutton, Chairman of the Board of Administration, Mr. E. W. McNeill, Treasurer, and Dr. J. W. MacNamara, Clerk of the General Assembly, to consider the situation and to make temporary arrangements for carrying on the work of your Board.

The following decision was reached, which was approved and confirmed by the Executive at its meeting in September:—

"That Dr. MacNamara be requested to act as Secretary of the Board until the meeting of the Assembly next June, with a small committee composed of the Convener, Dr. James MacKay, Dr. James Wilson, Dr. J. G. Inkster and Dr. A. J. MacGillivray."

The following resolution, with reference to the late Dr. Grant, was passed by the Executive and ordered to be placed on the Minutes:—

"The Board of Missions of The Presbyterian Church in Canada hereby places on record its deep sense of the great loss suffered in the passing of its late Secretary, Dr. Andrew S. Grant. Ever since his early service in the Yukon, and his later contribution to the work of the Church as General Superintendent of Missions up to 1925, when he became Secretary of the Board of Missions, Dr. Grant's name was known throughout the Church for his wise and efficient leadership.

His wide, intimate, and accurate knowledge of all the conditions and problems of the Church at home and abroad were invaluable to this Board in all its discussions and plans for maintaining and advancing the Church's missionary work. He had a clear, far-reaching vision of the possibilities of service for The Presbyterian Church in Canada in the Kingdom of Christ; and to that vision he was true at all times, and living fully up to his own motto, 'I am among you as one that serves' never cast down, never turning aside. As an administrator of the Church's revenue, he was careful, sane and economical; yet with the courage to recommend expenditure when he was convinced that by so doing some strategic advance could be made, or some strategic point held and strengthened. His counsel was widely sought throughout the Church by ministers and others. He was always ready to listen sympathetically to the difficulties of all who came to him and to give to all the benefit in way of advice of a strong, clear, intellect, and a wide and varied experience in life.

God has called him. We mourn his loss. We must now take up the task which he has laid down, and in God's strength, and with His guidance go forward in the service of the Master."

Resolutions indicating the high regard in which Dr. Grant was held were received from the Women's Missionary Society, both Eastern and Western Divisions; from the Foreign Mission Conference of North America; the Executive of the Board of Home Missions of the United Church of Canada and the Foreign Mission Councils.

The Executive, at its meeting in September, appointed a Committee to consider the whole question of the future policy of the Board and to report at the meeting in March. The recommendations, as approved by the Board, are submitted, herewith, for the judgment of the General Assembly:—

1. That a General Board of Missions be appointed by the General Assembly, which shall include the members of the General Board of Missions and representatives of the W.M.S. (W.D.) to formulate the policy of the Board, and to gather and disseminate information. It was further recommended that the representatives of the W.M.S. be as at present.
2. Further, that the full Board meet in the spring, and an Executive Committee, appointed by the Board, meet in the fall as at present. That a Sub-Executive Committee be appointed for Home Missions and a Sub-Executive Committee for Foreign Missions. These to be appointed by the Board and to meet frequently during the year.

3. The Committee then considered the question of an appointment of a Secretary or Secretaries.

It was agreed to recommend that it be the objective of our Church that as soon as conditions are favourable there should be appointed two Secretaries, one for Home Missions and one for Foreign Missions. Whilst we are convinced that the work of the Church would be greatly facilitated by the appointment of two Secretaries, we consider that under present conditions it is not advisable to appoint two, and recommend that one Secretary be appointed.

4. Consideration was given to the question of the Synodical Missionaries and the Missionary-at-Large in New Brunswick.

(a) It was agreed to recommend to the Board that a survey be made of the Home Mission fields in the Dominion, and that the territory be divided into four sections, East, Centre and two in the West.

(b) It was further agreed to recommend that since the appointment of a Missionary-at-Large for New Brunswick was made on the understanding that the salary and expenses would be met out of the proceeds of an Estate, which expectation has not been realized, and since a period of two years has been given for survey of the territory in New Brunswick, that the appointment be terminated at the end of three months after the meeting of the General Assembly, but that in view of the serious situation existing in New Brunswick the whole matter be referred back to the Synod of the Maritime Provinces; that the Synod report to the Executive of the Board of Missions at its September meeting, and that the Executive have power to issue.

The Presbyteries of the Church were notified of the vacancy created by the death of Dr. Grant and were invited to forward the names of any they deemed qualified for the position. The nominations and recommendations from Presbyteries, as received up to the date of the meeting of the Board in March, were reported on by a Sub-Committee and the following action was taken by the Board:—

1. That no appointment be made to the position of Secretary of the Board of Missions at the meeting of the General Assembly in 1936.
2. That at the meeting of the General Assembly in 1936 a strong committee be appointed to survey the central organization of our Church and the secretarial work connected therewith.
3. That this committee be authorized to call for nominations from all the Presbyteries for such position or positions as it considers necessary to be filled, and report to the General Assembly in 1937.
4. That in the meantime Dr. J. W. MacNamara be appointed as Secretary of the Board of Missions for one year—until the 1937 Assembly—with such assistance and remuneration as the Assembly may deem advisable.

Your Board recommends, in view of the present financial situation as a result of decreased receipts for budget purposes, a reduction in the basis upon which grants

to augmented charges and ordained mission fields are considered and a slight reduction for salaries paid to students while on the field. Your Board strongly urges that the Presbyteries of the Church use every effort towards greater consolidation of the work in the weaker charges and mission fields within the bounds in order that, as far as possible, the funds of the Church may be conserved and a more adequate remuneration secured for the ministers in these charges.

Further, your Board considers it to be of the utmost importance, looking to the future of our Church, that Presbyteries should seek to secure as effective preachers as possible for our rural charges, in order that they may have the benefit of strong and consecrated leadership.

Your Board desires to call attention to the difficulty under present conditions of securing regular and definite supply for our winter mission fields. The result is that in many cases any progress made during the summer months is largely lost through failure to provide means for continued supply when the student returns to College in the fall. In order to meet this situation it is recommended that a summer course be arranged for such students as would take winter work in our mission fields.

Further, we would urge that students upon graduation be required to put in at least one year on a mission field or in an augmented charge. This, we believe, would help in a large degree to solve the present problem of supply for our rural charges.

Your Board strongly commend to the Church, through the General Assembly, the principle of tithing and of free-will offering as the best means to measure up the individual responsibility as Stewards of the Grace of God.

FOREIGN

In connection with the work in our foreign fields your Board reports with regret the resignation of Dr. Draper, medical missionary in the Jobat field, to take up private practice in India. Because of this and the return of Dr. Howie this year on furlough it will be necessary to arrange for temporary medical supply.

Your Board reports the appointment of Dr. W. R. Quinn, of London, Ontario, as medical missionary to Formosa, to occupy the position of Superintendent of the MacKay Memorial Hospital, as successor to Dr. Gushue-Taylor, when he has acquired a working knowledge of the language.

The Convener, Dr. James MacKay, upon his return from a visit to our mission fields in Formosa, Japan, Korea and Manchuria reported very unsatisfactory living conditions available for our missionaries in Manchuria, greatly endangering their health and usefulness, as a result it has been decided to proceed with the erection of three bungalows with a compound in the City of Szepingkai. It is expected that one-third of the cost will be borne by private subscriptions, one-third by the W.M.S. (W.D.) and the balance by the Board from the Foreign Mission Bequest Fund.

Following the return last year from British Guiana of Rev. J. MacBeath Millar it was necessary to secure further assistance to the staff on the field at the earliest possible opportunity. Your Board is pleased to report that Mr. James Dunn, of Vancouver, a member of the graduating class of Knox College, has made application, and after careful consideration Mr. Dunn has been appointed to the field. Mr. and Mrs. Dunn expect to leave for their new field early this summer.

At the meeting of the General Board, held in March of last year, the following action was taken with reference to two of our veteran missionaries, Dr. Goforth and Dr. Cropper,—That application be made to the next General Assembly to have Dr. Goforth placed on the Pension Fund, the time of this will be fixed by the General Assembly. Further, that Dr. Cropper be retired at the end of his present furlough period.

By some oversight this action was not reported to the Assembly last year. In the meantime Dr. Cropper has returned to British Guiana to assist in the work until the newly appointed missionary is in a position to take over the work. The Board, therefore, at its meeting in March of this year agreed to approve of the action taken by the Board in March, 1935, and to submit the recommendations to this General Assembly.

RECOMMENDATIONS TO ASSEMBLY

We beg to submit the following recommendations:—

1. *Re the future policy of the Board:—*

(1) That a General Board of Missions be appointed by the General Assembly, which shall include the members of the General Board of Missions and representatives of the W.M.S. (W.D.) to formulate the policy of the Board, and to gather and disseminate information. It was further recommended that the representatives of the W.M.S. be as at present.

(2) Further, that the full Board meet in the spring, and an Executive Committee, appointed by the Board, meet in the fall as at present. That a Sub-Executive Committee be appointed for Home Missions and a Sub-Executive Committee for Foreign Missions. These to be appointed by the Board and to meet frequently during the year.

(3) The Committee then considered the question of an appointment of Secretary or Secretaries.

It was agreed to recommend that it be the objective of our Church that as soon as conditions are favourable there should be appointed two Secretaries, one for Home Missions and one for Foreign Missions. Whilst we are convinced that the work of the Church would be greatly facilitated by the appointment of two Secretaries, we consider that under present conditions it is not advisable to appoint two, and recommend that one Secretary be appointed.

(4) Consideration was given to the question of the Synodical Missionaries and the Missionary-at-Large in New Brunswick.

(a) It was agreed to recommend to the Board that a survey be made of the Home Mission fields in the Dominion, and that the territory be divided into four sections, East, Centre and two in the West.

(b) It was further agreed to recommend that since the appointment of a Missionary-at-Large for New Brunswick was made on the understanding that the salary and expenses would be met out of the proceeds of an Estate, which expectation has not been realized, and since a period of two years has been given for survey of the territory in New Brunswick, that the appointment be terminated at the end of three months after the meeting of the General Assembly, but that in view of the serious situation existing in New Brunswick the whole matter be referred back to the Synod of the Maritime Provinces; that the Synod report to the Executive of the Board of Missions at its September meeting, and that the Executive have power to issue.

2. *Re Appointment of Secretary:—*

(1) That no appointment be made to the position of Secretary of the Board of Missions at the meeting of the General Assembly in 1936.

(2) That at the meeting of the General Assembly in 1936 a strong committee be appointed to survey the central organization of our Church and the secretarial work connected therewith.

(3) That this committee be authorized to call for nominations from all the Presbyteries for such position or positions as it considers necessary to be filled, and report to the General Assembly in 1937.

(4) That in the meantime Dr. J. W. MacNamara be appointed as Secretary of the Board of Missions for one year—until the 1937 Assembly—with such assistance and remuneration as the Assembly may deem advisable.

3. That it be a recommendation to the General Assembly as a token of appreciation, and a small remuneration for extra services, that a grant of \$500.00 be made to Dr. MacNamara.

4. That for one year there be no increase in the salary paid to missionaries for each seven years of service.

5. That a summer course be arranged for students who would take winter work on our mission fields.

6. That students, upon graduation, be required to put in at least one year on a mission field or augmented charge.

7. That the General Assembly be requested to instruct Presbytery, not only to seek to group together charges and thus lessen, as far as possible, the number of grants, but that they seek to secure as effective ministers as possible for our rural charges.

8. That application be made on behalf of Dr. Goforth and Dr. J. B. Cropper for permission to have them placed on the Pension Fund.

9. That the General Assembly commend to our congregations the principle of tithing and free-will offering, as the best means to measure up to individual responsibility as Stewards of God.

10. That grants to augmented charges be on the basis of a maximum of \$1,600.00 per annum and ordained mission fields on a basis of a corresponding reduction and that students' salaries be on a basis of \$12.50 per week for board and transportation.

All of which is respectfully submitted.

JAMES MacKAY,
Convener.

J. W. MacNAMARA,
Acting-Secretary.

Appended are the reports of the work of the Board for the year 1935.

HOME MISSION REPORT

Reports of Synodical Missionaries

SYNOD OF THE MARITIME PROVINCES

1936

Maritime Mission Fields, like those of all the Synods, have their bright and their dark side. For the most part it is the material side of our work that is discovered in these Reports. We tabulate statistics; so many fields occupied by specified men; the quality of the work achieved by each worker, on the judgment of the Presbytery Convener; the amount of money raised by Sunday collections, or special efforts; these financial returns compared from year to year; the additions to the Communion Roll, or the subtractions therefrom. All of which is interesting and, to a degree, informing. If we have lost no families or members to other communions, and gathered in a few from the United Church, we judge that progress has been. For here is the evidence. What we cannot tabulate any year, is the spiritual good that has been achieved, except to a very limited degree. It may, and does, often happen that where there have been no additions to the Communion Roll, and a falling off in giving is manifest, neither the field nor the missionary has failed. One sower and another reapeth; Paul planted, Apollos watered, God gave the increase.

It is only too obvious that all religious work has been carried on during the past few years under a serious handicap. Church and State have each been wrestling with serious financial problems, and even returning prosperity must entail some years of self-sacrifice to replenish depleted domestic and ecclesiastical reserves. Under the circumstances, the patience, and loyalty and self-denial of individuals and congregations, are worthy of the highest praise. Nor must one too lightly pass over the fact, very many mansees all over the Church have had to face the grim reality of a minimum stipend steadily diminishing during all the years of depression. If the private account book of many hard-working and earnest ministers could only be incorporated in the Annual Report, it would disabuse the minds of not a few, who suppose that the occupants of the pulpit are living on the fat of the land.

We in the Maritime Synod, have been trying the experiment of stressing the legitimate work of the Presbytery. We have considered that Presbyteries being especially interested in the mission fields under their supervision, and essentially in closer touch with the local needs, are in a much better position to assist those fields than any Synodical Committee or Synodical Superintendent. The immediate result has been obvious in the excellent work done by Presbyteries' Home Mission Committees, and a much more informing and useful Home Mission Session during the meeting of our Synod. We have a feeling that the whole mission work of the Synod has been more effectually co-ordinated and a deeper interest taken by the stronger congregations in the mission fields near at hand that need their active sympathy. Incidentally we have each year for the past three years conserved for the General Board the sum of \$100.00 yearly by this arrangement. Where Presbyteries are so widely separated, as in the Maritime Synod, the Conveners are enabled to bring to the Synod, first-hand reports of the work done during summer and winter; the fields are greatly stimulated, and the work in great measure consolidated.

During the year, that important charge, St. Andrew's, Nfld., was settled very satisfactorily, by the Induction of Rev. James McNeill, late of Grace Church, Calgary. Recent reports from members of Session, and Congregation, lead us to suppose that St. Andrew's has entered upon a very promising period of activity under her new leader.

Under the strong aggressive leadership of Dr. Baird the Maritime Synod has decided to stress the pioneer mission work of the late Dr. James McGregor. This being the one hundred and fiftieth anniversary of his arrival in Nova Scotia, the Synod has decided to meet in the Town of Pictou, where his first sermon in Pictou County was preached, during the month of July. A strong committee has been appointed to make all the necessary arrangements, beyond the usual Synodical Sessions. Outstanding members of the Presbyterian Church in Canada will take part in the services, and a Memorial, consisting of articles representative of different phases of Dr. McGregor's pioneer work, will be published.

One New Brunswick church seeks to meet in a measure the spiritual needs of five or six scattered groups through the medium of the radio. These groups meet on Sunday at a specified centre, listen in, take up an offering, which is sent to the broadcasting church to defray the expense, and the amounts thus received are duly announced from the pulpit. In other districts in Nova Scotia, cottage prayer meetings are held during the winter months. A regular programme is drawn up by the minister, a leader is appointed to preside, and an hour spent in Bible study. Thus the expense of heating a hall is met, a comfortable place of meeting is assured, the work of the congregation co-ordinated, and the interest in the church stimulated.

Convener of the Synod's Committee.

SYNOD OF MONTREAL AND OTTAWA

REPORT 1935-36

SUPERVISION OF MISSION FIELDS

All the Home Mission Fields within the Synod for the past year have been duly supervised. Pulpit supply has been arranged, Communion dispensed, finances promoted and everything possible done to encourage and stimulate the work on the fields.

In the opinion of your Synodical Missionary we shall never build up our weak mission fields with partially qualified pulpit supply. Strong men constantly on the field is the only way that this can be done.

Three points we are specially emphasizing in the work of our student missionaries. (a) Constant visitation of homes. (b) Family worship in homes. (c) A definite effort for open profession of faith in Christ.

CHURCHES BUILT

A new Church was built during the year at Lake View on the Lost River and Crystal Falls Field. This is essentially a summer resort.

The Gordon Mission in the north east end of the City of Montreal, which had been abandoned, has been put in shape and the work re-opened.

SPECIAL FEATURE

One special feature is the developing of our French Mission Work. We have started two of these branches during the past year. In one we have an attendance each Sabbath of around 500 to 600 people. At the other a total attendance during the day (2 services and a Sunday School) of around 90. At a Communion Service held recently 43 became members in full communion of our Church.

OFFICE WORK

Interviews. Holding the position of Clerk of the Synod of Montreal and Ottawa, Clerk of the Presbytery of Montreal with an office located in the centre of the City of Montreal, which is also pretty well in the centre of the Synod, the office work continues

to be heavy. A very large amount of time is taken up with office interviews on the part of people within the City and throughout the Synod.

CORRESPONDENCE

Correspondence is also heavy. My postage account from March 1st, 1935, to February 29th, 1936, was \$135.00, belonging partly to the Mission Board, partly to the Synod of Montreal and Ottawa, and partly to the Presbytery of Montreal and other organizations.

SPECIAL EVENTS WHICH YOUR SYNODICAL MISSION HAS ASSISTED IN

- (a) Conference for Sunday School Teachers and Leaders July 1st to 8th, 1935.
- (b) Synod's Laymen's Congress.
- (c) Ministers' Fellowship Meeting.
- (d) Evangelistic Meetings under Dr. Goforth, etc.

CO-OPERATION

I have had a splendid year's work. In respect to the co-operation of all within the Synod, there is scarcely anything to be desired. Synod officials, Presbyteries, Ministers and Elders, almost without exception, have given me the very heartiest co-operation in everything that has been undertaken which has made my work very pleasant in all respects.

Respectfully submitted,

ALLAN S. REID,
Synodical Missionary.

NORTHERN ONTARIO AND MANITOBA

1935 - 1936

What we have we hold — thanks to a kind Providence, and in some respects the year just closed has been the most hopeful since 1930. For the four years preceding many of our mission fields and augmented charges and even a few of our self-supporting charges, were all but closing. The tide is definitely turning for the better. Only in two or three instances are situations which call for continued and serious concern. Of course this does not mean that the full strength of individual and organized effort by the forces of the Church should not be continued. We have still to discount some phases of apparent strength before normal conditions are restored. If the true history of the Presbyterian Church in Canada shall ever be written it will be found that up to the present time the most difficult and precarious years shall have been the last five years.

The work throughout has been well maintained. Never has there been a year when there was a more marked degree of success on the part of our student missionaries. No failures have been recorded. In some seven fields at least one new preaching point has been opened up. In two points new churches have been erected with three new Sabbath Schools.

Let us consider each Presbytery briefly.

The Presbytery of Brandon.—In the far north our minister in The Pas explored the Carrot River country and established services there. Our student missionary in Cranberry Portage opened up work in Flin Flon, a mining town of some 6,000 inhabitants. Your Synodical Missionary visited these new points and has seen splendid prospects for the enlargement of our work in these frontier places. In the Lenore district where a very serious situation prevailed, we find peace and progress with a

fifth place added to this four-point charge. The Dauphin region is working rapidly towards the re-establishing of our Presbyterian forces. Clear Lake should have a student this summer.

The Presbytery of Winnipeg.—Perhaps there is less to show in this Presbytery than in the others and yet new Sunday Schools have been opened up in Tuxedo Park by First Presbyterian Church, Winnipeg; in St. Boniface by Norwood Presbyterian Church, and in Ashfield by the Lockport Mission under the Rev. George Gunn. Our student missionary added a new preaching point to our Morden charge. A new prospect of considerable importance is found for our East Selkirk Mission.

The Presbytery of Superior.—Perhaps more aggressive work has been carried on here than in the others. New churches have been built in Geraldton and in Current River. Under the care of this small Presbytery no fewer than six branch Sunday Schools are now operating—Current River, Jumbo Gardens, Lake Shore, North Neebing, Oliver Road and Mine Centre.

The Presbytery of North Bay, Temiskaming.—Conditions in this scattered Presbytery are substantially improved. Here practically all our established Presbyterian centres have been railway and lumbering centres rather than mining centres and this is why many of our churches and mission fields have had such difficulties. However we find all points manned and mission fields ready for summer supply.

The situation in North Bay for several years most serious is much improved, thanks to a timely visit paid by Dr. MacNamara and Mr. McNeill our Church Treasurer.

Our work in Cochrane was never in better shape, thanks to the leadership rendered by Principal and Mrs. Marwick.

Huntsville and Burk's Falls are improving appreciably.

The Presbytery of Algoma.—All the work in this Presbytery has been well maintained. Only in one case has there been seen a slight falling down due in large measure to the abnormal and unprecedented weather conditions.

The Summer School Training Camp for young people was unusually successful. The main feature of this Presbytery was a revival of missionary interest. One congregation trebled its givings to the Budget over 1934 and the Presbytery as a whole doubled its givings.

Your Synodical Missionary has visited all these Presbyteries twice during the year spending considerable time in the new places mentioned. Special visits were made to the more needy places.

It is his belief that all we now have we can hold and should hold. Many places always have been mission fields needing supplementary support and must continue as such as an incentive to maintaining the morale of our Church at large as well as ministering to the scattered sections of the members of our own household of faith. It is also his belief that the time is now at hand when we should go forward into many needy parts of our land now unoccupied, and if we do so with faith and courage God will give us many unlooked for successes as He has done in the past. The planting of the Presbyterian Church in Canada is for us the greatest contribution which can be made to stem the tide of lawlessness and crime and chaos in our beloved Dominion and establish a worth while Canadian civilization of peace and progress and good will for this world and a faith and a living hope for the world which is to come.

Faithfully submitted,

W. M. MACKAY,
Synodical Missionary

SASKATCHEWAN AND NORTHERN ALBERTA

In presenting my report for the year ending March 31, 1936, I have purposely reduced to the very minimum all reference to the individual fields under my supervision. Last year it was considered unnecessary for this to come before the Board, nevertheless for the better understanding by this Board of what is involved in the care of these two Synods, a brief summary of what supervision means is necessary. Supervision means not only seeing that fields are provided with supply, and that the sacraments are administered, but it means as well that isolated, timid groups are helped in the solution of their local problems, and encouraged in grappling with their difficulties and disappointments. It also demands constant watchfulness everywhere, lest after years of disappointed hopes and bitter struggle against heart breaking conditions, an utterly crushed people give up and quit. After what we have come through in these Western Provinces in the past six years, I feel that I have a better understanding of what Paul meant in his letter to the Corinthian church. On the only occasion in which he makes reference to what was involved in his work, after speaking of the obvious things, beatings, scourgings, imprisonments, shipwrecks, journeyings and weariness, he adds: "Beside those things that are without, that which cometh upon me daily, the care of all the churches." 2 Cor. 12: 28. Anyone who knows what is involved in the care of a single church, by multiplying this by two or three hundred can have some idea of the possibilities involved in the care of two Synods.

In presenting the problems that face us, that of preserving the courage of the people in the face of what they have come through during the past six years is easily first. It was to be expected that the continuance of adverse conditions for a prolonged period, would add to our difficulties. It is one thing for a people to face for a brief time disappointing and discouraging conditions, and in doing so they may show rare optimism, resourcefulness and courage. It is a totally different thing for them to continue to face such conditions through a period greatly prolonged, and steadily growing worse, with reserve resources vanishing and hope giving place to despair. Because of this, the year just closed has been the hardest year we have yet faced to keep our work intact. All missionaries, ministers in augmented or self-supporting charges, Presbyteries, Synods and church officials have had to carry a load immeasurably heavier than ever before. The marvel is that in many cases the breaking point has not been reached. Not one is complaining. With fine courage and sacrifice all are facing these increased burdens and are carrying on, recognizing in this dire need the finest opportunity for service that has ever faced the Church. I am glad to bear this tribute to men so deserving, and to give honour where honour is due.

Regarding the general situation there is little change. What there is of change is in the way of improvement. Early in the summer the prospects were very bright, and, notwithstanding, the ravages of grasshoppers in some districts, the promise of a fine crop was fairly general. Then, suddenly, the spread of devastating rust, followed later by frost, both over a wide area, changed everything. Fine looking fields of wheat were never cut, and hopes were dashed to the ground. Fodder for farm stock is this year more plentiful; some districts have good wheat, with fair yield per acre. In other districts both the yield and the quality of the wheat are reduced, while in still others the wheat was completely destroyed by rust. Rare indeed is it to find a district where the crop might be said to be in any sense normal.

Our fields in the south present for us a problem because of the steady drain on them by families moving away. This not only weakens these fields financially, so far as our work is concerned, but on account of the reduced amount of tax paying property it makes exceedingly difficult the paying of a salary sufficient to keep a teacher in the school. Those who remain, too, are faced with deteriorating farming conditions due to the constant soil drift of the past years, and the prospect of replacing *in toto* farm

stock and equipment, with no money in sight wherewith to replace them. The outlook is not encouraging and people are worried. We have kept our work going by consolidating fields, putting two under one man. This means sometimes very long drives for the missionaries to reach the different preaching stations, with transportation expenses correspondingly increased, and frequently met out of the meagre salary of the missionary.

Closely related to the foregoing is the care of these people who go north. Leaving the south only after all reserves are exhausted, these usually arrive in the north with nothing. There they have to face homesteading in a bush country, a much slower process than on the prairie, and face it, too, at a time when most people are, on account of advancing years and failing strength, thinking more of retiring than homesteading. It was with the thought of caring adequately for such people that decided the Board's policy of sending ordained men to the frontier fields with full salary guaranteed. Before this policy could be fairly launched, however, the north was swamped by the unexpectedly large number of people who came. From Government statistics it is learned that over ten thousand families have entered the north in Saskatchewan alone. These have created a real problem.

Then there is the work of the frontier, a problem distinctly its own, in all the provinces. This, the last great mission field of our Church, still calls loudly for attention, an attention we have not been able to give because of the condition of the mission funds, and the opportunity is fast slipping away. In the district north and east of Prince Albert, one ordained missionary, with two students under him, has been carrying on a fine work. Here an additional ordained man would greatly strengthen our Church in its constructive work. North and west of North Battleford, in a widely extended stretch of territory, there is not even one ordained missionary, and only one summer student, where two ordained missionaries, and two students could work profitably the year around. Peace River has now three ordained men, two deaconesses, and one medical worker, all doing good work, but distances are so great, and travel so difficult, that two more ordained men are needed to efficiently equip that field. Occasional services from visiting ministers in these frontier districts are always appreciated, and undoubtedly bring help and uplift to many in isolated districts, but such can never build up our Church. They can do little more than reveal the need, without in any adequate sense helping in its solution. In the meantime to try to grapple with the insistent need in these places, remote and far removed from each other as they are, means incessant travel. The distance covered last year on the field, not counting trips to Board meetings, was over sixteen thousand miles.

The Hungarian work at Bekevar is another problem. Thanks to the work of reconstruction, in which this Board of Missions, and Hamilton Presbytery, assisted the Presbytery of Regina by loaning the Rev. Frank Kovacs for a year, the situation here has greatly improved. But all problems are not solved. Coming as these people did from central Europe, where they were still in bondage to the spirit of feudalism, they brought with them to this country the old background and viewpoint. Settling together in one colony, ministered to in their own language by ministers from Europe, with the same viewpoint, they have not made the progress they might have made in becoming Canadianized and evangelized. The influence of the Rev. John Kovach, who was their minister for twenty years, but was really a preacher-farmer, with emphasis on the farmer, was not good, and to-day we are reaping the results. A brighter day is ahead, however. Rev. Andrew Arvay, B.A., a recent graduate of Bloomfield College, N.J., is now their minister, and is making good headway. We believe the problem of our non-Anglo-Saxon work will not be put on a satisfactory basis until all Protestant Churches, standing together, shall present to these peoples, who come to us with history, background, viewpoint, moral standards and religious outlook differing widely from ours, a united front, making it unmistakably clear that we seek only their spiritual uplift and political freedom.

Another problem that arises comes from the disintegrating forces that are at work

in all our fields. The prevailing conditions in the Prairie Provinces for the past six years, have had much to do with the spread of these influences. The activities of all kinds of sects and propagandists to take advantage of the unrest, the uncertainty, the paralyzing fear present in the minds of the people, and to rush in with all kinds of fads and fancies as suggested remedies, are very marked. Pentecostals, Apostolics, Nazarenes, Russelites, Free Methodists, Faith Healers, Four Square Gospel Advocates, Christian Scientists, Seventh Day Adventists, British Israelites, Plymouth Brethren, Jehovah's Witnesses,—we have them all, each perfectly sure that it alone has the remedy for present day ills. Is it any wonder that the people are confused? Then in addition to these propagandists, all of a religious colour, the Socialists, the Communists, the C.C.F. and Social Credit political parties are always ready to gather in, and corral all who, in their confusion, would throw overboard religion and find relief in these things. These persistent activities present real problems in practically all our fields. The only power that can save the people from the danger of these partial appeals is the strong, evangelical preaching of the gospel of Jesus Christ.

Lastly, there is the ever present problem of men for our fields, that is ordained men. This is our greatest need. Students have given good service and we are proud of them. They have helped us, and we trust we have helped them in preparation for their life work. But after all their service is of necessity limited on any field, and this fact, and this alone, is what we have in mind when we call for ordained men. They can give a permanence to our work that students cannot, and we long for the day when every man graduating from College will, before considering any call, give one or two years' continuous service to the building up of churches at the outposts. The blessing of such a service to student and Church alike would be wonderful.

H. B. HORNE,
Synodical Missionary.

Regina, March 10th, 1936.

SOUTHERN ALBERTA AND THE SYNOD OF BRITISH COLUMBIA

In the opening years of this century the Government of British Columbia made pressing claims upon the Government at Ottawa for exceptional treatment because of its permanent physical, geographical and other conditions. Some years afterwards this claim was acknowledged and special treatment was conceded. The Presbyterian Church in Canada led in its recognition of the need of exceptional treatment for this province. Three boats were provided for its 7,000 miles of coastline, hospitals were built in isolated places, ministers at large were sent into places where the population consisted of scattered groups, and special grants were made to places where otherwise no services could be carried on. In 1925, however, these special features passed into the United Church. Since then we have no boats though the 7,000 miles coastline, with its groups of men on the various bays and inlets, are still there and will be there. We have no schools or hospitals or special paid workers although two-thirds of the province is still there and now untouched by us. The need for exceptional treatment remains the same and will so remain for many generations to come so far as the population is concerned and forever so far as its physical conditions are concerned. The Rocky Mountains create a separation from the rest of Canada, and a set of problems that are far more real and deep-seated than is generally believed or understood—the commercial and industrial world are conscientiously facing it. The Presbyterian Church in Canada will have to be governed by these exceptional conditions, or the work that ought to be done will remain undone. The province was once aptly called a "sea of mountains", and that so far as a connecting railway was concerned it was not worth the axle grease involved. The description was correct but the estimate of worth was quite wrong. This latter has been abundantly

proved by the returns to the industrial world and, by the returns to the life and work of our Church.

This sea of mountains is divided into mountain ranges which run north and south. Between these ranges there are valleys, rivers and lakes with here and there some arable lands. It is in these valleys that the population usually gathers into villages or small towns, and apart from the four cities on the coast it is to such as these that our Church seeks to render service. Mining, lumbering, fishing and a measure of farming form the basic industries, these together with the character of the country create groups usually isolated and far separated from one another. This again with lack of roads make missionary effort difficult and expensive, for one reason among others because it is usually impossible to link two or more together to form a congregation. It has followed that several small groups who in 1925 hoped to carry on but could not be reached with continuous services are now being absorbed by the other churches. A word must be said also about the nature of our population. This province was and is the last great West. Its mines attracted the adventurous from the first. Its mines and its lumber and its climate and its outlook on the Orient are continuing to attract the adventurous; restless folk moving from place to place with little or no training for church and community life such as obtains in the east. Apart from some of the coast cities it is unusual to find a family that intend to remain where they are. They are waiting for the time when a favourable change can be made. This is unfavourable to the best community life or the life and work of the Church. Certainly there is here an attitude to the Church, its ministry and its ancient sanctions different from what obtains in the eastern provinces. Our students for the ministry is one evidence of this attitude. Presbyterian services were begun in this province seventy years before our disruption, yet in all that time only two native sons became ministers of the Presbyterian Church. Only two families gave a boy to the work of the ministry in the Presbyterian Church. It is a pleasure to state that since the disruption there are four young men now studying for our ministry. The attitude of the home to the Church and its ministry is surely reflected here. At the same time it reveals in no uncertain light the faithfulness and devotion and sacrifices of the ministers and people that are upholding the banner of the cross with no small degree of success in spite of the conditions.

Presbytery of McLeod.—The Presbytery of McLeod stretches across the southern end of Alberta. In this extensive area there are three self-sustaining charges well-equipped, and ministered to by men with a fine missionary outlook. At present there are three mission fields, two of which were vacant for the greater part of the winter. The beet sugar industry is rapidly developing in the extreme south and calls for the attention of our Church. There are also two Sabbath Schools—remnants of an earlier extension effort—that should receive attention.

Presbytery of Kootenay.—In the Kootenay Presbytery, Cranbrook and Trail alone have ministers called and settled. These alone had services throughout the year. Trail is a mining camp in the heart of the Rockies. There is a population of about 4,000, and a copper, lead, zinc mountain that assures mining operations of the present proportions for the next fifty years. Twice in ten years we have had for brief periods men who were suited to that sort of work. There have been no services since the middle of September. These ever-recurring vacancies render progress impossible in a mining camp, or anywhere.

Nelson is the capital of the Kootenays. First Presbyterian Church is an augmented congregation, served by a student last summer, vacant from September to the New Year. An ordained man is needed but the income is not sufficient.

New Denver etc., this field has four stations. No services since last September. In two of them services were maintained every alternate Sabbath by members of the congregation. Three Sabbath Schools were maintained through the winter. This is a field where a suitable catechist would render invaluable service at present. It is situated in the Slocan Valley. Mining is the only industry. Silver is the product here but the price does not just now justify continuous operations.

Presbytery of Westminster.—Penticton is beautifully situated on Lake Okanagan and surrounded by an extensive fruit growing country. Since 1927 our congregation here was a regularly settled augmented one. Owing to financial difficulties it has had but desultory supply since the autumn of 1934. There was student supply for twenty Sundays last summer. No further supply could be found until a student was sent in at the beginning of the year. An ordained man is imperative if we are going to hold the place. It is about 300 miles from Vancouver.

Armstrong, Salmon Arm and Canoe, have joined into one congregation, requiring a drive of sixty-five miles every Sabbath. The cost of transportation is such that only a student can be asked for at the present grant. Here too a suitable catechist giving continuous service, would do much to solve our problem.

All other fields in this Presbytery became vacant when the students returned to college in the autumn. After varying periods supply was found for all on the lower mainland.

A new church has been built at Dunbar Heights in Vancouver City. Built primarily for the Sunday School, the Vancouver brethren are now giving an afternoon service. In Greater Vancouver there are three other Sunday Schools that should have regular services. Under the auspices of Mt. Pleasant Church a Sunday School has been established in Vancouver South, and an afternoon service is given by the minister. There is there now a promising mission. In Greater Vancouver where we have over half the population of the province, this is itself a mission field with many opportunities.

Presbytery of Victoria.—In this Presbytery the fields have been supplied throughout the year. Being unable to balance their budget the congregation at Duncan has decided not to ask for a student until their obligations are met. They will endeavour to carry on with local help. The unemployment situation with the general unrest is having an adverse influence on our Church life and work in this Presbytery as well as on the lower mainland.

The mission fields throughout this Synod and the Presbytery of McLeod have all been visited and the Sacrament of the Lord's Supper was observed in each at least once. The work of the Church and its claims upon the membership were placed before them as well as before the larger congregations as opportunity offered.

Looking to the future the opportunities and privilege for our Church in the regions round about and especially to the north are so obvious that one does not need to repeat what has been pointed out for the last three years. One must say however that if we are going to hold what we have responsibility for now, and if there is going to be real progress, these places must have continuous services. The physical features remain the same but the social and economic conditions have so changed that the manner of doing at the beginning of this century will not avail now. This is clear to those on the fields or to those who visit them. The situation this year has but emphasized what was obvious enough to many before.

There are two ways suggested either or both of which would help meet the situation. Graduating students in view of the advantages enjoyed by them should be required to give two years to a mission field before a regular settlement. Then, too, there ought to be a summer session in theology giving the same academic advantages. This would make possible the supply of our fields in winter as well as in the summer. Both of these plans have proved themselves feasible and capable of meeting this indispensable supply.

Again we have to acknowledge the goodwill and support given by the W.M.S. in the support of a deaconess in the city of New Westminster. On the whole the year has been a difficult one but when we count our blessings they far surpass our difficulties.

Synodical Missionary.

Frontier Fields

PEACE RIVER DISTRICT

The year 1935 saw several changes in the personnel of the workers in this district. At Fort St. John, Rev. Minor Simpson was succeeded by Rev. Gordon A. Peddie, B.A., a last year's graduate from Knox College. Mr. Peddie, with Mrs. Peddie and young daughter, reached their new post in May, and Mr. Simpson left for his home in the States. At Pouce Coupe, Mr. Alex. F. MacSween, B.A., of Saskatoon, supplied for the summer at Riverside and High Ridge. A two-roomed log cabin was built near the church which increases the usefulness as well as the value of our property there. During the winter Rev. Mr. Fisher gave monthly week-night services.

On the resignation of Rev. E. A. Wright from the Grande Prairie Church Rev. C. E. Fisher of Westmount Church, Edmonton, was appointed to the work.

Dr. M. Strang Savage remained at the post in Dixonville, assisted during the summer months by men from Knox Church, Calgary, free of cost to the Church. Mr. S. Jacobs remained for the winter under the appointment of the Board of Missions, thus keeping the Services and Sunday School work going when the Doctor was called out for medical work.

At Brownvale, Rev. J. M. Fraser and Miss M. Todd, Deaconess, carried on the work, while at Wanham Miss M. Grigor, Deaconess, looked after her field.

Each of the workers has rendered splendid service, as opportunity presented itself, for Christ and His Church.

Work has been carried on under exceptional conditions. Heavy rains in the fall, heavy snowfall in the winter, combined with a sudden thaw in the spring, caused flood conditions, and made havoc of roads, bridges, farms (some of which were under water all summer) and homes. Communication was cut off between the Peace River district and the outside world. Mail planes were the only connecting links.

The results of the exceptionally wet season were late seeding, cold wet growing weather and an early frost which killed large areas of grain and garden stuff. Acres and acres of grain were never harvested, and much that was proved to be an unprofitable venture. The portion south of the Peace River suffered most.

As a further result there has been no let up in the Relief situation all year. It is estimated that 75 per cent of the population are receiving relief. Winter had to be faced and provided for. The women of our church did noble work for their less fortunate fellows in sending the splendid bales of clothing, etc. The workers were enabled to help out many cases of real need, and bring no small measure of hope and encouragement to the struggling settlers. It is impossible to tell of all the cases that were aided, but everything sent was put to the best possible use.

We each did our best to answer the calls that came in, and one feels that the words of the Master Himself should be conveyed to all who helped in any way to bring aid and cheer to these people: "Inasmuch as ye have done it unto the least of these ye have done it unto Me."

And yet, the task remains and grows. New school districts have been formed, new settlers are coming in, which necessitates the opening of new country where, at present, no missionary of any church is working. In few cases there comes the Macedonian cry "Come over and help us!" The majority simply slide.

There are over forty different languages spoken in the Peace River country. The nearest Bible House is in Edmonton, over four hundred miles away.

During the year full measure of Christian service has been given. Several new points were opened for Service; the Sacraments of the Church have been administered; every effort has been made to press forward the work. The results are left in the hands of our Heavenly Father. While our objective for the Budget was not attained, and under the circumstances of the past year we found it an impossible task, yet an increase of nearly two hundred dollars was accomplished. It has meant sacrificial giving and, like the "cup of water", will not pass unrewarded.

The Peace River District will need the prayers and help of the Church for some time, before we expect to reach self-support. The distances to be covered are so great, the travelling so bad, that fellowship is almost impossible. But we have the assurance of the Master Himself to comfort and to strengthen: "Lo, I am with you always" which is conditioned by His charge to His Church: "Go ye into all the world and preach the Gospel unto every creature."

Yours respectfully,

C. E. FISHER,

Convener of Missions.

PEACE RIVER

DIXONVILLE MEDICAL MISSION

1935

1935 proved to be a long procession of strenuous days for the settlers of this country, and for the mission that serves them. There have been wet seasons before but 1935 was easily the wettest of them all. However in spite of the difficulties arising from continual rain, the year has been easier for some families; but where untimely frosts took their toll, the whole year has been harder for others.

In May the doctor in the district to the north was recalled—and not replaced. The inevitable result has been more work and longer journeys for the Dixonville doctor in addition to work in her own district.

In the early summer, four evangelical workers from Calgary and Three Hills arrived on the field. Two remained at Dixonville, and the other two did pioneer work for the church in country to the north. One of these men, Mr. Sidney Jacobs, was appointed by the Mission Board to continue evangelical work on the Dixonville field for the winter. These men all did good work. It would have been impossible for one to carry on with regular services and do all the medical work as well.

Five preaching points were served during the summer. These were reduced to three again in the fall. Services have not been marked so much in increase of attendance, as in the deepening of interest on the part of those who did attend. This quickening has been marked with joy and thanksgiving.

In the Dixonville Sunday School the scholars are now working on the Presbyterian Memory Courses—and a number of Diplomas have already been awarded.

The Budget allocation for 1935 was fully met.

The Ladies' Aid held meetings throughout the year, and sponsored a Bazaar and Fowl Supper in the fall. This was loyally supported by people all over the valley. The ladies made a special donation to the Jubilee Thankoffering Fund.

The Women's Missionary Society, though few in members was able to make a contribution to headquarters. They met monthly for prayer and praise.

Relief work is increasingly difficult to handle. Bales and parcels sent without solicitation have been received from all over Canada. This year, those who need but

have never asked, were sought out as never before, and their earnest thanks and appreciation, belong to those who sent in the bales. A wealth of supplies was received before Christmas, and the joy of the children over their gifts was great indeed.

May God pour out His Spirit upon this people, that their mourning may be turned into joy, and their darkness into light.

EAST LOCKPORT, ASHFIELD, AND ALL PEOPLES' MISSION

FOR HALF YEAR ENDING MARCH 31ST, 1936

The arrangement made last fall by the Board of Missions for the working of this group of stations (including East Selkirk) was, that I should, as the ordained minister on the field, have the oversight of the entire group, with Miss Hazel MacDonald, the deaconess then stationed at Winnipeg, as my assistant. This arrangement, however, fell through, on account of the Winnipeg people's reluctance to lose the valued services of their deaconess; and so a temporary arrangement had to be made, whereby Mr. Garvin of Selkirk, was to look after East Selkirk for the winter, leaving the All Peoples' Mission and East Lockport under my care for the same period.

Just how East Selkirk has fared I have not the means of knowing; but I understand that a young student from Selkirk has been going out each Sunday and giving them services. At the other two points, I have been regularly officiating; conducting the Sunday School at Lockport in the forenoon, and preaching at All Peoples' in the evening. Last October, I opened up a new Sunday School at Ashfield, a thickly populated country place, three and a half miles east of Lockport on the Trans-Canada highway, which has necessitated my presence there at 2.30 each Sunday, thus completely filling up the day for me.

As the winter has been an unprecedentedly cold and stormy one, the task of making this round has been by no means an easy one, as having no conveyance, I had to walk the twelve-mile distance involved; but storm or shine, like the famous "Doctor McClure," I was always able "to warstel through." Up to the present writing, I have not missed a service at any of the points.

The weather, as might be surmised, did not, of course, help out the attendance. There were quite a few Sundays when the "tiny tots" could not face the cold, and when many of the older ones and "grown-ups," too, judging discretion to be the better part of valour, stayed at home. But, notwithstanding such climatic conditions, the Sunday Schools and preaching services were, on the whole, well attended; and now that warmer weather has at last arrived, there has been a notable improvement along this line. Last Sunday evening, at the All Peoples' service, we had almost a capacity house; by far the best turnout that we have had since my taking hold of the work there. Mrs. MacKenzie, since the recent death of her sister, has again taken an active interest in the work at this point, and looks after the Sunday School and a C. E. society which she has recently organized among the young people.

At East Lockport, nothing much worthy of special remark has taken place since my last report; except that, with the passing of the long spell of sub-zero weather, our attendance thermometer has gone up with a bounce; and, with the return of the "back-sliders," an encouraging sprinkling of new scholars has come in, mostly of 'teen-age girls, whom we hope to organize into something helpful shortly. We have, also, made a beginning on a Sunday School library, with a collection of 75 good books which St. Andrew's Church Sunday School, Strathroy, Ont., sent us early in the winter, as a basis. And we have since added a few more. The children are ravenous for these books, and we could use a lot more if we had them. Our building, while fairly comfortable, is in

need of some additional fixing, that will have to be done right away. New shingles are needed on the roof to keep the rain out; and an additional room is needed for our increasing necessities; the latter needing merely interior finishing. I have a little money on hand for this purpose and intend (D.V.) to start at it as soon as the spring is a little further advanced. No regular preaching service has been started at this point as yet, my time being too fully occupied getting over the remainder of the field.

In explanation of this latter statement, I may say that I have now a third point at Ashfield, as above stated, three and one-half miles east of Lockport, on the Trans-Canada highway, that I am looking after. I tried to open up this place more than a year ago, but failed through not being able to secure the consent of the local trustees to use the day school building; this being the only available meeting place in the district. Last fall, however, I was able to overcome this difficulty, and on the last Sunday of October we had our first Sunday School session in the public school building. Our first Sunday's attendance was 56; and I never saw a more enthusiastic bunch of youngsters. And I am pleased to say, that, so far, there have appeared no symptoms of a waning interest. We have now 80 scholars on the roll. The aggregate attendance computing to the end of March, will be a little over 1,200, with an average Sunday attendance of 49, among whom is quite a sprinkling of 'teen-age young men and women, and a few married folk. They would like a preaching service there; but this is physically impossible under the present supply arrangement. I am greatly pleased with the response that the children and young people of this community have made, and I hope that the work now begun in this small way may not be allowed to flicker out. There is the promise of an encouraging, permanent organization here.

From a financial point of view, it must, of course, be admitted, that there is nothing much to be expected from any of this work for some time to come, but, in the final audit, when "the books are opened," there may be found much that is worth while on the right side of the ledger.

CHINESE WORK IN CANADA

1935

The year 1935 in Chinese work in Canada has seen many indications of real progress.

Rev. K. H. Yeung, our Chinese minister in Vancouver has declared it his happiest and most important year since arriving from China in 1919. He gives reasons for this—the absence of irritating controversy; the firmer founding of the work; a growing friendliness on the part of Canadians; and a greater sense of responsibility on the part of the Chinese. These reasons, while given to account for his own particular case, apply equally to all our Chinese work, and make us truly grateful to God for His goodness.

Let us set down, as briefly as we can, some phases of the work in support of this.

I. The policy inaugurated recently of concentrating on certain key men in the different Chinese centres is resulting in more effective work and new interest. These men know the moral pulse of the community, keep us informed, and help us meet the needs. Also, through them our local lay workers can better serve.

Again, street preaching has been more welcomed by the Chinese, who listen eagerly. For some years this has been stopped in Vancouver, but, by permission of the police, was begun again last year.

More men, too, have been joining local churches than for some time. The work of years, in some cases, on the part of local workers is being rewarded. Three men

came into the Church this way at Saskatoon, while at another place at a recent communion, four men were baptized through the untiring efforts of one Chinese Christian.

On two occasions last year in British Columbia, we had important visits of Chinese evangelists; one, who came from the United States, but converted to Christ over forty years ago in Vancouver. He brought stirring messages to the Chinese community preaching at one meeting for a whole hour and a half, without loss of interest. The other man was an English-speaking Chinese pastor from China, who conducted for the first time in Canada regularly organized evangelistic services in Canadian churches. Our Chinese young people proudly attended them, and were greatly blessed, as were many of our Canadian people.

II. The work among the young Chinese has been particularly promising. Their case is especially exercising the minds of the older people. They are in the transition stage between the older customs of China, and the new ones of Canada. As a leading Chinese man put it—"They are neither fish nor fowl, and so tend to make both peoples lose patience with them." The public schools do not give what the Chinese speaking parents find it hard to impart. "So," said this man, "a special burden is laid on the Church to bridge this gap, and give the needed training."

This we are doing. Fine progress in all departments is being made; in kindergarten, mission bands, C.G.I.T. groups, scouts, Bible vacation schools, and particularly in Young People's Societies.

The young people are doing much to break down prejudice and set up understanding with our own people by attending youth conferences, by inter-society social visitation, and by interdenominational group meetings. At a recent group meeting composed of some 300 young people, the Vancouver Chinese Young People took charge of all the devotional exercises, reading the scriptures and commenting on them, leading in prayer and making the address. This was the first time it had been done, and greatly impressed our Canadian young people.

Not only this, but in the keeping up of the moral tone of the Chinese community, we find them now taking their part. As one young woman said when asked to sell tickets for a student dance, "I am sorry, but our Society's vows will not allow this." Or, as another young man put it when urged, by youthful bravados, to start smoking, "My father told me that for five generations now our family has not smoked, and I am not going to be the one to break this family line."

The New Life Movement in China, concerned very much with both of these matters referred to, the spread of dancing and smoking, is being very definitely reflected over here, and is bearing fruit. Special pains are being taken to develop this young leadership for on it depends the Christian outcome of all our work and the future place of the Chinese in Canadian life.

III. Special emphasis is being given, too, in the distribution of Chinese Christian literature. Three surveys are at present under way to find out, especially regarding Chinese family life. In Saskatchewan, Miss McArthur has been making special visits to the different parts of that province, and making contacts between the outlying Chinese and local Christian Canadians. At the same time literature is being sent out regularly. A similar survey is also going on in British Columbia, and contacts being made through the local W.M.S. Auxiliaries, with all families. Literature is also being sent, and arrangements are now completed along similar lines in the Province of Alberta.

Requests for suitable tracts and Christian reading matter are coming more than ever before. Till now no grant, has ever been made toward this work by our mission board. Through the generosity of a Christian Chinese upwards of \$50 per year has been donated to this work. But demands are exceeding our supply. Tracts and pamphlets have been sent on request to almost every province. These tracts, particularly serve as a fine introduction to the Chinese on the part of our local

Canadian people which serve to show their interest in the Chinese. We have even had requests from Chinese parents themselves to send on suitable helps for the teaching of their children. The parents themselves are thus getting to know Christ by their teaching of the Chinese characters to their children.

IV. A word ought to be inserted here about the way the Chinese are measuring up to their financial obligations in this work.

For the first time in the history of the work in Toronto, a donation to our Mission Work was made by the Chinese. \$30 was sent to the Women's Missionary Society. This is a welcome gesture and we are hoping it is the forerunner of new contacts of this kind.

The first contribution to the work, too, by a Young People's Society was made at Victoria. They gave \$34. They have only been organized two years but are cultivating the missionary spirit.

At the two coast congregations advances were again made in their givings to the Church Budget. Vancouver in addition to raising the full budget of \$126, also gave \$95 to the Jubilee Fund. They also paid during the year \$352 off the local church building debt. These three with \$20 from the W.M.S. makes a total of \$593 to the church alone. The Victoria Congregation raised \$190 to the Budget, gave \$55 to the Jubilee Fund; while the W.M.S. raised \$75, a sum of \$320. This makes a grand total from the Coast of \$913, while, at the same time, they met all their own running expenses, and contributed the entire salary of a teacher.

Then, again, contributions are frequently made to local Canadian Church Budgets in other centres where the Chinese interest is cultivated. The whole is very promising and very encouraging.

V. Regarding the workers on the field several things are worthy of notice. Of the 18 workers employed, half are Chinese, thus carrying out the policy of a year or two ago. Six are part time workers, while Mr. T. Y. Lee of Ottawa is paid locally, and Mr. F. Y. Louie of Vancouver is paid by the Chinese.

Mr. S. Leung our Chinese student was engaged to work among the boys and men, at Montreal last summer. Circumstances there, owing to the concentrating of all our work at the Chinese Y.M.C.I., made it necessary and worthwhile. He did good work. His salary was paid by the W.M.S. (W.D.). Miss Elsie Lee was also appointed at Montreal to take the place of Miss Hattie Jue who returned to China. The whole question of the work at Montreal is now under discussion and there is a hope that it will be advanced and extended in the near future.

We have been fortunate in securing the services in Windsor of Mr. D. Laing, son of the man who so long looked after our Chinese locally. He has been given a warm welcome by the Chinese, and should be, because of his Christian interest, and tact, of valuable assistance to the Chinese and our Church.

Our Chinese work indeed owes much to the loyal, sympathetic, self-sacrificing interest of just such voluntary workers in every province. Without their work the task could not be overtaken. In their homes, class-rooms, and church, they carry on oftentimes without notice, or hope of reward, except that which comes from God in Christian service well and faithfully done.

We note with regret the passing from our work of one or two good friends of the Chinese, Mrs. Gilbert, who for some time has been rendering valuable assistance at Toronto, went to her reward. The Chinese loved her and miss her much. Mr. Walter Martin of Regina is another. He, because of his provincial position, became the fast friend of Chinese all over Saskatchewan. Then this last, Dr. Andrew S. Grant. He learned he said, to love and admire the Chinese away back in the Yukon days. He truly endeared himself to the Chinese Christians East and West.

Need we say, his missionary insight made it easy for him to like, and labor for, the Chinese.

VI. Our Canadian contact with China is still a most important phase of our work. We pray that Dr. Jessie McBean will soon return to her work there. Her presence in South China, from which part all our Canadian Chinese come, is a needed link. This is also true of Mrs. Burkwall. These links with Canada must be retained, for hundreds of Chinese each year pass back to their home land, either on holiday, or to stay, and are kept in touch with the church in this way. Every man and woman going back is a potential missionary. Many do carry back the gospel of Christ to their homes, and in a way white people cannot.

Two young men went back to Canton Province last year, who stated that they are the first in their clan, or family, to accept Christ. It takes no small courage, having done this, to face parents, family, and friends, and stand fast. Usually no uncertain voices are raised against their action, and often, indeed, steps are taken to have them recant. How many are forced to sever their connection from all they hold dear none can tell. But this is often part of the price. On the other hand it often acts the other way. One young Chinese recently caught in this circumstance, overcame the difficulty by inviting a nearby preacher friend to tea. The law of hospitality demanded his entertainment. On his second visit the "tea-drinking" was turned into a prayer meeting, with all the family, as well as the neighbours, looking on and listening in. Here, one man, again, with God becomes a majority.

Recent word from China tells of great and growing interest in the gospel, but also of the tremendous need. Here is how Rev. Y. S. Tom, Moderator of the Church of Christ in China, puts it in his appeal to the Western Church world—"Our nation is faced with dangers of social unrest, invading armies, the more subtle invasion of modern evils, and Communistic propaganda. We are valiantly striving to meet these, but our Church is yet young. It needs trained Christian leadership to meet these menaces, above all it needs the leadership of Jesus Christ, and His power unto salvation.

VIII. These in brief are some of the uplifting phases of our year's work. One would like to emphasize if space permitted, such pressing problems in Canada, as the equalization of immigration which is so wrapped up with the Eurasian problem. Or, the clamor-for-votes, for native-born Orientals, now going on, particularly, in British Columbia. This matter for the first time has been definitely brought before the Federal Parliament. It is an intricate question, but one that may as well, soon as late, be met. Opinion divides sharply on the matter, but it has succeeded in making many people, at least, think a little on the question of the Oriental presence here, which is much better than the dead indifference so customarily shown. For, if it deals with the weak points of the situation, it also brings out the strong ones. It shows for instance, that in discussing the question one cannot bundle the Chinese and the Japanese into the same category, except, in point of color. The question affecting each is totally different, and must be looked at that way. All are agreed, however, there is great need for training the young Oriental, if he is to stay here, in the ways of Canadian citizenship. And, in this connection one welcomes the way the different Canadian hospitals are making it possible for young Chinese women to go into training as nurses. Vancouver, Kingston, and Saskatoon have been recently added to the list. Such trends are all in the right direction and will add much to the solving of the whole question.

IX. A week or two ago one of our Chinese preachers stopped the Sunday School singing in the middle of a verse. Jumping up beside the Superintendent, he said, "You wonder why I am stopping you, for, I notice you are really all singing. The only thing is you are not singing loud enough. Over in China," he went on, "I went to a Sunday School that was held within the walls of a compound. Our leader insisted that we not only sing, but sing so loud that the words be heard outside of the walls, and for blocks around, otherwise," he said, "we are losing a chance to touch some heathen heart."

We are striving to make this the Chinese Christian motto in Canada, not only in their Sunday singing, but in all departments of their lives, that, their missionary voice be not only heard in Canada but across in the needy land from which they come. May God grant us who serve with them in this work, His Presence and His Power. This is our prayer.

Respectfully submitted,

DAVID A. SMITH

ITALIAN MISSION, HAMILTON

Ever since the death of Mr. Ernest Taylor, who carried on a non-denominational work, the Italian Mission on Sherman St. N., has been under the care of the Presbytery of Hamilton. For some time the activities were supervised by Mr. Charles Sardo, an elder of St. Andrew's Church; but later he retired, and, by instruction of Presbytery, the Session of St. Andrew's has had official oversight since.

A Bible Class and Sunday School are carried on each Sunday morning—partly in Italian, partly in English. Services in English are held on Sunday evenings. The students for the ministry, members of St. Andrew's, for some years alternated; but last year outside speakers were invited and served most acceptably. Special mention should be made of Elder Thomas Blackman, who for years has taken his turn also at preaching and acting as liaison officer between St. Andrew's and the Mission.

Week-night groups of young people and children meet. A prayer meeting is held every Thursday and every adult member of the Mission is invariably in attendance. Unfortunately, we cannot afford a full-time Italian worker, else the Presbytery would petition for one. Thus success is retarded. Nevertheless, the Mission is producing workers for the English-speaking Churches in our city. St. Andrew's has one Italian on its Session; four in the choir; two in the Bible Class. All the financial help received from the Church is \$180.00 a year, which goes to meet mortgage indebtedness.

This work is commended to prayers of the Church.

Non-Anglo-Saxon Work

HUNGARIAN WORK IN AND NEAR HAMILTON

1935

By the time this report reaches our Board of Missions, it will be ten years since work among the Hungarians in Ontario was started. As a result of our experiences during the past year as well as the past ten years we can refer to God's providence alone, whose proof was often furnished when we faced seemingly insurmountable difficulties. It may safely be stated, that after the years of uncertainty,—owing to the fact that 95 per cent of our people moved into the district since 1926 and getting the full force of the depression, were unable to find economic security,—now we have a good nucleus in the about 100 members, who have stood the test of outside agitation and another 150, whose faith with some cultivation will develop into a real motive power. A number of good families have moved out on farms during the last year or two. (These and earlier settlers in the vicinity of Hamilton were all visited last year.)

Our services were well attended and communion was served six times during the year. Five young people were given instruction, being received into the church at the Easter service. Fifteen children were baptized. During the winter months weekly cottage services were held with good attendance. They proved a source of blessing

especially to those who can seldom attend the regular services owing to their home duties, or bad working hours.

The children attend *Sunday School* faithfully. A *Saturday School* is also held, and a *Vacation School* utilizes part of the leisure time of the children during the summer. Last Fall a *Junior Young People's Society* was organized and the *regular young people's group* is also very active. Our *Ladies' Aid Society* has been a great help in the congregation's work during the past year. The *Women's Missionary Society* progressed in missionary work and some very excellent speakers were heard. The *Session* has done faithful work.

Total givings for all congregational purposes amounted to \$853.81 (every organization—outside of W.M.S.—turns in all receipts to treasurer of congregation). Budget givings: \$20.00 (originally it was less, but was made up by Session).

A fire occurred in the balcony of the school auditorium in October, but insurance took care of the expenses of redecoration.

Preaching stations are Caledonia, Brantford, Burlington, Guelph. The people in Brantford are the most faithful in attendance.

Mrs. Kovacs, our deaconess, has done very fine work among our women and children.

Respectfully submitted,

FRANK KOVACS.

HUNGARIAN WORK IN TORONTO AND OSHAWA

In presenting the following report on the Hungarian work for the year 1935, I cannot do so without expressing my most sincere gratitude to our Heavenly Father for His care and guidance during the year. He has indeed manifested His blessings exceeding abundantly over what we have asked. A very pleasing progress can be recorded for Toronto and Oshawa, and as your humble servant, I shall endeavour to rewrite my notes wherein I may convey to all who are interested as much information as possible.

Toronto.—The highlights of the happenings were as follows: There were four births in the congregation, two baptisms, no marriages, and no deaths. Holy Communion was dispensed six times during the year by the following ministers: Rev. L. Beaton, twice; Rev. D. Anderson, B.A., once; Rev. A. F. MacGregor, D.D., once; Rev. J. Stenhouse, M.D., once; Rev. J. B. Thomson, once. There were 13 new communicants received into the church. There was a loss of 5 members, owing to removals to other places. There are 75 members in good standing, including 42 families, and about the same number of adherents. The Session and the Board is composed of 6 members, convening each month. The Sunday School embraces 50 scholars on roll with 3 teachers, meeting every Sunday from 10 to 11 a.m. just before the Church service. In the past year, out of the Sunday School, 4 scholars were received into the church on their profession of faith. The Young People's Society met every Monday evening for the regular Young People's service. There are 28 members, with an average attendance of 22. The Choir carried on during the year with practice every Wednesday evening, under the writer's direction. The Women's Association met regularly every other Thursday evening, under the leadership of Mrs. Steinmetz, in the writer's home, for worship and handcraft. There are 25 members. During the year five socials were held at which offerings were received. The customary annual church picnic was also held in the month of July. On Mother's Day and Rally Day, special services were held, with the Sunday School and Young People's Society participating in the program. A Christmas concert was also held, at which gifts were distributed to the Sunday School children as well as to the needy of the congregation. The supply department of the W.M.S. made this possible by sending us a very acceptable bale. A worthy member of our congregation, in answer to a great need for a pulpit, had one made as a gift to the church. The systematic giving of 25 cents per month per member has been maintained by 60 per cent of the members during

the past year. For the year of 1935, the congregation, though it had no definite allocation, had contributed \$17.50 towards the Budget of our Church, plus \$8.00 towards the Diamond Jubilee Fund, a total of \$25.50. During the past year, our Young People's Society and the Choir have had joint meetings with the Young People's Society of St. John's Church; with the Young Women's Auxiliary of Emmanuel Church; and the congregation of Dufferin Street Church. Our Women's Association had the pleasure of entertaining at two of their regular meetings the Young Women's Auxiliaries of Calvin and Parkdale Churches. One of the outstanding achievements of the year was the coming into being of our religious church weekly, on the 28th of July, called the *Gyertyafény* or *Candlelight*. This little paper is of inestimable value in reaching Hungarians in the church and those who are indifferent to the great cause of Christ. It is edited and printed by myself on a Gestetner machine, and distributed free of charge 150 copies per week.

Oshawa, Ont.—There were no births, no baptisms, no marriages or deaths. Holy Communion was dispensed six times during the year: one five occasions by the Rev. Luke Standret, and on one occasion by the Rev. D. Parry Jones, M.A. Six new communicants were received into the church. Owing to removals to other places, there was a loss of 13 members. There are 25 members in good standing, including 17 families, and about 20 adherents. The Session and the Board is composed of 7 members, convening every month. The Sunday School embraces 25 children, with two teachers, meeting every other Sunday afternoon before the regular church service. One scholar was received into the church by profession of faith. During the year two socials were held, at which offerings were received. The annual picnic for the congregation was also held as usual. Special services were held on Mother's Day as well as on Rally Day. Christmas concert was also held, with gifts being distributed to the Sunday School children. On the 10th of March, a special congregational meeting was held, at which it was decided that, "Until better days, church services can only be held every other Sunday, as the congregation is unable to raise the necessary funds for the travelling expenses of the missionary for weekly services, as well as for the rent of the church and other expenses." A systematic giving of 15 cents per month per member has been maintained by 65 per cent of the members during the past year. For the year of 1935, the congregation has contributed \$2.00 towards the Budget of our Church.

HUNGARIAN FIELD IN WINDSOR

The year 1935 has not passed over your mission amongst Hungarian in Windsor, without blessings. In the former years we used to await the end of the depression; to expect this, was mainly an inner urge to become more useful to the community. I have not to say that such expectations were not realized, but the gap between dream and reality has been filled by Divine Grace. Many have learned that the Gospel, and redeeming Grace are meant for those who are poor. This past year will be remembered as the one which made the nearness of the Lord felt in many a lonely heart.

We have received more members into full communion, during the last year, than in any of the previous years.

Mr. J. C. Little, an elder of Riverside Presbyterian Church, has acted as elder of the Hungarian Church. He is a beloved and respected friend of the growing membership on your Hungarian field. The managers have worked miracles. From the unemployed they have received donations given by cheerful hearts. The receipts of the church treasurer, some \$1,200.00 prove that the spirit of "faith, love, and charity" was not killed by the long idleness of arms used to hard work. We feel certain that with normal employment conditions your field will become self-sustaining.

We had a good attendance at the divine worships: not very much difference between the morning and evening services. About 75 per cent of this congregation consists of men—separated from their families. They are loyal Canadians and long to be re-united with their dear ones in Canada.

I should mention also that we have a fine Young People's Society and that the Ladies' Aid was helpful in raising monies for the church during the past year.

Respectfully submitted,

In HIS Service,

E. F. MOLNAR.

UKRAINIAN MISSION, TORONTO

REPORT FOR 1935

I. *Our field.*—Through our mission we are trying to reach with the gospel new Canadians, who do not know the language of the country. Our main effort is among Ukrainians but our workers having good knowledge of Russian and Polish languages are reaching also other groups in Toronto.

The work that is facing the mission is really immense. There are about 12 thousand of Ukrainians alone and just as many Russians and Poles. This field is rather neglected for all this multitude of newcomers there exists only our mission, Baptist mission for Russians and Poles and a Pentecostal group. There is a good opportunity for work among children and young people.

II. *Our difficulties.*—We are facing well organized and well supplied opposition of communists as well as Roman Catholics. Both groups spare not money or effort in their work. Different clubs and organizations of newcomers if not hostile to us are indifferent. There are about 14 different societies among Ukrainians alone. Our place for meetings is unsuitable for the work but we are not in position to rent better. Unemployment is one of our greatest difficulties.

III. *Our method of work.*—We are combining in our mission evangelistic and social effort. Gospel meetings, personal evangelism, visitation of hospitals and prisons, open air meetings, interpreting, relief work, distributing of literature and other similar work is being done in the district. We are always stressing the importance for members to share in support of the mission work. Our people knew before only state supported churches and a self supporting congregation is new to them.

IV. *Our congregation at present.*—We are paying ourselves the rent for the place and we were able to pay our budget allocation. In the past 130 persons were received into membership on confession of faith. As the labourers are continually moving from place to place in search of work our membership is changing also, at the present we have 93 members, the rest moved to other districts. Our Sunday School is growing under leadership of Mrs. Fesenko, and Miss M. Booth organized a Young People's Society.

The work of the mission is indispensable in the district and the field is so large and requests to help are so many, that our workers very often have no opportunity to take a day off for rest. A man with communistic sympathies told me, that for our work, they would have far greater success in the district among newcomers. We are very thankful to the W.M.S. of our Church for their kind interest in the work, with them we do not feel that we are left alone. We thank the Lord and the Church for the opportunity to preach the Gospel to newcomers and since we cannot report any startling developments we still feel that a good work was done and a great need satisfied.

Respectfully submitted,

MICHAEL FESENKO.

UKRAINIAN WORK, OSHAWA

Complying with your request, I am sending you a brief report, covering the work of the Ukrainian Mission in Oshawa, for the year 1935. During this year the work in Oshawa made a marked progress.

To me the most encouraging is the fact that in 1935 we have gained a number of new friends and adherents. Our church service attendance—especially in the morning has increased considerably. Many Ukrainians that broke away from the old ritualistic churches, and for many years remained either indifferent or antagonistic to religion, are now anxious to hear the simple message of the Gospel. Some of those who opposed us bitterly a few years ago attend our church services quite regularly now, and, whenever can, help us with contributions. We also received nine new members on profession of faith. These were mostly young men and women from our Sunday School. This is a source of great satisfaction to us and we thank God that the work of the Presbyterian Church among the Ukrainian people in Oshawa is bringing forth more and more fruit.

You will notice that the total amount raised by the Oshawa Ukrainian congregation this year was \$642.00, this being \$128.00 more than in 1934. Out of this amount the congregation paid the interest on the church mortgage, taxes, lumber bill, fuel, light, water, caretaker, budget allocation, Sunday School materials and incidentals. December 31st, 1935, balance on hand \$13.68.

We have a very active Ladies' Aid Society. This year the ladies contributed \$165.00 to the congregational treasury. They raised the money mostly by making and selling of Ukrainian embroidery. Besides contributing towards the upkeep of the church they help much to promote social life in the congregation. There is also a Men's Enlightenment Society, whose work is more of an educational nature, and Young People's Society. Our Sunday School enrollment is about 60.

We have two church services every Sunday as well as meetings, lectures and singing rehearsals on week-days.

Many of our good members are distressfully poor. Some of them are still on relief, others work two or three days a week but do not seem to be better off than those on relief. These people are unable to contribute financially, but they are always willing to help the church in whatever way they can.

Respectfully submitted,

LUKE STANDRETT.

Institutional Work

SCOTT INSTITUTE, TORONTO

REPORT FOR 1935

During the last few years, the economic depression has left indubitable marks on all missionary endeavour; but the missionary work of the Presbyterian Church in Canada among the Jewish people in Toronto is one of the exceptions, and has been able to carry on as usual, in spite of the financial difficulties and general unemployment.

The Jewish people have suffered as much as the other citizens of this city and this Dominion. When the depression suddenly overtook us, we were left, as it were, stunned and helpless. Many of our people who were regular attendants at the Gospel meetings, were confronted with an unprecedented situation. They were left unemployed,—their bills for light, heat and fuel were mounting up, until their electric and gas were cut off, and they were faced with starvation.

The Scott Institute never had a large "Poor Fund," and the meagre sum at our disposal was less than a drop of water in the sea. Our work, into which myself and

those who were before me had put years of hard labour, prayers and literal fasting, faced complete annihilation because of lack of financial support. *The Church, instead of coming to our rescue, began to emphasize the most stringent economy in all our activities, and out down to the minimum all expenditures in connection with the work and overhead expenses.* Not only did we reach a new low level in expenditures, but your missionary was called upon to share in overhead expenses. What were we to do in this unparalleled situation? We had to either sink or swim; and after prayer and meditation, the Spirit of God told us not to be dismayed, but to seek His righteousness first, and all these things should be added unto us. Accordingly, *we were led, with the permission of the Toronto Presbytery, to begin our Relief Work in the Fall of 1930, a work which has become well-known in this city, and a testimony to the Jewish people.*

What did this relief project mean to the Jewish work of our Church? It meant, first of all, that Hebrew Christians in the city of Toronto, when in need, could turn to the Scott Institute, which is the Presbyterian Mission to the Jews, and receive such aid and comfort as we were able to give, and which they could not obtain elsewhere.

Secondly, it meant that those Jews who had not as yet confessed Christ, but were favourably disposed, could, if in need, still continue to come to the Presbyterian Church in spite of threats and warnings from Jewish Welfare Organizations.

Thirdly, it meant that the Jewish people in Toronto knew that the Presbyterian Mission to the Jews did not only give them the Gospel, and say, in the words of James, "If a brother or sister be naked and destitute of daily food, and one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body",—but along with the Gospel we were able to feed the hungry, clothe the naked, visit and help the sick, give shelter to the stranger, pay their rent, provide them with groceries, give them bedding, furniture, coal, stoves, medicine, medical appliances, layettes, and many other items too numerous and too funny to include in this serious report.

You can now visualize the importance of that work, and the standing it has given us in the Jewish community. The attendance at all our meetings had trebled and continued to grow in numbers. Many Jews have confessed Christ. Our Gospel meetings, and Prayer meetings in particular, have been filled to capacity. In this connection may we say that the Tuesday evening prayer meeting and Bible Class is really a school of prayer for the Jewish people, where they actually learn to pray in the name of Jesus, and prayers are marvellously answered. Jewish men and women are standing up and publicly requesting prayers for themselves and their friends.

We wish to record two outstanding answers to prayer. One is the case of a Hebrew Christian, Mr. S., who was stricken with a dangerous kidney infection. After two serious operations in the hospital, the doctors told us there was no hope. We had been constrained to put a special nurse on the case, a consecrated Christian young lady, and she united her efforts and prayers with ours at the Scott Institute for his healing. His recovery is complete, and he is happy at home with his family.

The other case is of a secret believer, a woman advanced in years. A stroke left no hope for her physically, and her mind was a blank. Constant prayer has gone up from our meetings for weeks and weeks, and now she has returned to her home from the hospital, sound in body, and alert mentally.

These living testimonies have made a profound impression on our Jewish people.

Last winter, our work undoubtedly reached the peak in the history of the Presbyterian Mission to the Jews. As the work increases, naturally our staff of workers to handle the people should increase; but, instead, our staff has not only not been increased, but has been decreased by one worker. And unless our small, overworked staff is augmented by at least one worker, our mission will suffer. Our audiences are already

falling off somewhat because we are unable to look after all the people with whom we come in contact.

Our activities consist of Sunday School, every Sabbath afternoon; the discussion group for Jewish men; Monday evening, Young People's Society; Tuesday evening, prayer meeting and Bible class; Wednesday afternoon, Mothers' meeting; Thursday evening, Boys' Group; Saturday evening, Girls' Group; Sunday evening, the main evangelistic service, where the Bible is expounded, and the Gospel preached to Jewish men and women, and the way of Christ is pointed out to them.

The Young People's Society is the most promising and encouraging work in the Mission. Mrs. Zeidman is in charge of this group of Jewish young men and young women. The average attendance is thirty-five. Many of the young men are wrestlers, boxers, and baseball players in the Jewish community,—as lively a bunch as can be found anywhere in Canada. Yet, these, too, must be saved for Christ. Mrs. Zeidman seems to have the special gift of winning these young people. There are very few missionaries to the Jews, (myself included) who can handle just such a group of young people as Mrs. Zeidman looks after, single handed, every Monday night from 8 until 11 o'clock. At every meeting there is a devotional session, at which hymns are sung, prayers offered, and the Bible expounded. A few weeks ago, a Jewish organization, looking with envious eyes at this flourishing group, decided to break it up. They arranged their activities with a view to disorganizing our Society. At first, they succeeded in preventing many from coming, and for a week or two, the outlook for our Young People did not seem very bright. But the storm is now over. Those who left are gradually coming back; new members have joined, and our work among these young folks is going on as usual.

We might say, that our work is now so established in the Jewish Community, that any counter-work on the enemy's part, must be done on the quiet.

Our Fresh Air Home at Grimsby Beach has proved a great boon to the health of our Jewish mothers and children. The Home is continuing to entertain an average of 200 guests per summer season. In this branch of the work, as in all other departments, our watchword is "Forward March." I am happy to report that we have secured another house which gives us the Lake front view, and additional accommodation for workers, and a room where we can hold our devotional exercises, and where the children will be able to play on rainy days. We hope, God willing, to make, this coming spring, such alterations as the money at our disposal will permit, in order to render our Camp still more attractive and convenient. The houses, which now number three, are all paid for, and are not encumbered with mortgages or debts of any kind. They are the complete property of the Presbyterian Church in Canada.

The general relief work is going on as usual. During the season of 1934-35, we served about 135,000 meals, distributed thousands of articles of clothing, supplied hundreds of emergency hampers of groceries to the needy and destitute, provided hundreds of beds and lodgings for young men who would otherwise have slept in brick-yards or freight cars. We helped and aided thousands of men, women and children.

And last but not least, we are indebted to a group of students from Knox College, who come down to the Scott Institute every Sunday morning, and hold an evangelistic service for the unemployed. Many of the men are attending these meetings, and have expressed their joy and thanks for this spiritual ministry that is provided for them, Sabbath after Sabbath.

Let us pray that God will richly and abundantly bless these efforts to bring men and women to the cross of Jesus Christ.

Our Relief Work has been recognized and commented on, not only by the Press of Toronto, but by the citizens as a whole, and the lively interest is shown by the thousands of dollars we have received from the public to carry on the work of the Scott Institute. The City has recognized the work by presenting your missionary with an illuminated address, publicly in the City Council Chambers, before the City Fathers, and

the Board of Control. And last Christmas, in the presence of the Lieutenant-Governor, Members of Parliament, the City Council, representatives of Church and State, and a large gathering of citizens, the Scott Institute was presented by the City with a cheque for \$100, on the occasion of the annual Civic Christmas service. During the years of our missionary labours in the Institute, we have had the blessing of baptizing and receiving into the Church eleven Jewish adults, and scores of men and women have confessed Jesus Christ as their personal Saviour and Redeemer.

Nor has our work been confined to the four walls of the Institute, since for three consecutive winter seasons we have been broadcasting the Gospel message over the radio, which is listened to by thousands of Jews in the city and province, who would neither enter a mission, nor be seen in a Church. All this radio ministry, as well as the relief work, is done without any expense to the Church.

Above all, we are grateful to our Heavenly Father for the goodwill, and the friendship, and even the co-operation that has been shown to us by the Jewish community, some of them even going so far as to contribute to the work of our Institute. Only about a month ago, we received a donation toward the work of the Institute from one of the most prominent Jews in Canada. Your missionary has also the honour of being the Honorary General Secretary of the Hebrew Christian Alliance of America, which is trying to consolidate and unite Jews who have embraced the Christian faith. And we were also instrumental in organizing the Hebrew Christians of Toronto in a Local Branch of the Hebrew Christian Alliance of America, that meets monthly in our residence for prayer, praise, and testimony. During the year, we have been asked by practically every evangelical denomination to speak and give lectures on the work in the Institute.

We pray that God may continue to use us, and that we may be instrumental in winning God's ancient people for Him, Who is Israel's King and Glory.

Respectfully submitted,

M. ZEIDMAN.

TYNDALE HOUSE

EVANGELICAL SOCIAL SETTLEMENT OF THE PRESBYTERIAN CHURCH IN CANADA, MONTREAL

NINTH ANNUAL REPORT

Tyndale House is now entering on its tenth year. It represents the effort that the Presbyterian Church in Canada is making to promote Christian living and Christian ideals in a district of our city which is sorely in need of uplift. The success which by God's grace has been vouchsafed by our efforts during the past year, encourages us to hope that with new supporters coming to our aid, we may in the future be enabled to break new ground and to help in quarters where our help is urgently needed.

SUNDAY EVENING SERVICES

Those who have so generously aided us in the past will be gratified to know that while worship has always been placed first among the activities of Tyndale House, our Sunday Evening Services have become a more prominent feature than ever. Under Mr. Brown's leadership the people have rallied to worship so that each Sunday evening our seating capacity is taxed to the utmost. The help of the Church of St. Andrew and St. Paul in enabling us to have occasional celebrations of Holy Communion is most gratefully acknowledged. It is the firm conviction of your Committee that this increased interest in worship has been productive of beneficial results in every department of our work.

YOUNG PEOPLE'S DEPARTMENT

Among young people the work has advanced along lines set forth in past reports—Sunday School and Bible Class attendance keeping up well. A new venture has been the formation in recent months of a Young People's Society, which promises to be a real inspiration to our junior groups.

ADULT DEPARTMENT

It is perhaps in the adult division of our work among both sexes that the real blessing of our Sunday Services has been most felt. Perfect harmony prevails, and a keener zest both in work and recreation is noticeable. In proof of the good spirit that exists among those whom we are trying to help, it ought to be told that this past year they have voluntarily contributed the sum of \$40.00 to the Presbyterian Mission in Manchuria, where the Rev. Edward Johnson (formerly a volunteer worker in Tyndale House) and his wife are now serving as missionaries. The decision has also been made to aim at subscribing a like sum to Home Mission Work in 1936.

SUMMER CAMP

Our Summer Camp is an unspeakable boon to many from a health point of view, but it has a notable influence in other ways as well. The quietness and free companionship of camp life offer to our workers opportunities of getting near to the hearts of our people, of which they are not slow to take advantage. By common consent the camp holidays of 1935 were conspicuously successful.

To our regular staff, Miss Murray, Miss Harvie and Mr. Brown, the highest praise is due. Among others to whom the Committee is particularly grateful are the Rev. R. L. Ballantyne of St. Andrew's East and his congregation, our faithful volunteer workers without whose aid we must certainly have failed, and all who by their gifts and interest have given tangible proof of their eager desire that the Presbyterian Church in Canada may not fail to meet the challenge at our own doors.

In deep gratitude to Almighty God for His sovereign aid during the past year, we pray that His blessing may continue to rest on Tyndale House, making it serviceable in the building up of His Kingdom in the hearts of our fellow citizens.

Respectfully submitted,

GEORGE H. DONALD, D.D.,
Chairman.

DAVID SCOTT, M.A., B.D.,
Vice-Chairman.

PRESBYTERIAN HOME FOR GIRLS

We are glad of the opportunity to recount the progress of the Presbyterian Home for the year 1935.

As we look back through the past months we are filled with a deep sense of our indebtedness to God for His care over us and for the wonderful way in which His loving kindness has been made manifest in this part of His vineyard.

During the year we have had the privilege of ministering to thirty-five girls and twenty-nine babies who have passed through the Home.

In our work among the girls, God's book is the foundation on which we build. They learn here the difference between right and wrong and, guided by the Christian influence which surrounds them, they go out with an entirely new conception of their duty as citizens.

They are also given a thorough training along domestic lines which insures good positions after leaving our care. Several girls have testified as to what the Presbyterian Home has done for them. They express too, their gratitude to the many friends whose gifts of clothing, etc., and interest shown on their behalf, have been stepping stones toward a nobler life.

Then too, we feel it a very worth while achievement when we think of the little children God has permitted us to help through our work of adoption. As we see them growing up surrounded by the love and Christian care of a happy home life, which is the rightful heritage of every child, and which enables them to meet life's duties unhandicapped by their lowly birth, we are happy in the thought of a work wholly pleasing unto our Father in endeavouring to smooth the pathway of these His little ones.

MYRTLE MCKINNON,
Superintendent.

NEIGHBOURHOOD HOUSE, HAMILTON

Neighbourhood House activities are well-known throughout our city, and are regarded, by those who are efficient students of social activities, as about the finest done by any Church in Canada. A local Ladies' Board, made up of representatives from all our Churches in the city, give most devoted and wise supervision.

A yearly enrolment is made of the various nationals, and it is worth while giving them a place in this Report. The year 1935 showed (I give the percentages following nationality): Hungarian, 21 per cent; Canadian, 18 per cent; Polish, 16 per cent; Ukrainian, 10 per cent; Serbian, ** per cent; English, 8 per cent; Scottish, 5 per cent; Croatian, 5 per cent; Czecho-Slovakian, 3 members; Italian, 5 members; German, 4 members; Roumanian, 3 members; Swedish, 3 members; Irish, 3 members; Austrian, 2 members; Bulgarian, 1 member. Here you have a real European centre, and they all live in peace. That which unites them is the Gospel and the self-sacrificing activity of our consecrated representatives.

Just as informative and suggestive—perhaps, more so—is the roster of denominations taken care of in this vital centre. We report them as they were given on registration last year: Roman Catholic, 34 per cent; Protestant (sic), 17 per cent; Presbyterian, 14 per cent; Serbian, 8 per cent; Anglican, 6 per cent; Neighbourhood House, only 5 per cent; United Church, 4 per cent; Baptist, 6 members; Lutheran, 5 members; Greek Catholic, 3 members; no Church, 10 per cent. The total attendance of the above during eleven months was 22,433; the average monthly was 2,039. One outstanding thought comes—no matter what body in which the Neighbourhood House children will finally find themselves, the gracious memories of the present will ever incline them to kindly thoughts concerning our Church. How far reaching the influence, none can have the remotest conception!

There is, of course, considerable variety in the nature of the activities. Sunday School; play-school for pre-school age children five mornings each week; Saturday morning groups for all ages; Mothers' Club; four clubs for boys, and four clubs for girls; one club for young men; a quilting group. Besides, there is a most successful Daily Vacation Bible School, and there are the usual concerts, parties, picnics, hikes, visits, Christmas socials, etc. Neighbourhood House is the proverbial beehive of work, play, teaching, and living to the glory of God and the furtherance of Christ's name. The investment by our Church on Beach Road, Hamilton, is gilt-edged!

There are two full-time resident workers; one part-time worker three evenings a week; one play-school assistant; three assistants for the Daily Vacation Bible School, and several volunteers. The Boys' worker and other assistants are paid by the Ladies' Board. We cannot say too much about the splendid service of Miss Maria Sloan and Miss Marie Snor. The work is in consecrated hands. Nor can our Church thank sufficiently the Ladies' Board, headed by Mrs. Mercer, who by devotion and much hard work raise a considerable sum yearly to maintain much of the service rendered to the under-privileged. May the work continue to prosper.

C. L. COWAN,
Home Mission Convener.

LANTERN SLIDE REPORT FOR 1935

The Lantern Slide Committee has again had a busy year. A set of slides on the work of our Church in Manchuria was released for use in October. Dr. and Mrs. Goforth gave generously of time and information which made this possible, for which we thank them. Other missionaries have also sent us material which will be used later.

These lantern lectures have been used 480 times during the year.

Alberta	55 showings.
British Columbia	43 "
Manitoba and Saskatchewan	71 "
Ontario	231 "
Quebec	60 "
Maritimes	20 "

Total 480 showings.

The custodians in each centre gave encouraging reports of sets used and the resultant better understanding of the work of the Church, through this means.

Alberta reports crowded churches and schools to see these pictures.

In British Columbia, the Dr. MacBean set was in demand.

Saskatchewan and Manitoba report more interest.

Ontario reports that the pictured story of missions is growing in popularity.

In Quebec the Japan set was oftenest in demand.

The Maritimes report one set sent to Bermuda, the farthest away Church in the Maritime Synod.

For slides, boxes and express to the custodians, \$220.00 was spent, one-third being charged to each of the three Boards concerned, the Board of Missions, Board of Sabbath Schools and Young People's Societies, and the Women's Missionary Society (W.D.).

Miss Lang has continued to do the work of gathering and arranging these slides, for which our sincere tribute is due. The W.M.S. again allowed the use of a small room for storage and assembling, at no charge to the Committee, a service which we appreciate.

The custodians in the Provinces or Synods gave constant, faithful service in sending out and receiving these sets and arranging dates with individual lecturers. We wish to place on record our gratitude for this service.

The Committee would request that missionaries in Canada, and Overseas, should be instructed by this Board to provide pictures from time to time for the use of the Lantern Slide Department; these to be available for other work also.

Respectfully submitted,

W. M. KANNAWIN,

Convener.

M. C. MCKERROLL,

Secretary, Assembly's Lantern Slide Committee.

FOREIGN MISSION REPORT

Canadian Presbyterian Mission in Manchuria

ANNUAL REPORT FOR 1935

At Dr. Goforth's Farewell a year ago a prominent Christian well expressed in a word our sentiments: "Elijah is leaving us. We must be Elishas and carry on the work!" Last year's report was read and approved by members of Council at the railway station, while waiting for the train to pull in. For this was the modern "Fire Chariot" that was to carry Dr. and Mrs. Goforth from our Manchurian Field where the eight closing years of their active missionary life and service had proved so fruitful. Time has passed and again we seek to crystallize in a few brief paragraphs the activities, developments, progress, spiritual growth and blessings of the year following the departure of our beloved leaders and founders of the work. "Where is the Lord God of Elijah?" He is still here!

PERSONNEL

The departure of the Goforths left our missionary staff at its lowest ebb, there being only Mr. and Mrs. Reoch and Mr. and Mrs. Davis left to carry on, on the field. However, we were much encouraged by the arrival in September of Rev. and Mrs. E. H. Johnson, peculiarly well equipped for the work. Our hopes are high for their being with us in the work of the field after their year of language study in Peiping. The visit of Dr. MacKay, with wife and daughter, though very short was very cheering to us but we fear very strenuous for them. The results have been most surprising in the proposal to provide more breathing space and better houses for the missionaries stationed in Szepingkai.

KEY-NOTE FOR THE YEAR 1935

The Key-note of 1934 was the building of Churches—material buildings—that of 1935 has been the "ordaining of elders in every church" (Acts 14: 23)—the laying of the foundation of Presbyterian Church organization. Already sixteen elders have been elected in our field. All our churches, augmented charges, and mission fields have been grouped into ten districts, each one of which may be expected before long to support its own pastor or preacher. We hope that 1936 may prove to be the year in which a Presbytery is formed, on the basis of a suitable number of self-supporting pastorates. We can not but thank God for the elders He has already raised up amongst our young congregations to be pillars in the churches. We are expecting many more to be raised up in the local congregations all over our field, following the good beginning made this year. Then must follow a well-trained ministry for these rising churches.

THEOLOGICAL TRAINING

Our training work is still greatly hampered by lack of funds. In spite of the Mission not being able to send any to Theological Seminary or Bible School about ten of our young people have risen up and gone to such institutions at their own expense. In the meantime we have this year launched a plan to give our apprentice-men-preachers six weeks' intensive Bible Study each year, for four years at least, at a central point in our own field. This short term Theological School for men this first year at Cheng Chia Tun was a decided success. About fifty men were in attendance. The atmosphere at the time was fine and the results have been encouraging.

WOMEN'S WORK

Old Grandma Loo's eyes snapped as they rested on the time-honoured Ancestral Tablet: "That affair is going to be put out of this house", she said, "and anyone who wants to pay respects to the Ancestors may do so OUTSIDE." Out in the yard

Grandfather Loo picked it up, "Alas, my ancestors," he lamented, "they have all left you and become Christians. There is no one now to do you honour but me." "Yes, a great lot of honour YOU are bringing to your Ancestors by your evil life." commented Grandma.—Did I hear someone say,—"Poor down-trodden women"? "If we can win the women," remarked one of our experienced women evangelists, "they will not hinder the men giving more freely to the church."

The influence that women have in Manchuria makes it all the more necessary to put forth our best efforts to reach them. Thank God many have been converted and they are making their Christian influence felt by life and testimony. In the Churches it is not unusual that women are elected to serve with the deacons on the Board of Managers. The Deacons quite appreciate having one or two Deaconesses to help with church affairs. The women chosen are often of the old substantial practical type. The modern young woman with her good education is also taking her place in the Manchurian Church. These excel as Bible Teachers and Evangelists.

Our Annual Short Term Bible Training School was held in the spring at Cheng Chia Tun. The School lasted six weeks. Miss Grace Ku and Miss Hope Chiang who were recently secured for this kind of work gave most efficient and acceptable service. There were over forty students. The number is increasing each year. This class is the most vital spot in our women's work. At this annual place of meeting we compare notes, renew fellowship, study the Word, gain strength and inspiration for the ensuing year's work on the stations. Our teaching staff having been increased by the addition of Miss Ku and Miss Chiang who delight to teach, we were afraid our students would be submerged with all the classes. However, we came through nicely, as the results of the examinations showed.

MONGOLIAN WORK

During the year the Lord has given us a very promising Mongolian preacher, educated in Chinese and Manchu as well as in Mongolian characters. In the place where he had lived at the time of his conversion there has grown up through his ministry the nucleus of an indigenous Mongolian Church, but the climax of his work was reached just at Christmas time when he came to Taonan and gave time to working in the caravansaries and found amongst them many Mongolian traders in the city for their annual supplies.

ADVANCE IN 1935

It would be interesting to trace the advances in 1935 of the churches started in 1934. Note one of the weakest beginnings in 1934, when a Christian layman launched out 260 miles to do business and started church services with four or five Christians in the Post Office. Toward the close of this year comes a letter from this Mr. Tu at this place called Lin Tung with the very heartening news that the growing company of believers there have themselves rented a building for a chapel and are earnestly requesting the visit of a pastor to baptize these new converts.

The work of this field has grown quite beyond the place where we can give even a line of detailed report from each church and mission field. We must content ourselves with mentioning the new places opened during the year.

So Lun Shan. For years the object of our prayers and interest is definitely opened this year. One of our best young preachers spent the summer working there and since the eighth moon feast has taken his young bride along. Here we as a mission have truly entered into the gate-way to Mongolian territory. Some of the local Mongolian officials have been shy of the move, but many prominent citizens and school boys in the town have been interested, even suffering secret persecutions.

Liu Hu. Property previously offered. At last this year we have been able to send a worker, but only by keeping Mr. Ting out of his Bible Training Course at Ying Kou for a year. The offered property brought with it complications, but these have been amicably cleared up and a good group of inquirers prepared for baptism.

Repeated plans to go for a baptismal service were postponed by various providential circumstances. Finally the 23 baptisms in Liu Hu on January 16th really belong to the work of 1935.

An Kwang. Long on the waiting list, is at last opened through the zeal of a wealthy man of the place,—baptized many years ago, but sunk with his family into the depths of sin—far gone in the opium habit—a refugee in Taonan City from fear of bandits kidnapping him if he stayed out in his An Kwang home. He became thoroughly awakened spiritually and gave up his opium, married his last daughter to a poor preacher instead of to a wealthy society man as in the case of the older daughters and became desperately concerned for the opening of a chapel in his own home town. He has supplied the whole outfit and equipment, and the Mission has robbed other places to send a preacher there.

Kong Chia Wo Pu. Opened as the result of the Chinese New Year Evangelistic work of the church members of Tungliao, and now supplied by a preacher from this city.

Chuang Hu Toa Tse. Worked by a voluntary evangelist and helped from Si Ho Tun. The offerings of this little group have already amounted to \$50.00.

Chi Hao. Here the place for meeting and worship has been provided by a Dr. Liu, formerly a zealous Buddhist. We have not yet been able to send a regular preacher to this place, but they get help from Si Hao and a local volunteer worker carries on.

Ping An Pu. A new group of 50 believers has sprung up here. The Church and Pastor at Old Szepingkai have undertaken this place and group as their Mission Field. They support a worker at the place and supervise the work. Twenty-six have already been baptized and their own offerings have amounted to \$20.00.

Shih Chi Ching Ti. Though no Evangelist has as yet been appointed to this place they have built their own place of worship, the pulpit of which is supplied from Tzu Lu Shu. Twenty-five have been baptized during the year and their local offerings have amounted to \$200.00.

Huai Teh. A lady in Vancouver gave Dr. and Mrs. Goforth \$100.00 to be used in opening up Huai Teh to the gospel. Pastor Su was in charge of a tent campaign there last summer, which under the blessing of God resulted in the gathering out of a group of believers. Dr. Chang, a former Christian who had been a backslider for some time was revived. He now contributes liberally to the work and gives testimony before the people. The whole family of eleven gather morning and evening for family worship.

Heh Lin Tze. The establishment of the work here was also the result of a tent campaign conducted by Pastor Su. Among the first converts was a Mr. Ma. He tore down the idols in his home but his wife opposed him. She even went to the Church, reviling her husband and the evangelists. Pastor Su after a long and patient talk was able to win her over to the Saviour too. Another convert is Mr. Wang, a water-carrier, and now as he goes from house to house about his work, he preaches the gospel to all. In the evenings, the sound of the singing of hymns can be heard in the homes all around the chapel.

ADVANCE IN OLDER CHURCHES

A Church with "a heart at leisure from itself." After the stress and strain of building is over and the debt wiped out—then what? Does the church rest on its oars? We give a brief sketch of the various activities of one of our older churches during the year following the completion of their church buildings. Others might be added if space permitted.

Taonan. At Chinese New Year time in place of the usual annual Revival Campaign conducted by Dr. Goforth (he being unavoidably on his way home to Canada at the appointed time), the brethren divided into groups and went out preaching

both in city and country. A gracious spirit of revival in the home church was the result. The spiritual impulse gained at that time has been felt throughout the year. Then in September a new Street-Chapel was opened in a specially busy section. It was entirely planned and financed by the local church. Volunteer preachers take their turns in speaking here. Toward the close of the year the leaders of the church have been much stirred by the appeal of the needy Mongol field. They have now taken definite responsibility for work in Mongolia. The result has been the formation of a Foreign Missionary Society, toward which they expect all the churches in the field to contribute something. Their aim is to preach the Gospel in Mongolia by Mongolians in Mongolian. We may simply mention in passing further items such as: securing, plotting and planting with trees a Christian cemetery; opening a supply department for Bibles, Testaments, Hymn Books, and other literature, Sunday School Helps, Christian Posters, etc., etc.; securing Miss Djiao for Revival Services in December; their first Harvest Home Festival which was a great success, with offering of over \$130.00 and a goodly supply of produce. Special offerings have been much in vogue, appeals from far and near for objects great and small.

THE CHALLENGE OF THE RAILWAYS

Two new lines of railway have been opened up in our field by the new Manchurian Government. One is a direct line from the new capital (Hsin King) to Pai Cheng Tze, through fertile well-populated country. Then the section between Wang Yeh Miao and So Lun Shan has just this year been opened up to regular traffic. These are not insignificant side lines but form links in a great international highway from Japan to North Korea and directly across Northern Manchuria through its new capital, then across the middle of our field and on through the new Mongolian Provinces of Hsing An to Manchuli, where the line will connect with the Trans-Siberian Route. It is said that the building of this new trunk-line has been pushing forward at the rate of six li a day. Our Mission work must push forward into these virgin fields with the railroads. They do it for the forming of a great international highway; we do it to show men and women the still greater Highway from Earth to Heaven. Another linking line of railway has been opened to the south-east of Szepingkai, and it is also proposed to start a line from Tai Ping Chuan (the dividing point between Mr. Reoch's and Mr. Davis's fields) westward into Mongolian territory. There is no lack of men and money for these earthly projects,—why should there be for the heavenly project?

CHRISTIAN LITERATURE

There is an ever increasing demand for evangelistic tracts and Christian literature as our fields of activity widen. The development of the Mongolian work raises the demand for Mongolian literature—difficult and costly both to prepare and to print. Our problems in providing Christian literature in Manchuria are also now being increased because of the cutting off by the censors of literature formerly coming from Shanghai and other centres in the south. This means that Mrs. Davis and others will have to continue and to increase their production of the printed page on the spot. So the special grant toward these needs coming from the Women's Missionary Society of our Church in Canada is more appreciated than ever. We pray it may be continued and if possible increased. Also during the year a special grant of Scriptures came to us through the British and Foreign Bible Society, which was very touching: sent by a fond daughter as a lasting memorial to a departed father.

SPECIAL FUNDS

The W.M.S. has also very graciously again given a grant toward the support of the Special Women Bible Teachers and the special Bible Training Work for Women on our field.

The Goforth Evangelistic Funds Account has turned into the Mission Treasury for the year toward the support of native workers, Manchurian Dollars 12,900.00.

These extra funds have meant much to the extent of work accomplished by our Mission on this field.

AMBITION TO BE A MOTHER CHURCH

Upon the occasion of launching the Mongolian Missionary Society, Pastor Chiang said: "Nine years ago The Presbyterian Church in Canada contributed money and sent missionaries to us in Manchuria, and so our church here was established. We look upon The Presbyterian Church in Canada as our 'Mother Church'. Now we are sending men into Mongolia to preach the Gospel. Soon a church will be formed there that will look upon us as their 'Mother Church'."

For the Council of the Canadian Presbyterian Mission in Manchuria,
Compiled and respectfully submitted to
The General Board of Missions by

WM. G. DAVIS.

SUPPLEMENT

SNAP-SHOTS

In Szepingkai we had a splendid opportunity to preach the gospel in a large Department Store to one hundred young men employees. The Manager is an earnest Christian.

At Si Ho Tun, a centre opened only last year to the Gospel, 80 have recently been baptized, while 200 more have been examined and recorded as candidates for baptism.

Among the many converts at Wu Miao Tze was an old woman, 75 years of age, who had previously been a Witch Doctor.

At Tai Ping Chuan a rascally son who was a drunkard, opium smoker, etc., and who had four wives whom he had obtained while out plundering, was converted. His old blind mother, 87 years of age, was so impressed by the change in his life that she also became a Christian, and was recently baptized.

Hungry—Late in the afternoon Evangelist Wang admitted he was hungry. He had left his home that morning to take a preaching tour with Mr. Reoch. "I had no breakfast," he explained, "two ladies came to our home just after the morning prayer-meeting (when his wife usually goes to the preparation of breakfast), my wife was still preaching to them when I left to catch the train. We had not time for breakfast."

At Tung Ping one of the Managers in a brewery has accepted Christ, given up his position and opened a dry-goods-store. He is going to hold meetings every evening in his shop.

Five hundred and twenty Sunday School Members in the Szepingkai District memorized the Golden Texts for the First Quarter. As a reward each was given a small booklet, containing the Texts for the year.

Young man met on a train, contemplates suicide, is given a Bible, starts to read, becomes interested, promises to become a Christian.

Mr. Wang Colporteur in Szepingkai District is selling Scripture Portions at an average of 1,500 per month.

In Tung Liao a substantial addition has been made to the Church Building, completed only a few months previously. One of the Christians provides a chapel free of rent in the other end of the city.

The Chapel at Po Li Shan was so crowded that, the door-way being blocked, even old women were climbing in through the open windows.

The new chapel at Kung Chu Ling has been opened and has such an attractive appearance. It is situated on a busy street.

Among the recent converts is a morphine fiend at Fan Chia Tun. During the almost five years he was addicted to the use of the drug, he squandered \$7,500.00. Now he has been saved and washed in the Blood of Jesus.

Mrs. Men, 72 years of age, a Christian since before the Boxer uprising, walks four miles every Sunday to church at Tzu Lu Shu.

Mrs. Sun lay dying, she was dressed in her burial clothes, the coffin stood waiting, all was ready for the last event, except the hardened soul of the woman who had scorned to listen to the Gospel. Her son approached. "You are dying, Mother, and you are not saved. Will you not believe in the Saviour?" A change came over her face, the lips moved, a feeble prayer was heard,—"Lord, save me." Then she ordered that the idols be taken down immediately. She is now fully recovered and the whole family has turned to the Lord.

In the Ma Valley the drought is becoming serious. The heathen, with incantations to the idols, pray for rain, but publicly specify it shall not fall on the farms of the Christians, and lo! a squall blows up that day, bringing scanty showers in a zigzag path and sure enough none falls on the land of the Christians. The heathen are jubilant and threaten to force the Christians to bow to the idols. The Christians are in an agony of prayer, one man goes out into the mountains three times that day to pray. The burden of their prayers is that an abundant rain may come upon *all* and that the heathen may be saved. God answers and sends a drenching rain all over the valley. His grace far outshines the selfishness of the idolaters. And from that day the Christians in the valley determine that they must build themselves a proper House of Worship, instead of using the make-shift, borrowed dwelling-house for a chapel.

Report of the North Formosa Mission

1935

Another year has slipped into history and as we view it from that point, we give thanks that it has been our privilege to share in the work, the problems, the joys, and sorrows which have made up the activities of the North Formosa Mission Field.

Changes have taken place in the personnel of the Mission staff—Miss MacVey, returning to Canada in July, and Miss Argall to her home in Japan in September. We would remember their contribution to the work here with gratitude. In August, Mr. and Mrs. McMillan returned from Japan after a year's study of the Japanese language, and Mr. McMillan took up the duties of Principal of the Middle School, while Mr. and Mrs. Mackay were allowed a year's leave of absence for a continued study of Japanese. Mr. and Mrs. Dickson returned from furlough in September and were granted a year's study in Japan, as was also Miss Douglas when she returned from Canada in November. Miss Ramsay returned also from furlough in the late Fall, and will continue her evangelistic work among the women.

The new additions to our staff are: Miss Ruth Heighton, B.A., and Miss Mildred Weir, Reg.N., who are now at language study. Miss Georgia M. Newbury, after fourteen years of mission work in Japan, was appointed Acting-Principal of the Girls' School. Miss Newbury holds a license from the Department of Education to teach in any High School in the Japanese Empire.

In September, the Convener of the General Board of Missions, Rev. James MacKay, B.D., D.D., accompanied by Mrs. MacKay and his daughter, spent nine days visiting and learning of the different phases of our North Formosa Mission. Dr. MacKay performed a real service to the Mission through his visit and we hope that by means of such visits the Church at home will be able to keep in closer contact with her foreign mission fields.

EVANGELISTIC

Evangelism, the aim of the Mission staff, is pursued in all departments by various means and with encouraging results. By prayer, correspondence, visiting, healing, preaching, teaching and administering, the missionaries seek to do their part; while the Formosan workers, by their patient continuance and untiring efforts, form the living church in this Island.

THE FORMOSAN CHURCH

We began the year 1935 with 13 self-supporting charges, 15 augmented charges (that is, charges which were paying at least one-half of their workers' salaries) and 44 mission stations (that is, charges whose contribution towards their workers' salaries in each case was less than one-half). During the year four of the augmented charges became self-supporting and one new congregation came into existence which has been self-supporting from its inception. But over against this gain must be put the loss of two congregations which because they were in the earthquake area have had to have a considerable amount of help towards their pastors' salaries. This leaves us at the end of the year with 15 self-supporting congregations. During the year we have also had the satisfaction of seeing three churches advance from the category of mission stations to that of augmented charges. One of our augmented charges, however, has had to receive an extra grant because it was in the earthquake area, but although it has been raising less than half of its preacher's salary, this congregation, along with the two self-supporting charges has been allowed to retain its former status, since we hope that the set-back which was received at the time of the earthquake has been only a temporary one.

In the matter of spiritual growth, we are not able to show such satisfactory progress. During the year it has been very difficult to get congregations to invite the evangelistic band, and the reports of these meetings have not been the encouraging reports which we have experienced in past years. Very few of the congregations have held evangelistic meetings of any sort, although it has in the past been a well-recognized practice of the Church to hold at least one week's such meetings each year in every congregation, quite apart from any meetings which the evangelistic band may be putting on. What is the cause of this state of affairs? There are two things which may be suggested. One is lack of missionaries. Government regulations are making it increasingly difficult for those in charge of institutions to make any very large contribution to the life of the Native Church. The Native Church should be able to carry on this work independently of the Missionary, but if one missionary were free to devote his full time to the evangelistic work, it would make all the difference in the world. There must be some person to head this up. The second cause is in the Native Church itself. There has been a certain amount of unrest in the Church throughout the past few years among a few of our workers who seem to be impatient of the restraints which any form of government must of necessity impose upon one.

As for the work of the Church in general, there are several features which deserve special mention. During the year our Island was struck by an earthquake of really major proportions, at which time 8 of our churches were completely destroyed, and two more damaged. Three of our rented halls were also destroyed. We are grateful to all those, who of their little, sent relief to the afflicted here. We were able to distribute both food and clothing for all of the church groups in the affected area and to erect temporary shelters for both workers and Christians. Due to the continuance of the earthquake shocks and the stringent Government regulations concerning the erection of new buildings, it has not been possible to get any permanent building erected. We

have our plans all completed, however, and hope that this winter will see most of our churches in place. We estimate Yen 3,000.00 (that is, less than one thousand Canadian dollars) for the erection of each church and manse. The buildings will be frame with woven bamboo walls which will be covered inside and out with plaster.

Towards the end of the year we had a most unfortunate experience in our newest congregation, a little church over on the east coast of the Island. During evangelistic services in the church, the Christians were attacked and one of their number, along with the preacher, badly beaten, so much so, that their lives were for some time in danger. This is the first time in decades that any of our workers have been seriously interfered with. Naturally we have taken a very serious view of the situation, but having secured police assurance that such a thing will not be repeated, we have thought it best not to institute criminal proceedings against those who incited the attack, and we have continued the evangelistic services which were so abruptly interrupted.

During the year, Formosa celebrated the Fortieth Anniversary of the Japanese administration of the Island. The main feature of the celebrations was a great Exhibition which lasted about two months. On the exhibition grounds our church erected a small preaching hall where we had workers constantly in attendance from morning until evening. When the crowds were large enough to warrant it, there was preaching. When the crowds were smaller, the workers concentrated on personal evangelism, speaking with those who would listen. The vast majority of the people who attended were non-Christian, so that the hall gave us a splendid opportunity to present the Gospel to many whom we would otherwise have no means of reaching. Also about 30,000 Gospel tracts were distributed. Many Christians from far off country churches were here given an opportunity to meet with Christians from other parts of the Island and to talk with them about their various experiences. All in all the preaching hall seems to have been a complete success.

Our preaching staff numbered 72 at the beginning of the year. During the year, one man had to be suspended, and one man resigned, but two theological college graduates entered the ministry, so that the year ended with our preaching staff the same as it was at the beginning of the year.

Each year shows a more earnest desire on the part of our theological college graduates to go to Japan for further study. There is also a regular three year extramural course prepared by Presbytery. This year there are fifteen men writing these examinations. This probably constitutes a record, and assures us that the academic standing of our preaching staff is gradually being raised, a fact which gives us just reason for encouragement.

BIBLE WOMEN

The Bible women contribute a share in the evangelistic work. This group of women varies in number from time to time. Working throughout the entire year, there have been six. Four others have assisted in the work for a period of a few months. Miss Una Tan, who had continued in the work for about 12 years, left us to become the wife of a pastor. Another resigned and two new regular workers have been added which makes our staff of Bible women now total eight.

We rejoice to be able to report that one of the new workers speaks the Hakka dialect. She has been helping, since May, in the Creche opened for children in one earthquake devastated town. The most recent addition to our group is a woman who has completed the nurses' training course in the Mackay Memorial Hospital, as well as the course at the Women's School. She meets many opportunities to combine the knowledge she has acquired from both in her witnessing for the Lord. This is the type of work we have long hoped to have done by our Formosan women, and we are happy that a beginning has been made.

The Bible women in the hospital are constantly teaching and gently pleading with the patients, who, upon leaving the hospital and returning to their homes, are ready to welcome the Bible woman in the district and gladly listen to her teaching.

The Kindergarten Bible woman had continued her visiting and teaching among the parents of the kindergarten pupils, and in some cases has lead them to church.

It is difficult to estimate the results of such work. In spite of opposition by older people, ridicule by neighbours, and superstitious beliefs of friends and relatives, children are encouraged to attend Sunday School; women are taught to read the Bible; girls are inspired to memorize Scripture passages; while some are lead so far as to openly accept Christ as their Saviour. One woman, who a year ago was a Buddhist devotee, is now a Christian; the Bible woman having been used in proclaiming the Word of Life to her.

And so the work goes on step by step and one by one the Formosans are being brought to a saving knowledge of the Lord Jesus Christ.

Mrs. Koa, a special worker, in April visited ten of the stations in the earthquake area, and assisted in the distribution of clothing to those in need.

Also, during the year visits were made to the districts where the Formosan W.M.S. Bible women were at work, and to several places for Quarterly meetings, where studies were made of early missionaries to different countries. Visits were also made to private homes teaching the women, and to Buddhist Retreats where the Gospel message was given, although one hardly knew what reception it was having in the hearts of the hearers.

THE FORMOSAN W.M.S.

This year's annual meeting was held at a little country church, about twenty miles from Taihoku.

There were representatives from 15 churches and about 120 people were present for the meeting which lasted all day. Messages were given from the Moderator of Synod and Presbytery, the minister of the church and also from one of the Bible women.

At present only three Bible women are working under the Formosan W.M.S., among whom being Chi Oang San, who continues to witness in the villages of the Taiyal tribe. Some of the Bible women were able to assist at the Preaching Hall, which the Native Church had at the Fortieth Anniversary Exhibition.

YOUNG PEOPLE'S WORK

The second All-Formosa Christian Youth Conference was held in Tainan City in August, 1935. It met for one week. The first conference held under the auspices of the Presbyterian young people themselves, was held a year ago in Shokwa, central Formosa. To compare these two conferences may serve to give some indication of the spirit of the Christian Youth Movement here. The numbers attending were about equal—from a hundred to one hundred and fifty—but at this year's conference there were many more delegated members and less "listeners only" from the conference locality. This year there were representatives of groups from far and near throughout the Island and about one-quarter were young women, an increase from last year. These young women stood up, introduced themselves telling what church they were from, just as modern Christian young women would do anywhere. Each day's programme began with an early morning prayer meeting. Addresses were usually followed by questions and discussion. Meetings remembered best and spoken of most are the morning watches, the sunset meetings and the candle service and Communion.

During the year the North Formosan Christian young people have been active under Presbytery's Committee. In the summer months, Young People's conferences were held in four centres, Shinchiku, Taihoku, Giran and Tamazato. The same programme was used at each centre. The conference lasted in each case three days. The general theme was, "The incoming of young people into the life of the present day church." Sub-topics for each day's thought were, "Young people and self-examination", "Young people and application to the task", "Young people and Christian life."

Though this year's conferences were not large, the committee is pleased at the interest that has been shown and feel that a real start has been made in this work.

The North Formosa Mission Council has invited the 1936 conference to meet in Tamsui.

Daily Vacation Bible Schools, using the programme sent out by Presbytery's Sunday School Committee, were fewer in number in 1935 than in 1934. Yet, in the nine schools which carried the course right through, we may truthfully say that one of our objectives was attained in gratifying measure. It was our hope in preparing and sending out the programme that there would be a number who would study in the Bible Class Department and at the same time, act as teachers in the lower departments. To do this involved a solid morning's work each day at the church, and much outside preparation. In the eight schools whose complete reports are at hand, there were twenty-six young people who completed the Course in the double capacity of teacher and pupil.

THE BIBLE MEMORIZING SCHEME

Throughout the year 1935, groups and individuals here and there have been memorizing Scripture. Perhaps the two most interesting groups are, a church session, or rather all the elders and deacons of one congregation, who are pushing on, some having almost finished the third section, and in contrast to these, a group of new hearers at another church, who have so much to recite that they have them stand up in pairs before the congregation and recite in unison. Three of these latter, hope to enter the Women's School in January, 1936, having completed the whole four sections of the Course.

A SPECIAL MEETING

A congress of Christians from all over the Island was held in Taihoku on Saturday and Sunday, the 9th and 10th of November. Meetings were held in Taihoku's new city hall just opened for the exhibition commemorating 40 years of Japanese rule in Formosa. This exhibition provided the occasion for the Christian gathering.

At the special Sunday morning service, when many from Taihoku City churches joined the crowd, there was a congregation of well over two thousand. This was the first gathering of its kind in Formosa.

Both Japanese and Formosans shared in all parts of the services. Addresses were delivered in both Japanese and Formosan. Men and women, Japanese and Formosans sat together without division of class or sex. Loud speakers made addresses audible in all parts of the auditorium. Two banners, "That all may be one," and "God is Love" hung on the right and left of the platform.

Nagao Hanpei, well-known Christian leader in Japan, was guest speaker. He gave an able review of world affairs and spoke bravely on peace. On Saturday evening discussion forums were held in the city churches. The leading subjects were, "How can we fulfil our mission as Christians?" and "In what way can we as Christians in Formosa co-operate with one another?"

Following the congress, pastors and preachers of the North Formosa Presbyterian Church, practically all of whom attended the meeting, came to Tamsui for a five day conference.

EDUCATIONAL

Tamsui Girls' School. Several outstanding and unusual events have taken place during the year, most trying and nerve-wracking of which was the great earthquake of April 21st. Many of the girls lost loved ones and homes and in some instances indeed, almost entire families were wiped out. As the telegrams and messages began to pour in, the emotional temperature of the whole student body became very high, for those unaffected were, of course, full of sympathy for their friends and class mates who had been. On the first day, the situation was so very intense, that it was quite impossible to carry on class work, so at noon a half-holiday was declared.

After the earthquake came a good deal of sickness and the necessity for meningitis inoculations which put the girls on the sick list for varying lengths of time after both the first and second injections.

In March, the students gave a concert of musical and other interesting features of

entertainment to which Government Officials, friends, parents and graduates were invited. If general enthusiasm and words of praise can serve as criteria judgment, then this programme can be pronounced a highly successful one. Such things train the pupils in poise and how to conduct themselves properly and with dignity in public and also there is all-round cultural value as extra-curriculum activity.

As is usual with schools in Japan, March brought graduation season with all of its attendant festivities, worries and business. Seventeen girls were graduated and, as their Alma Mater, we send them forth to carry the torch that will light the path for many to find and to follow the "Jesus' Way" of life.

Soon after ascending to the throne, the present Emperor issued a decree asking that November 3rd, the birthday of his grandfather, the great Emperor Meiji, be commemorated by athletic meets, to be held near this date. This year ours was held on November 2nd. Miss Okamura, our new Gymnasium teacher, had charge of the programme, everyone else helped of course. One of the finest things that she did was to train the girls themselves to lead the various events. The whole programme was arranged and carried out with precision and yet was interesting and attractive.

Rigidity on the part of the Government, which has made it necessary for the Japanese language to be used exclusively in the school, also necessitates Miss Isobel Taylor continuing her studies in Tokyo until the coming summer of 1936. This means that the hours of instrumental teaching, piano and organ, are being carried by a Formosan young woman who is a graduate of the school and who is considered a very promising musician.

The pupils are given an opportunity for active Christian work through the Christian Endeavour, and in assisting in the two local Sunday Schools. Here the girls teach what they have learned with us and go forth to carry out that great commission to "preach the Gospel." Then, a number of our girls take part in the church choir, thus helping in the Sunday morning service for worship.

At the last commemoration of the Lord's Supper, six of our girls united with the Church. Two of these received baptism and the other four partook of their first Communion. It is this sort of experience that quite definitely assures us of the worthwhileness of Christian Education.

Christmas was celebrated with what we hope was a true Christmas spirit. First it was decided to make it a season of giving rather than of receiving, so early in December, the senior girls decorated a box and hung it in the main corridor of the school, into which everyone was to drop their loose change saved by not buying cakes or some other tit-bit. After examinations were over, representatives of each class met together with the faculty and this box was opened, to find that it contained just Yen 24.00. It was decided to spend what small amount was necessary to cover the expenses of the programme from this amount, but the largest portion was to go for charitable purposes, part being given to the Tamsui Church and part to the poor and needy of the town and neighbourhood. No presents were given to the pupils, not even the traditional cakes and oranges, yet all were happy, indeed rather excited about making the gift to others as large as possible.

The programme was held on Saturday, the 21st. The first part consisted of the reading of the Scripture passages telling the story of the birth of Christ, these were interspersed with the hymns appropriate for each of the Nativity scenes. The second part was the presentation of the "Story of the Other Wise Man." The whole programme was done by the pupils themselves; it was very dignified and gave a very vivid message for the celebrating of the season of the birth of the Christ Child.

While some of our teachers are not professing Christians, they all are earnestly, openly and unquestionably sympathetic listeners and seekers. On Thursday evening there is a Bible class, taught by the Principal. It is only the most urgent call that keeps any one of the teachers away. The tone and atmosphere of the school from the teachers' room through the class rooms into the dormitory, at work and at play, is

devoutly Christian. So we place the "old, old story of Jesus and His Love" not only in the minds of our 156 girls, but we surround them with that atmosphere which encircles and permeates their lives, so that as they leave us even at vacation times, they can still feel the warmth of God's Love and wish to live for Him.

The Women's School. Joy is always found in the study of the Word, be the class large or small. We in the Women's School are grateful to the Father in Heaven that we have been privileged to continue to study that Word in the native tongue of the women who attend. Instruction in other subjects is given in Japanese, however, and to assist in this, a Christian Japanese girl has come to us. Through her efforts and the desire on the part of most of the women to learn to speak that language, progress has been made. The average attendance has been 14. Of these five have united with the Church during the year.

Among our number was a woman from the aboriginal tribes. She can read and write and is anxious to tell the Story, so she was allowed to do part time Bible woman work for six months during the season of good weather and will return for further study in January.

A loved member of our class, who had come to believe in the Saviour but had not made open profession, was killed in the earthquake. One who had formerly finished the course of study at the school, returned for review before going out to do Bible woman work.

Several women from our class assisted in the Tamsui Church Sunday School and Women's meeting and did visiting throughout the town; in some homes taught regularly and by so doing, witnessed for the Truth and led new hearers to the Church.

The Bible women out in the field and their work, are continually upheld in prayer by our women in the school. Occasionally the workers visit us and tell of their experiences, thus arousing interest in the work, and we in the school are helped in deciding our future courses.

Tamsui Middle School. During 1935, the Tamsui Middle School has been more in the limelight than usual. Rapidly changing conditions in a period when the currents of Nationalism blow so strong make for difficulties in the carrying on of a Christian institution, particularly like that of a Middle School. In a country like Japan, where the Government puts so much stress on education, and has made such strides in making education universal for all her people, it is to be expected that the desire to do the job themselves will be increasingly evident. In a colony like Formosa, we can understand how this desire becomes heightened, particularly during these "crisis" years.

Canadians accustomed to State education, will understand this desire of the Japanese, but at the same time, as Christians, will understand the difficulties we missionaries face in trying to adjust our Christian education programme to meet these changing conditions. For, despite the desire to extend educational facilities in Formosa, secondary schools are inadequate to meet the needs of the Formosan people.

The chief difficulty met by the Middle School in 1935, was what to do in the face of the Government's requirement that the school go to the Shrine. The insistence of the Educational Department that this is not, by them, regarded as an act of religion, but merely a demonstration of loyalty to the Imperial House, made it possible for the Mission to accede to the Government's wishes. That shrine attendance is not worship, we recognize as being only relatively true, since the shrines are said to still be full of religious significance to the vast majority of the Japanese people. But, at the same time, we recognize the stress on the non-religious nature of the shrine as a forward looking step by the Educational Department and regard the present opportunity as an unusual one, for teaching what we believe to be true religion.

From now on, no Formosan language will be taught or allowed in the school. The students themselves observe the rules quite faithfully and one rarely hears a word of Formosan spoken. Even in the dormitory and on the athletic field they seem to take to Japanese quite naturally.

English rugger, regular and soft baseball, tennis, basket-ball and swimming are the chief sports. Military drill is also a subject on the school curriculum. One of the teachers takes charge and fifth year students are the drill sergeants.

About one in ten of the students are earnest Christians. In this group is the leaven of the spirit we must cultivate until it permeates the whole student body. The Bible is taught to all years in the class room as a regular subject by one of our young ministers of the Formosan Church. Morning and evening worship periods are held daily. The students attend the Tamsui church for services in the Formosan language on Sundays. A group of Christian students hold an early morning prayer meeting which promises well for student leadership in things of the Spirit.

This is the twenty-first year of the Middle School. It is the beginning of a new decade. Changing conditions bring about new situations and new needs. One of the great needs of young people at the present time in Formosa is to find themselves in the new environment of the Japanese language and culture. Creative religious experiences, through the medium of Japanese, will help them to find themselves. May the Middle School help them in this respect and prepare our students for their place in Formosan society.

Taihoku Theological College, Tamsui. The work of the Theological College has gone on this year much as in the past, although we have been badly handicapped by an insufficient staff. In this regard perhaps the greatest difficulty has been that no missionary has been free to devote his full time to this very important institution of our Mission. During the year 1935, we have had only two male missionaries in Tamsui. These have had to supervise the College and the Middle School, while at the same time giving not a little attention to the life and work of the Native Church. Such a situation is fair neither to the Native Church nor to the institutions concerned. In the College we would have found it impossible to carry on at all, had not the Formosan and Japanese teachers shown a willingness to take on more than really ought to have been expected of them.

The recent year has shown an increasing amount of Government surveillance of our educational institutions. So far as the College has been concerned, this has been confined to two suggestions, namely, that all our teaching be carried on in the national language, and that the person who assumes the principalship shall give more time and attention to the responsibilities which are his. The first suggestion has meant that during the last two years we have had to release faithful teachers for no other reason than that they had not a sufficient grasp of the Japanese language to be able to conduct their lectures through this medium. The second suggestion has meant the fitting out of a teachers' and principal's room, and that the principal has had to spend more time in attendance at the college, thus making it very difficult for him to make any very real contribution to the work of the Native Church.

There are at present thirteen students enrolled at the college, of who one, a member of the Taiyal tribe, is a special student. All but three of the others are Middle School graduates, but these three have shown themselves superior to the average Middle School graduate, so that their admittance has in no way lowered the academic standards of our school.

The teaching staff is made up of one Formosan and one Japanese giving full time, along with one Formosan and two Japanese giving part time. Three members of our missionary staff have also given of their services to the college.

Kindergartens. As all the kindergartens are now self-supporting, and during the year no missionary has had time to give them the necessary supervision, it is difficult to present a full report on this phase of the work.

In the five kindergartens, there was an enrollment of about 210 pupils and a teaching staff of eight. One of the kindergartens, in the earthquake area and because of rebuilding the church, has not had very good accommodation, but is carrying on very

well with an enrollment of nearly 50. In some of the schools, the work done is much the same as in former years, while others report progress and interest created in Christianity among the parents of the pupils.

The teachers, while carrying on their teaching faithfully, try to stimulate interest in the kindergartens by holding mothers' meetings and visiting in the homes.

MEDICAL

Mackay Memorial Hospital. During the year 1935, no outstanding advances have been made, but the aim has been to make those patients who have presented themselves for treatment physically whole. In the majority of cases our efforts have been crowned with success, whereas in others, only an improvement in the patient's sense of well-being was registered.

Evangelistic. While the body has been ministered to, the soul has not been neglected. In April, a new hospital chaplain was appointed by Presbytery. Both the former and the present incumbent, together with the two Formosan Bible women, ably assisted by other members of the staff, have valiantly endeavoured to rescue those souls which were lost in utter darkness by inculcating in their minds the message of our Lord and Saviour, Jesus Christ.

A lady suffering from advanced pulmonary tuberculosis, while a patient in the hospital for three months, daily was told of the Love of God and the hope of eternal life, if she placed her trust in Jesus. This teaching was continued after her discharge from the hospital. On December 1st, at a service in her home, she was baptized and partook of the sacrament of the Lord's Supper for the first time. At this service, her husband, who has also asked to be taught the True Life, asked that the family idols and ancestral tablets be removed from the house; a desire with which the minister gladly complied. This lady has on numerous occasions from her sick-bed witnessed to the faith.

A young man, who was a patient remaining in the hospital from 1934, joined the Church on profession of faith following his discharge from the hospital.

From reports received from ministers throughout Formosa, it is known that of the in-patients who have been in Mackay Memorial Hospital during 1935, three have been admitted to the Church on profession of faith, and forty-four are regularly attending church services. Unfortunately no record has been kept of Christians or non-Christians entering the hospital, so that one is unable to say what percentage of patients are led to Christ through this agency.

Nursing. During the year, four Formosan nurses have graduated. The native nursing staff now consists of three graduate nurses, fourteen pupil nurses and four probationers. The pupil nurses have received instruction in the art of nursing as well as in the Japanese language and Bible study.

Dispensary. A graduate pharmacist was engaged in April to comply with Government regulations relating to hospitals. In December, Mr. Li Tiong-Kheng, who had been head dispenser in Mackay Memorial Hospital for about 19 years and who had been in the employ of the Mission for some twenty-five years, passed away to his Heavenly reward. His influence will be greatly missed both in the hospital and in the local church.

General. On November 20th, 1935, diplomas of merit for over ten years of Social Service were granted to six members of the hospital staff by Taihoku City. The recipients were, Messrs. Li Tiong-Kheng, Iap Chai-tian, Kek Eng-kek, Phoa A-i-in, Mrs. Gushue-Taylor and Dr. G. Gushue-Taylor.

In November the usual free evening clinic, under the auspices of the Department of Social Service, was held. Forty-nine received the necessary treatment, while over seventy-five listened to the speakers expounding the Word of God.

In all departments of the hospital, with one exception, there has been an increase in the number of patients, and consequently, of work done. The exception is the Leprosy Out-patients Department, where as the year progressed there was a marked diminution

in the numbers receiving treatment due to former patients having entered either Happy Mount Leprosy Colony, or the Government Leprosy Hospital. A factor militating against a larger attendance in this department is the new health law requiring that all persons suffering from leprosy must be reported; in other words, leprosy is now a notifiable disease.

More babies have been born in the hospital in 1935 than in any previous year.

During the year no new additions have been made to the existing plant, but all necessary repairs have been made. The sewage disposal system was altered and should now pass the requirements of any Board of Health.

Financial. Making no allowance for depreciation of plant and equipment or for salaries of missionaries attached to the hospital, a credit balance of Yen 2,280.00 is reported. The income from native patients has increased by Yen 2,550.00. This is accounted for by the increase of 144 in-patients over last year. Making no allowance for the 65 babies born in the hospital, 1,151 patients remained in the hospital a total of 17,902 days, which means that 49 of our 80 beds were occupied during the entire year. Charity has been given to the amount of Yen 5,825.00.

Happy Mount Leprosy Colony. There has been a slow growth in numbers of inmates during the year, there being on December 31st, 12 female and 41 male patients, a total of 53.

The routine work of feeding, nursing, clothing, teaching and generally caring for these people, has increased from month to month, and the practical example of the Love of Christ in action, has had a marked effect on the lives and minds of the patients, leading a majority of them to want to have a more intimate relationship with a Church and Religion which makes such a difference in their lives. In January and October, a total of 21 of them were received into full Church membership upon confession of faith, among them were six women and girls. Several others applied for admission, but were delayed for further instruction. Thirty-four patients have learned to read the Bible in Romanized Chinese, and each of these has been presented with a complete copy of the Bible.

Services are held regularly, twice on Sunday and one prayer-meeting during the week, as well as a short service on one other week day. The Sunday School is well attended and much appreciated. During the year, among patients who had spent three months and above in the Colony, eight had made one hundred per cent attendances at Sunday School. A beginning has been made to set up a Church court, by the election

from among their number of one elder and one deacon. Pastor Keh takes a very keen interest in all that pertains to the spiritual as well as physical welfare of our patients.

One would like to be able to report cases cured from leprosy, but the most that we can claim is great improvement in several, slight improvement in others, while in many, all that can be done is to try and keep the disease in check and make the unfortunate victims as comfortable and happy as possible.

It is with great gratitude that we have to report the receipt of a Gracious Gift from Her Majesty, the Empress Dowager of Japan, of one thousand yen annually for five years, beginning November, 1935. The presentation of this bounty through the Government-General of Formosa, was accompanied by many evidences of official interest in and sympathy for this work for lepers.

From many friends in Formosa and abroad, individuals and Churches and Schools, we have received gifts of clothing, food, books, toys and money; from the Mission to Lepers, our main support; from the Government-General of Formosa, we expect to receive a grant towards support during the next three months, as our financial year does not close till March 31st. From the latter, was received a special grant towards equipment of Yen 3,000.00, also a grant of Yen 595.00 towards the maintenance expenses of the year 1934. To all friends and supporters, our most cordial thanks are given. A detailed financial statement will be made at the end of our financial year, March 31st, 1936.

EUGENE STEVENS.

Jhansi

REPORT FOR 1935

Four of your missionaries devote most of their time to Evangelistic work, and the other missionaries part of their time. Mr. Lowther has divided his time, during Mr. MacKay's absence, between evangelistic work in Jhansi City, the boys' school and work connected with the Mission Church. In the report which will be sent in pamphlet form Mr. Lowther gives a vivid picture of an Indian city enveloped in heathen darkness. By his scholarly, tactful manner he has won the respect of many, including keen-minded lawyers, business men and the working classes. Some have asked for baptism but unfortunately their motives are not such as the Master would approve. One commendable phase of the work is that the teachers and scholars in our schools have been enlisted to assist by singing gospel songs, selling gospel portions and witnessing by word of mouth. During Evangelistic Week 450 gospels were sold. We shall greatly miss Mr. Lowther while he is home on furlough.

Miss Whatling is now well established at Boulterpura (Baragaon). She has for helpers Sophie, a trained nurse, Bible woman and cheerful companion, and David her motor-driver who also helps in preaching, teaching and singing. Besides the village preaching Miss Whatling has a flourishing Sunday School and a Night School of about thirty young men who are learning to read. These pupils are also taught the Bible truths. There are possibilities in this work in spite of opposition. Baragaon is a Hindu stronghold but we have faith to believe that Miss Whatling and her co-workers will, before many years, have a Christian community and church there. One new convert named Thakardin has invited friends to join in celebrating his new birth.

Dr. Thurrott, your other lady evangelist, has decided to live in Babina, about 18 miles south of Jhansi. Dorothy, a trained nurse and Huri, one of Dr. Wilkie's trained veterans, are her capable assistants. Her style of living is very simple and her home is an Indian stone house. Villages near and far are visited morning and evening. The intervening time is spent in teaching, in study, in meeting inquirers and in ministering

to those who come for medicine. Their work often meets with opposition for Hindus and Arya Samajists are realizing that Christianity is a force to be reckoned with. In years gone by our evangelists covered a large area, preaching the gospel in hundreds of villages. Now they are each living in some central place seeking to making a more definite and lasting impression upon that particular centre.

Since his return from furlough Mr. Cheshire has had little time for District Evangelistic work. Building operations in India require careful supervision and Mr. Cheshire was so successful with the Boys' Hostel, that Council released him to oversee building operations in Baragaon and following that to direct the work on the new Girls' Hostel which is now nearly completed. Anyone who has not done building in India cannot imagine the amount of patience and careful supervision necessary to erect a good building. Mr. Cheshire has saved the Mission much expense and the two Hostels he has built are a monument to his skill. Mr. Cheshire has made wise preparations for his future Evangelistic work as he has now arranged to take a lady missionary with him.

Our mission is indebted to the W.M.S. Board for the work of Miss Simpson and Miss McKechnie who have so efficiently cared for the health of our Christian people. There is a noticeable improvement in their health now and this results in general efficiency. The hospital and dispensary are meeting a real need. There were 190 in-patients and 8,884 treatments during 1935. One reason why the Christian community in India made such a good record in the last census was the care the people receive from Christian missions.

The report from the Girls' School shows advancement not only in increased numbers but also in the success of the pupils in their examinations. This school meets a special need as there is no other good school of its kind within a distance of 140 miles. The government of this province send certain pupils to a college in England where they are educated for the Civil Service. Sunbeam, one of Miss Stringer's promising girls, may enjoy that privilege as her name has been entered for 1940.

Mr. and Mrs. MacKay have not been back long from their furlough but they are very busy in the Educational work. Mrs. MacKay has charge of the Primary School where the small boys and girls are being well cared for and she reports that she is grateful for this opportunity for service. Mr. MacKay has resumed charge of the Boys' Educational work and is doing his best for the boys with the means at his disposal. Besides the Boys' School Mr. MacKay also has charge of the Industrial work. In the Carpentry shop the wood work for the new buildings and the furniture for the Mission are made but at present little is being done to teach the boys and in these lines. Mr. MacKay also helps in our farm Agricultural school where he teaches arithmetic, geography, hygiene and bookkeeping.

Farming, from a financial point of view, is a poor business now that market values are low. Consequently few of our young men who can get other work will struggle and worry over the soil. Nevertheless there are compensations. The farmers usually have plenty of food for their families and farmers in India value the prestige which farming gives. We started our Agricultural School in July, 1934, with ten boys. The same number are attending this year. The mornings are devoted to study in class where the best works on agriculture are used for text-books. Besides these the boys are taught mathematics, English, geography, community civics and hygiene. In the afternoons the boys do practical work, such as tilling the soil, cultivating, harvesting crops, building work, making roads or ditches, etc. This course gives the boys a general knowledge of farm life both in theory and practice. As in other parts of the world our most serious economic problem is to engage the men in paying occupations. Two promising young men are developing the gardening industry with a view to supplying the Military Department next year with about 500 lbs. of vegetables a day. Two other boys are starting the poultry business with White Leghorn chickens, pigeons, turkeys, geese and rabbits. Coming trials will test their ability and perseverance. Our most encouraging work is with the women and children. The women meet each morning for Bible study and prayer. Mrs. Hawtin also checks their attendance at Sunday School and church

services. Through this and other inducements there is nearly full attendance. Miss Simpson comes out once or twice a week and gives valuable instruction. Some of the women accompany her in village evangelistic work. The Farm Primary School now has two good teachers with about twenty-five pupils who will in due time pass on to the more advanced schools in Jhansi.

Your missionaries are all hopeful for the future and are encouraged by the prayers and kindly interest of friends at home.

Koreans in Japan

REPORT FOR THE YEAR 1935

As we review the past twelve months, our hearts are full of gratitude to the Giver of all. We are forced to admit that all has not been sunshine. The problems on the field were numerous, strange, complicated, and at times even menacing. But our Pilot was at the helm, and we rejoice in the knowledge that our God is the God of the impossible.

Despite the difficulties, perhaps because of them, the work of the Holy Spirit has been clearly evident. As the statistics show, the work for Koreans in Japan continues to grow. New Christian groups have been started in several places, evidencing the fact that by God's grace, our objective, that of bringing the "Good News" to those in darkness, is in some small measure being realized. There is also, in addition to the increase in numbers, a noticeable deepening of the spiritual life in many of the churches.

As a mission we are endeavouring to work in the light of our Lord's command to take the Gospel to every creature. We feel our near objective should be the clear presentation of the Gospel to every Korean in Japan. As the half million or more Koreans in these islands are scattered through the cities, towns, and many of the country districts as well, it is a big task to bring the Gospel within reach of all. At present the Good News is being given out from about seventy church and prayer-meeting places each Sunday, and during the week the regular workers and many Christians as well are witnessing in the surrounding districts. We have no authority for thinking that under any conditions all will be saved, but according to the Word we know that true followers are being saved out of all peoples in all lands. Our task then is to give the Koreans in this land the opportunity to be one of these.

The first few days of the New Year always see many of our people gathered for Bible study classes in various groups. Usually the day is begun with day-break prayer-meetings, classes are held in the forenoons and afternoons followed by afternoon visiting, with evangelistic services in the evening when the leaders usually have the joy of seeing a number decide to accept Jesus as Saviour.

In February we decided to make another attempt to hold meetings at Secama, which has been such a discouragement for so long a time. Our special leader was Pastor Oh of Osaka, who gave four days of his very busy life in conducting day study classes and evening meetings. We truly felt the presence of the Spirit in our midst, and during the afternoon visiting almost every Korean in Secama surely heard at least a little of the Gospel message, while at the evening services quite a number decided to believe. Some of these later moved away, but the message was given. In the spring a special effort was put forth to win many living in the neighbourhood of our church in Imafuko. The invitation to attend the evening services met with a splendid response, and for three evenings the little church was packed to overflowing. In fact, many, unable to enter or find even standing room near by, returned to their homes.

At Sumiyoshi, a grandmother of sixty-two who believed in Jesus, although she knew very little about Him, was anxious that the Koreans living around her should know Him too. So a meeting was held in her eight by ten room which held, with the sewing-machine, about eight people. Doors and windows were taken out, which enabled those

standing without, about thirty in all, to hear the Gospel message. Later a larger room was secured, and now services are held regularly.

Well worthy of mention, is a week of tent meetings held at Awaji in June. Despite the myriads of mosquitoes, there was an attendance of about two hundred and fifty people at each meeting. Three high-school students and Chyul Koo Kim, a young man of deep spiritual experience and consecration, gave much time, adding greatly to the success of the meetings. Especially lovely was a service which Mr. Kim felt led to hold for the Japanese children before the Korean service began, and thus it came about that these little ones heard the "Old, old story", and were taught to sing of Jesus and His love. During these six nights the message was faithfully given and in all ninety-one decisions were recorded. Some of these continued, and some we were not able to follow up, due to a wrong address or failure to find the one given, but there is a wondrous opportunity in this field.

At times special classes for women were held. Surely there is no greater challenge or blessing to be found anywhere than that which comes to the missionary who has the privilege of seeing the Holy Spirit take the Word and reveal its spiritual depths to the hearts of poor, ignorant women, even to grandmothers who do not know how to read the simplest script.

Exceedingly important as it is to reach the very ends of the earth with the Gospel message, we should not forget the command to feed the flock of God. It is because of this that we feel the necessity of securing in our work the best-trained native workers possible, even though their salaries as yet have largely to be paid from Mission funds. Self-support is necessarily slow, but we are glad to be able to report progress in the right direction. Almost all our older groups pay all their local expenses including the rents for their places of meeting, and in many cases they have begun to carry a part of the expense of supporting the pastor or Bible woman who has charge of a group of congregations of which they are one. Full self-support of several of our older congregations, we expect, will come about within the next few years.

At present fourteen of our congregations own their church properties. The half of these are small and so, unsatisfactory, but the remaining seven are well built and large enough, we expect, to accommodate the growing congregations for a few years. The four largest of these were built within the last two years, but the beginnings of plans and preparations for the work goes back several years earlier. Two of these, one in Nagoya and the other in Shimonoseki, were finished during the summer of 1934, and were fully described in the annual report of that year. The congregation in each has about doubled since they were opened. The collection of funds for the new central church in Osaka completed during the past summer, was begun some six years ago. The story of the struggle to secure this building is a long one. Difficulties arose at every turn, but patience and perseverance were at length rewarded. All who took part in the long and trying task of raising funds, buying the land on which to build, getting permission to build, meeting all the exacting regulations regarding the building, to mention a few of the difficulties, are justly proud of the results. What a difference it makes when a congregation is able to move from its cramped, rented quarters into an airy, well-lighted, comfortable building, its new church home! We could get along very nicely for a while if we had about ten more such buildings to accommodate as many congregations now existing in small rented quarters. Who will give us the money to help make these possible? We shall be most grateful for funds to make even one possible. For the congregation at Oishi, the one nearest to our homes, we need a building sufficiently large for church and Bible Institute purposes. This year in the very cramped quarters connected with this congregation we held our first full week of good old Korean-style Bible class instruction. We taught the Bible three hours in the forenoon, and one in the afternoon, followed by an hour of singing instruction, then ended the day with a public evangelistic meeting. Each night from seven to twelve decisions for Christ were registered. Will someone please give us \$3,000 to make a combined church and Bible Institute possible right here near our homes in Kobe? The

building and land would cost more than this amount, but with this with which to start, we could manage the cost nicely. Such a centre for an Institute would be a great help in all our work. It would make possible the holding of large evangelistic meetings here in Kobe, and would prove a place where we could hold Bible Institutes for the training of Sunday School teachers and other lay workers near to where the missionaries reside.

In Kyoto we have a new church building, the largest and finest yet, but it is what the Scotch would call a "sticker" church. It is well built, fully furnished, and ready to use, but there it stands, lacking nothing but a permit. This entire church is a gift from Mrs. Itoh, a missionary for many years in Korea, and now retired and living in Kyoto. Owing to lack of proper registration of the congregation on the part of the pastor, the permit has not been secured. There is as yet no evidence of its being granted. Please pray with us that our next report may contain an account of the dedication of this fine building to the purpose for which it was donated.

On Thanksgiving Day it was our privilege to attend the Dedication service of the new Morito Church. These people had decided that the building should not be formally dedicated to the Lord as long as a debt remained on the church, and much sooner than we expected, the people, though very poor, paid the last of the debt. Accordingly, on Thanksgiving Day we were happy to attend this service.

Early in August the Christian leaders in the Kobe, Osaka, and Kyoto districts, set up our big Mission tent on the sea-shore at Tarui, and for five days held a splendid retreat, where in the day intensive Bible study classes were held, and each evening service filled the tent for a roaring evangelistic meeting. The leaders report a fine time of blessing and spiritual refreshing. Any retreat where God, the Holy Spirit, is honored and looked to as the great Teacher, is in the right way for spiritual revival and blessing.

The General Assembly of our church did not meet during the year, but, according to its constitution, will meet in 1936. The General Board of the church held several meetings to conduct Ad Interim business. It is a joy to find the native pastors and elders gladly shouldering so much of the responsibility for the care of the churches. During the year four new elders in as many churches were ordained, and five others elected are now preparing for their ordination examination.

Mr. MacKay, who was granted time in Korea from October to June for the study of the language and conditions in Korea, was enabled to make personal observation of the Bible Institute work carried on extensively for intensive Bible study purposes, to compare conditions with those in Japan, and to consider how far methods would be applicable to Japan. In addition to language study, Mr. MacKay was able to participate in a country itinerating trip with all its accompanying experiences. Language school gave an opportunity to study with others and compare notes. Language study has also brought the realization that "with men this is impossible". "It is the shattering of every bit of trust in oneself and everything human." But along with the difficulties of language study, Mr. MacKay has had the joy of beginning to teach a Bible class in the little church of Ogi, as well as intensive afternoon visiting where the sowing of the Good Seed brings great joy in the realization of real missionary service.

Our kindergartens still number seven, but the staff of teachers has grown to twelve, the five assistant teachers being supported by the native churches. They are a splendid group, perhaps the finest we have ever had, all being earnest Christians and several having had Bible training. There are more children enrolled than any previous year, and it is interesting to see how many younger brothers and sisters of former graduates are attending. It is also encouraging to note how most of the former pupils continue to attend Sunday School faithfully, so that the seeds sown continue to grow, and will one day, bring forth fruit. Sometimes one dreams of better equipment, of a place for the children to play and more space inside the building, but as long as the little ones are learning to know God and love Jesus, and feel His presence in the poor little buildings, material things do not so much matter. We must remember also the work of the

faithful Bible women who untiringly visit the homes, preach the Word, and minister to soul and body. Like every other department, the work of the Women's Missionary Society has grown, not only in numbers but also in the quality of the meetings. It gives one a great deal of pleasure to see the women take part in the meetings in such an efficient way. Many of the groups still partially support their own Bible woman and help the church financially.

The month of September brought to us the great joy of welcoming back Dr. Young and Miss Jean MacLean to the field. We were saddened by the fact that Mrs. Young was unable to return also, but we hope that before long we shall have the joy of seeing her join our numbers.

The day previous to Dr. Young's arrival back in Kobe from Canada, Rev. James MacKay, D.D., accompanied by his wife and daughter arrived in Kobe. They had completed their visitation to the mission fields of our church in Manchuria and Formosa, and had come to see something of this mission to the Koreans before returning to Canada. It was a great joy to have them here. Perhaps none but missionaries fully realize what a visit of this kind means to a mission field. How will the visitors see things? During their short visit will they be able to see deeper than the surface? Will they think the missionaries are living in luxury because Mrs. or Miss Missionary sets them a good table? Will they think big congregations have been gathered together to make a good impression upon them? These are a few of the questions that sometimes race through the missionary's mind. Be that as it may, Dr. MacKay did not leave us long in doubt as to his ability to look things through. He arrived on Saturday in a rain-storm and the next morning unannounced visited one of our Osaka churches. During part of that week before sailing for Canada he spoke to three others of our congregations met for evening worship. We had no opportunity to put on frills. He saw us as we are. What he thinks of us, as yet, we do not very well know: but he and his family made a lasting impression for good upon us and our Koreans. We found that he had a heart, but still the courage to call a spade a spade, a combination not altogether common. We shall not soon forget his stirring evangelical messages and we hope that we and our people may have the pleasure and profit of meeting him and his family soon again.

We thank the Father for His abundant mercy during this year that is gone. We would thank, too, all those who have assisted in this part of the Master's vineyard both materially and with their prayers, and we wish to share with them, our co-workers, the joy of knowing that souls are being won.

Submitted on behalf of the Mission,

MARY E. ANDERSON,
Secretary.

The Bhil Field

REPORT 1935

IN MEMORIAM

In the summer of 1934 a beloved missionary of the Bhil Field succumbed to an illness of several days' duration. The sorrow felt at her passing was expressed by the following resolution of Council:

"The stately ships move on
To their haven under the hill;
But oh! for the touch of a vanished hand
And the sound of a voice that is still."

may be the thoughts of bereaved ones and of the Council at the passing of Mrs. Buchanan from this sphere of service. Council wishes to express its sincere sympathy to Dr. Buchanan and to his daughters in their bereavement. We would also pay tribute

to Mrs. Buchanan's full life of sincerity and devotion to bring the Bhil people into living relationship with Jesus Christ. In joy and sorrow, through physical handicaps and afflictions she laboured earnestly on behalf of the poor people whom she loved. Few are privileged to serve their Master for a period of forty-six years in the Mission field. Now she has entered on a higher plane of service and could we hear her voice she would wish our thought of her to be

"Sunset and evening star,
And one clear call for me;
And may there be no moaning of the bar
When I put out to sea."

Not so close was the touch of two other valued friends, but each missionary felt a sense of personal loss when it was learned that Miss Mamie C. G. Fraser, editor of *Glad Tidings*, and Dr. Andrew S. Grant, Secretary of the General Board of Missions, had been called to higher service. The work will go on; their places will be filled; but always the fragrant memory of their devoted lives will remain with us.

EDUCATIONAL

In December there were 160 pupils on the roll of the Central School, Amkhut, the majority of whom were living in the hostels. Twelve teachers gave these boys and girls their diet of "reading and writing and arithmetic". The first girl from our Mission to pass her matriculation examinations was added to the staff in July. At that time one of the promising young men teachers was sent to Dhamturi for teacher's training. Throughout the term Miss Sherrick has taken the classes in English. Bible classes were taught by Miss Maxwell and Miss Sherrick. A helpful study, "The Child and His Religion", prepared by the India Sunday School Union, was pursued in the Amkhut school, as well as in other centres. The children did well at their "end of term" examinations, so went off for their two months' holiday with happy hearts. Those who passed from the sixth class were sent to other centres for further study. The boys go on to High School in Alirajpur, while the girls go to Bible School at Shahpur or to High School at Khandwa.

The system of regular visiting and supervision of primary schools in Barwani, Jobat, Chicheniya, Mendha, Talaud, Bina, Pangora, and Sardi has been developed by Miss Douglas, who states that requests for teaching have come from three other villages. These requests have not been met because, as yet, there are no teachers to send. A new car was purchased in February to facilitate the work of the supervisor. In this shiny new car, driven by a proud young Bhil, rounds were made at least once a month. With the schools being brought under one supervisor, it has been possible to formulate a uniform course of study for the various schools, with suggested methods of teaching.

From Mr. Wood we learn that five students will complete their three year course in the Theological School early in 1936. He says, "In maintaining the Theological School we have kept in mind a three-fold ideal:

1. A thorough training in the Bible and kindred subjects.
2. A practical training in the work of preaching, teaching, and conducting services.
3. The maintenance of a simple life and the encouragement of self-help. The course of our Theological School is primarily Biblical. We aim to give thorough instruction in the Bible and allied subjects. Other subjects are not neglected, and emphasis is given to their practical application to the preachers' work in this field. The course is normally one of three years, covering Old Testament, New Testament, Bible, Church and Mission History, Religious Education, Theology, Comparative Religions, Language, Homiletics and Pastoral Theology. An attempt has been made to give the students ample opportunity for practice, under supervision, in preaching to Christians and non-Christians, conducting services of worship, and teaching Sunday School classes of various ages."

MEDICAL

Turning to the medical department of our work, we find that Jobat Hospital had its record year, with patients as follows:

In-patients	Male	Female	Bhil	Hindu	Mohammedan	Christian	Total
1934	162	223	169	97	43	79	385
1935	190	273	157	159	60	87	463
Hospital days — 5,565			Average stay of patient — 14½				
Out-patients	3,832	1,988	2,128	1,897	1,097	698	5,820
Repeats							7,167
Operations	Major — 98		Minor — 20				118
Obstetrical cases							21

Miss McConnell administered 85 anaesthetics in the operating room, thereby helping the doctor considerably.

Common diagnoses were pneumonia, pleurisy, malaria, arthritis, mastitis, ascites, guinea worm abscesses and tropical ulcers. Pneumonia and pleurisy were especially prevalent during February and March. The result of thieves "breaking in to steal" was seen when, on several occasions, patients were admitted with gunshot, arrow, or club wounds.

Progress is reported in the building work. When the Louise Henderson Maternity Ward was officially opened on October 31st by the Rana Sahib of Jobat, he commented on the great need that will be met now that such a ward is available for the women of the village and surrounding country. A human interest note might be struck here by writing that this week the first baby born in the new ward, a Hindu, was brought to the hospital for inspection. He is a healthy, smiling boy of over three months, bringing much joy to his mother's heart. Her other three children died in infancy. The Mary Broadbent Training Home was practically finished at the end of the year, and it is hoped that nurses' training may soon be commenced. During December a few patients were accommodated in the McConachy Hospital, although it had not been officially opened. The private ward and European section in connection with this hospital were nearing completion at the end of 1935.

Dr. Draper completed the course with the three boys who were in the compounders' class. All passed the examination tried at Indore. Of these boys, Hezekiel remained in the dispensary at Barwani, while Peter and Ayub joined the Jobat Hospital staff. Hezekiel is continuing his studies and hopes to to the next examination in the near future.

In the different stations where there is no definite medical work, help has been given to those suffering from minor complaints by the missionary in charge. Serious cases have been brought to the hospital. In line with Council's recommendation, all school children were given a thorough medical examination.

Miss Errey reports that there were 38 in-patients in the M. G. Abey Memorial Children's Nursing Home during the year. The average daily number of out-patients was 10. Malaria and pneumonia were less prevalent than in previous years. Prophylactic doses of quinine were given to the school children twice weekly. At the beginning of 1935 there were eight children in the Home. Six were added to the number during the year; two entered the girls' hostel; one death is recorded; leaving eleven children at the end of the year. Mangal Singh and Musa, charter members of the family, are growing into sturdy young lads, potential leaders of the Mission of the future.

Under Dr. Buchanan's supervision, the dispensary in Amkhut has administered to the needs of many people.

EVANGELISTIC

We are happy to be able to report that there was opportunity in 1935 for reaching a greater number of people in outlying districts from the different stations than has been possible for several years. In the cool weather missionaries and Indian workers

toured around Amkhut, Alirajpur, Mendha and Jobat. All feel that this is an effectual means of getting in touch with people whom the Christians do not ordinarily meet. It is very necessary to follow up the seed sown at such times, and so we hope that each year there may be seasons of refreshing as Christians and non-Christians spend hours together in the different villages.

In all the stations regular teaching was given to both Christians and non-Christians. We cannot report many conversions as a result of the teaching, but we know that God's Word does not return unto Him void. Perhaps through united prayer and further teaching He will cause 1936 to be a more visibly fruitful year.

A Bible woman was added to the staff of Jobat Hospital. She spends time each day with the women patients, telling them Bible stories and answering their questions. Jigiya Master visits the male patients. Three adults and 14 children were baptized in Jobat, 5 of whom were new Christians.

Miss Moreland, of the India Sunday School Union, visited our Field in October. She spoke to several congregations on methods of teaching classes, conducting Sunday School, and worship. A refresher course for evangelistic workers was held in the Theological School in Alirajpur in July, when 35 attended. Courses were given in Bible Study, the Work of the Preacher, the Work of the Teacher, and Personal Evangelism. Rev. Mr. Kinder of Bombay assisted Mr. and Mrs. Wood with these classes. As in former years Dr. Buchanan conducted classes in Toran Mal during April and May.

Musa Naku was called to Sardi congregation. We now have ordained ministers at Barwani, Kuksi, Jobat, Talaud, and Sardi. Evangelists carried on the work at Pipari Pani, Borjhar, and Khatiwara.

Mr. and Mrs. Toombs and family went on furlough in the Spring, and in the Fall several missionaries returned to the field, greatly benefited by the months spent at home. Miss Williamson was appointed to Amkhut. Mr. and Mrs. Young took up their work in Mendha. Mr. and Mrs. McDonald went to Barwani. We were very sorry to learn at Council of Dr. Draper's decision to tender his resignation as a member of our Mission. He has been with us six and one-half years, and in that time we have found him to be earnest in his missionary endeavour, conscientious in his work, and a staunch friend.

Writing of conditions at Mendha, Mr. Young says "Statistically, the work of the year looks very small. There were only nine baptisms, all infants, during the year. There was not one member added to the congregation. Yet when we arrived back we felt that there had been progress in our absence. There were no goats in the garden, and the trees had not been cut and slashed to feed those omnivorous creatures. There was some sense of personal responsibility in the work of winning the land for Christ.

There was definite effort to do the job in the best way known to the doers. There were signs of spiritual life that were cheering to those who came again to be helpers on the way to the Kingdom of Heaven."

"For Barwani", Mr. McDonald states, "the year 1935 has been a year of changes, and as usual changes have meant breaks in the work that have hindered progress in the evangelizing of this great and needy field". Four adults and 1 child were baptized in the early part of the year, before Mr. Toombs' departure from the station. On Christmas Day 2 adults and 1 child were baptized."

A fitting conclusion to our report might be an excerpt from Mr. McDonald's report, viz., "At a recent conference attended by several of our missionaries, leaders of a committee who have been making a survey of the mission fields throughout India reported that there was every indication that the labours and prayers of many years, coupled with certain conditions existing among the oppressed low castes who are looking to Jesus Christ and His Church for deliverance from the bondage of centuries, are about to bear fruit. Great spiritual movements are taking place and thousands are being received by the Christian Church, while literally millions are knocking at the door. Not the outcasts only are moving towards Christ, but the Bhils in adjoining fields are being caught in the movement. In a nearby station from 20 to 25 Bhils are being baptized each week, and so many are asking for instruction it is hoped that in the near future it will be necessary to receive and baptize 100 or more weekly.

"Some of the fields where these movements are taking place touch our borders and present a challenge not only to those of us privileged to be in India at such a time as this, but to our whole Church, for our response may mean a blocking of the movements or their spread across the borders into our areas. In order that we might share in the great ingatherings that await the Church's advance there must be an increased staff, an increased budget, and a re-dedication of life to the service of our Lord and Master. 'The fields white unto harvest' is not today merely a catch-word for missionary propaganda, but a statement of fact, describing conditions as we 'lift up our eyes' and look just beyond the boundary of Barwani and other parts of our field."

Secretary of Council.

A BRIEF REPORT TO THE GENERAL ASSEMBLY, CANADA

Looking back from 1936, it is almost a period of ten years now since I joined the Christian Literature Society. I am grateful that my connection with the Society has been a most happy one. Nothing stands between my co-workers and myself. Our fellowship has been a joy. One thing that made me sorry was the death of Dr. Donald MacGillivray who was really my spiritual father. His kindness and insight still inspire me.

During these years the Society has made some progress. The new building shows that we have made some material improvement. The addition of a new business secretary shows that we have stronger staff at work. Recently we have just adopted a new program for the Society.

In the year 1935 my work has been editing the two periodicals, *The Shining Light* and the *People's Magazine*. The following books were published during the year:—How I Became a Christian (in English) (Miss Brown as co-worker); Ethical Readers for Students, Eighth Reader; D.V.B.S. Reader, Fifth Reader; C.L.S. Readers for Illiterates, Fourth Reader; Comparative Religion (in English); Kagawa (Based on Axling's book); Pilgrim's Progress, Part One.

Now I am doing the second part of Pilgrim's Progress. This book has been translated into Chinese, but it is now quite out of style. So I made the new translation. So far people who have read it, like it.

During the year I also made my usual contact with the churches and young people. I also visited quite a few villages in order to keep myself close in touch with farmers and common people.

The Christian Radio Broadcasting Station is still doing its very effective and inspiring work. January 1st, 1936, we invited Madame Chiang to speak at the station when we held a dedication service for the increasing of its power. Madame Chiang sent us a written speech. The new station is now built on the top of the C.L.S. Building.

The work of the Shanghai Bible Institute was also carried on in the C.L.S. Building, but from the year 1936, the Institute is moving out to a local church in Shanghai. I continue to serve on its Board.

I pray that God will still use me in the eventful year of 1936. Allow me to express my gratitude to the Presbyterian Church in Canada for its continued and faithful support. Though at the time of writing, our daughter, Grace, is sick in hospital, we have every reason to be thankful to God for His manifold blessings.

Yours sincerely,

Z. K. ZIA.

1935

During the past year the work in this field has been handicapped through a shortage of missionaries. For six months, only one missionary was on the field, and for the balance of the year two. We were sorry to lose the services of Rev. J. MacBeath Miller who joined our staff in December, 1934, and returned to Canada in October, 1935. On 4th November, 1935, Dr. and Mrs. Cropper returned to the field. It was with pleasure we welcomed a new lady missionary in the person of Miss Olwen Davies, B.A. Miss Davies was sent out by the W.M.S. (W.D.) to take charge of the Girls' High School. Miss Davies' duties as Principal of the Girls' High School take most of her time, nevertheless, she finds time to help with the field work.

EDUCATION

A very extensive educational work is carried on by the mission. This work occupies a great deal of the missionaries' time, and is a source of constant worry; nevertheless, we believe that the results hoped for will justify our present labour. These schools are carried on as a means to an end, and not merely to impart secular education. In all our schools religious instruction is given daily.

There are four types of schools:—

(a) *Mission Schools*, i.e., schools supported entirely by the mission. During the past year we succeeded in getting all but one of these schools on the Government List, and we hope for a grant in the near future for the remaining school.

(b) *Section 80*. These are schools for which the Government gives a grant to be used at the discretion of the Mission Council. From the beginning of 1935 the grant for practically all Section 80 schools was so increased that we were able to run these schools at little or no expense to the mission.

(c) *Grant-in-Aid Schools*. In these schools the Government pays in full the salaries of the teachers and in addition gives a grant to maintain buildings.

(d) *High Schools*. In New Amsterdam there is a High School for Boys and a

High School for Girls, though housed in separate buildings, for educational purposes the classes are amalgamated.

The following statistics give a general idea of our educational work:

Number of Primary Schools	30
Number of Teachers in Primary Schools	103
Number of Pupils: East Indian Boys	2,401
East Indian Girls	1,507
Others Races	614
	4,522
High School: Boys	62
Girls	34
	96

During the past year there has been an increase of 336 children attending our primary school. Many of our school buildings have become too small to accommodate all the children, and it has been necessary to enlarge a number of these. We are glad to report that the money has been supplied from local sources, and no money coming from Canada has been spent.

The lack of space prevents a detailed report of all our 67 Sunday Schools and 69 churches and preaching stations. It will give some idea of the work when we state that on Sundays 67 Sunday Schools are carried on by 124 teachers, and approximately 100 services conducted by catechists, teachers, and missionaries. In addition there are week day services, Young People's Societies, etc. During the months November and December, 73 Harvest Thanksgivings were held. The total offerings received at these services amounted to \$1,037.34.

Sixty-one infants and 26 adults were baptized during the year.

In the absence of a lady missionary the work among women and girls has not been neglected. Two classes are held in Georgetown each week for young girls; also a class for 'teen-age girls and another for women were held during part of the year by Mrs. Marshall assisted by two East Indian young ladies. We have tried to teach our people the value of systematic giving in the support of their church. The Mission Treasurer received \$2,208.72 from the various stations,—this does not include money raised for local congregational purposes. An appeal to our local church in connection with the Jubilee Fund of the Mother Church in Canada enabled us to send to the Church Treasurer in Canada the sum of \$213.00. One very encouraging feature has been the many valuable gifts that our members have given to their churches. In one congregation a Pulpit, Pulpit Bible in English and Hindi and Hymn Book were given by a few members on one Sunday. In another Church a beautiful Communion Set was given by a member, while another gave a Communion Table. This and many other such gifts bring joy to the heart of the missionary.

A long felt need was supplied by the publication of our first *Church Record*. This *Record* is published quarterly.

Looking back on the past year, we feel a deep gratitude to God, who through difficulties and disappointments has trained us in patience, and has given us to see the fruit of our labours.

"Stand still and see the salvation of God," is our text for the end of the old year. "Speak to my people that they go forward," is our text for the beginning of the new.

REPORT OF WORK OF THE WOMEN'S MISSIONARY SOCIETY (E.D.)

To the Venerable the General Assembly:

The W.M.S. (E.D.) of the Presbyterian Church in Canada has in this year, 1936, reached its Diamond Jubilee. Women's Missionary Societies have existed in the Maritimes since 1825, but our Division as a whole was not formed until 1876, in St. Matthew's Church, Halifax. Our Society is endeavouring to take advantage of this special interest, not so much to raise extra money—though something of that is being done—as to increase the knowledge of our past history and to enlist the enthusiasm of the young people for the future of the work.

In printed facts this year's report will not appear very different from that of the past few years, but we have found the spirit of the workers more hopeful.

From the detailed reports of the missionaries at home and in the portion of the foreign fields assisted by our Division, we are encouraged by noting the stories of definitely changed lives and of the spreading waves of Christian influence the results of which no figures will ever disclose.

The last annual report of our corresponding secretary speaks of large and enthusiastic meetings in the Presbyteries and goes on to say "The further knowledge that there is noted a rising tide of emphasis upon the work among the young people gives an optimistic outlook."

We are receiving, too, from a good many of our auxiliaries assurances that a deeper spirit of prayer is apparent among their members. All this is heartening because it surely must mean that God's Spirit is in our midst acknowledging our efforts; and we are thankful.

Our annual reports show increase in membership and in givings—slight it is true—but still an increase. Also two adventures over last year have been made, one "Home", one "Foreign". Detailed reports of these are given by Home and Foreign Secretaries.

So though we have to regret that so much less has been accomplished than we should have wished, we are glad to present a report to our church that is more cheerful than that of last year.

We feel, as was said at our "Annual" that "we have pledged ourselves to a special work and that work we cannot forget or lay down until every woman and child in every land throughout the world has heard the story of Christ's redemption."

Your Women's Missionary Society (E.D.) asks for the interest and prayers of the whole Church in this, its sixtieth year celebration.

REPORT OF HOME MISSION SECRETARY

Halifax Port (Miss Lena Fraser).—More work in the winter than in the summer. The Jewish element is very prominent, trying to get out of Germany, especially. Every ship and every day bring demands and some very pathetic incidents. Is it not worth while for the church to administer to her children who meet with disaster as well as success? Miss Fraser has visited all hospitals from time to time in city and in Detention Hospital at Pier 284. She wishes to thank all W.M.S. Auxiliaries and Church Societies who have so generously contributed scrapbooks, papers, cards, clothing, boxes, parcels and Christmas cheer, all of which are a big factor in the "Psychology of Ministration," also for *Record, Message, Glad Tidings* and *Hungarian Observer*. All vital in promoting and maintaining the building of the Presbyterian Church in Canada. She concludes with "it is as noble to maintain as it is to build."

New Carlisle Residence.—At the urgent request of the Presbyterians in New Carlisle this residence has been re-opened to accommodate a number of High School students from surrounding districts on the Gaspé Coast. This is a temporary arrangement until Christmas with Miss Ida Moore as Matron.

Strathcona.—The work has been carried on as in previous years. In addition to the regular services a special Thanksgiving service was held, also at Christmas and Easter with good programs by the children. The Daily Vacation Bible School was held with a good attendance, and work well done was brought to a close by a picnic at the seashore.

At Macan there were many well attended services as well as a Christmas concert. The work was hampered by the severe illness of Mr. Morgan.

Miss Estelle MacKenzie at Barnesville, Titusville, Upperton and Saltsprings, October 27th to May 27th. Attended 28 church services; 22 Mission Band meetings; 15 cottage prayer services, 10 Young People's meetings; 14 W.M.S. meetings. An average of 62 calls per month—435; 6 Certificates were given for Primary Catechism; 1 Certificate was given for Shorter Catechism. Boxes helped greatly, also papers received.

Whitney Pier (Miss Deane).—March and April—Number of calls, 90; C.G.I.T., 6; Thank-offering, 1; Mission Band, 4; W.M.S., 2; C.E., 5; Sunday Schools, 9; Guild, 6. Miss Estelle MacKenzie has just begun work here (September).

Kennetcook.—Miss Ruby Johnston laboured here for nearly four months last year and has returned for another three months. A good beginning has been made.

Chalmers Jack Mission.—Miss Elizabeth MacDougall, September to August. This district, called Colonial, has become a school section and the W.M.S. has only one worker with Grades 1 and 2 under her care during school hours. During the three months, June, July, August, the attendance was good. It is encouraging to note a number of young people active in Christian Endeavour. Ladies' Aid continued doing faithful work. Thank-offering was held in May, Rev. C. S. Miller of Glace Bay bringing an appropriate message. C.G.I.T., 14 girls made favourable progress. Baptisms, 11. Deep gratitude is expressed to Mr. Grant and Mr. MacMillan for their deep interest in the Mission and to all Auxiliaries, Coal Companies, etc., who helped the Mission in different ways. Much to the regret of all Miss MacDougall resigned in August. Miss Isabel MacDonald is the Deaconess at present.

Glacé Bay Outlying Districts.—Miss Mary A. MacKenzie is now on her third year in a district covering 45 to 50 miles, walking a great deal of the time when there is no other means of transportation. Four Mission Bands, Sunday School, 1 Junior C.E., 6 W.M.S. Auxiliaries.

At Birch Grove the John Wilkie Mission Band was re-organized. Visitors at the different Societies stimulated interest during the year.

Broughton lost its faithful President by death. Here a Daily Vacation Bible School was held and the result was splendid; the attendance almost perfect.

Same at *Caledonia*. Here the "Ethel MacDonald" W.M.S. still carries on; a Thank-offering was held; Rev. and Mrs. C. S. Miller and the President of the Sydney Presbyterial made visits, giving talks along missionary lines. This one with Broughton, Port Morien, Birch Grove, Catalone and Albert Bridge are all doing their bit for the Kingdom. 708 visits; 104 hospital visits.

Home Mission Secretary (E.D.).

FOREIGN MISSIONS

BRITISH GUIANA

Our missionary work in British Guiana continues to be a problem. The building known as "Burns Memorial" which was intended for a Girls' Training Home, was completed last year at an expense of approximately five thousand dollars and to our knowledge has never been used, owing to the fact of its isolation and there being no resident missionary in Essequibo. We also own a bungalow at New Amsterdam. It is now offered for sale.

Our missionary deaconess, Miss Aird, whose work was in and around Georgetown has suffered through illness, and on advice of Council returned to Canada a year ago, a few months before her furlough was due and although quite anxious to return to the field, our Board did not consider it advisable for her to do so.

As reported in Minutes of Council, they had under consideration the establishing a Girls' High School at Georgetown providing they had assistance from the Government, so it was suggested that our W.M.S. should provide a lady principal for same, who could also assist in outside mission work. We were not successful in finding one suited to our requirement, so it was decided through correspondence with Council on field to provide a deaconess for work in Georgetown, and in addition to finance two Bible women, one to begin duty March 1st. The deaconess, Miss Storey is one of the young ladies graduating from Training Home this spring and comes very highly recommended by the Principal, Miss Ferguson, and the Board of Governors.

JAPAN

The work in Japan is always full of interest and while the lady missionaries carried on the work most efficiently during the absence of Dr. Young, they gladly welcomed his return as also that of Miss MacLean.

Miss MacDonald, our first lady missionary after Dr. and Mrs. Young took charge, has been home on furlough during the past year, and her story of the work, with accompanying slides has been amazing and, we trust, inspiring to our home church. So also are the reports from the field. Miss MacDonald returns to Kobe in the autumn and Miss Murphy comes home on furlough.

As reported last year, our W.M.S. was much impressed by the report given by Dr. Young of the Theological Seminary at Kobe, where the native pastors are trained, and gave a contribution of \$300 toward its support. We hope to repeat this this year. We also provided a bursary of \$100 for Mr. Kim, Korean student. Our Society has made its usual contribution of \$500 to Pyengyeng College and \$25.00 to Santo Training Home.

Respectfully submitted,

(MRS. A. D.) MARY J. FALCONER,
Foreign Mission Secretary (E.D.).

NATIONAL MISSION WORK

PRESBYTERIAN RESIDENCES

The year 1935 has seen changes in the department of Presbyterian Residences, two having been closed, the Lucy Baker at Prince Albert at the end of June and the Girls' Residence at Vegreville at the close of the year.

As the attendance at the Vegreville homes had decreased very much and the children were quite young, it was decided to move the girls over to the Boys' Residence, as it was the larger of the two, and take care of them together. There have been twelve boys and ten girls in attendance.

Saskatoon, Sask. Another very busy year has been reported, the house being full to overflowing. In July a most successful summer school was held attended by young people from all over the province.

New Liskeard, Ontario. For different reasons it was decided to limit the attendance at this Residence to girls. In the meantime the number on the roll stands at nine, but we hope that with the opening of the fall session this will be materially augmented.

Huntingdon, Quebec. During the year seventeen students were registered, seven girls and ten boys. Everyone was successful in the June examinations, three girls getting Junior matriculation and two winning cash prizes.

HOSPITALS

During the past year the number of our hospitals has been decreased by the sale of the one at South Porcupine, Ontario. The municipality having offered to buy the hospital, the Council Executive accepted the offer and on September 1st that chapter of the work of the W.M.S. was closed. It is hoped to use the money received from this sale to open small hospital units in the very needy points on our frontier.

In our hospitals at Vegreville, Alberta, and Canora, Saskatchewan, much has been accomplished, but because of blighted crops the financial situation has caused anxiety.

Vegreville, Alta. The Rolland M. Boswell Hospital reports fewer patients than in 1934, but hospital days much the same, owing to the cases being more serious, requiring longer treatment. There were 153 medical, 112 surgical and 51 obstetrical cases, 376 in all. A very fine X-ray machine was installed which is a great asset to the hospital and sincere thanks are due to the Hospital Aid for generous gifts and kind thoughtfulness.

Canora, Sask. The Hugh Waddell Memorial Hospital has shown an increase in the number of admissions, mainly in maternity cases. There were 819 cases in all, an increase of 40. The Superintendent wishes to thank all who have given their support to this work which is so needed, the Hospital Aid, the different Presbyterians and the people of the town.

INDIAN RESIDENTIAL SCHOOLS

A good year is reported in Indian Schools, with boys and girls professing Christianity in increasing numbers. By student government an effort is made to develop initiative. Principals and staffs, totalling 30 in the three Schools, have done fine work. Matrimony has caused the withdrawal of some valued workers. Follow-up work is still a problem, the weak spot in the work.

The Indian Interdenominational Committee met in Ottawa twice during the year. Ten per cent. of the cut in grants was restored.

We would express appreciation to the Department of Indian Affairs, Ottawa, to agents, to Synodical Missionaries and Presbytery Home Mission Conveners who visited these schools and to all who contributed money, supplies, interest and prayer.

Mistawasis Day School, Sask. Rev. W. W. Moore, teacher, reports the largest attendance since the opening of the school with 23 on the roll, 5 being non-treaty children. Older children go to Birtle Residential School. A hot noon meal is served, with Mrs. Moore in charge. Sunday School and Mission Band are carried on with interest.

Cecilia Jeffrey Indian Residential School, Mr. and Mrs. E. W. Byers. There were 153 on the roll; 2 passed the entrance. Great interest is shown in singing and band work. Two choirs competed in the Musical Festival, receiving commendation. Thirty-nine were baptized during the year. Many pupils won diplomas for Scripture memory work.

Birtle Indian Residential School, Rev. E. H. and Mrs. Lockhart. An enrolment of 123. A Students' Council was organized and Boy Scout work begun. Fourteen united with the Church.

CHINESE IN CANADA

Our Chinese friends are realizing more and more their responsibility to the Women's Missionary Society. In Vancouver and Victoria our Auxiliaries met their full allocation, while the Chinese ladies in Toronto made a substantial contribution to the funds of the Society, as well as sending a large sum to China for Christian work. In the hope of extending our work, a survey of Saskatchewan was made, and a similar survey will, we trust, soon be made in the other provinces. Our workers continue to devote themselves to the cause with untiring energy and zeal, and we are all very grateful for the signs of encouragement in 1935.

WELCOME AND WELFARE AND DEACONESS WORK

Under this department 16 deaconesses have been working; four of these are on half-time.

Their work is varied according to their location. Miss Munro in Montreal, as port worker, welcomes the newcomers and assists many to find a new Church home by forwarding names to their nearest minister and Auxiliary. Miss Murray, in Toronto, visits women in 7 large hospitals and the Mercer Reformatory. She was assisted by Miss Hugill, formerly in Ottawa, during the last five months of the year.

Miss Allan in Hamilton, Miss Macdonald in Winnipeg, Miss Ross in Saskatoon, Miss Macarthur in Regina, Miss Smith in Vancouver, and Miss Scott in New Westminster have established new Church interests and connections among young and old, and by their sympathetic, kindly visits renewed many such connections long ago broken. One cannot estimate the influence of the cheer, comfort and material help brought to needy folk in these trying days through their tactful ministry.

Miss Matthews, Red Deer, drives a thousand miles a month to cover her large territory. In the Peace River district, Miss Todd, living at Brownvale, and Miss Grigor at Wanham, have brought great comfort and the Gospel message to many lonely settlers. They have established Sunday Schools, organized Mission Bands for children, gatherings of women, and made Church services available to all, not only in their immediate neighbourhood, but at points at some considerable distance, reached only by arduous travel over difficult and treacherous roads and in all conditions and extremes of weather.

Part-time deaconesses specially trained—Mrs. Kovacs, Hamilton; Mrs. Steinmetz, Mrs. Fesenko and Miss Booth, Toronto—are working among the Hungarians and Ukrainians of Hamilton and Toronto, and with great success, developing qualities of leadership in the women and young people. Every effort is made to win these people and guard them against the teachings of Communism.

SUPPLY DEPARTMENT

Our six Provincial Supply Secretaries report continued interest in the work of the department.

1. Our hospitals at Canora, Sask., and Vegreville, Alta., received the necessary hospital supplies, also scrapbooks, toys and dolls for which small convalescent patients are truly grateful. A quantity of clothing and quilts enabled the Superintendents to assist needy patients. The supplies allocated and prepared for South Porcupine Hospital were transferred to Canora Hospital.

2. Five residences for boys and girls—at Huntingdon, Que., New Liskeard, Ont., Saskatoon, Sask., and two at Vegreville, Alta.—were provided with bedding and linen, and, in two instances, with clothing for some of the children.

3. Indian Schools. Outfits were provided for children attending the Cecilia Jeffrey School, Kenora, Ont., and the schools at Birtle, Man., and Mistawasis, Sask.

4. Deaconess department. An adequate supply of clothing and quilts, with some articles suitable for Christmas gifts, form a necessary part of the equipment for deaconess work. Our fourteen deaconesses in various parts of Canada, between Quebec and Vancouver, received many bales through the Supply department which enabled them to minister to the comfort of many needy ones.

5. Chinese in Canada. Our workers in Montreal, Brockville, Toronto, Vancouver and Victoria, were provided with Christmas gifts for the Chinese women and children who attend the various classes.

6. Mission Fields and Indian Reserves. On recommendation of the Synodical Missionaries, bales of quilts and clothing were shipped to 71 mission fields and Indian Reserves—Ontario 17, Manitoba 12, Saskatchewan 33, Alberta 8, Quebec 1. Bales for

Saskatchewan mission fields were shipped direct to the fields, there being no distribution from Regina this year.

Total value of the supplies is estimated at \$18,237.63. The sum of \$1,137.52 was expended for furnishings and additional supplies.

We again record our gratitude to the Canadian National and Canadian Pacific Railways for carrying free of freight charge bales of second-hand clothing for distribution on the mission fields of our Church.

OVERSEAS MISSION WORK

BRITISH GUIANA

The Women's Missionary Society of the Presbyterian Church in Canada (W.D.) is glad to know that, following the reconstruction of the Church's work in British Guiana, greater responsibility is being assumed by East Indians.

Good work has been done by some East Indian girls, in uplift classes and in Sunday Schools. Under Miss Olwen Davies, B.A., appointed to the Principalship last year, the Berbice Girls' High School is making good progress. Since her arrival in October, she has taken an active part in Sunday School and Young People's work. In harvest thanksgiving services, children's concerts and many other ways, she is helping the community in which she lives.

JAPAN—KOREAN WORK

The missionaries here feel their objective should be the clear presentation of the Gospel to every Korean in Japan. The Gospel is being preached in about seventy Churches and meeting-places on Sunday and during the week in surrounding districts, but more workers are needed to encourage small groups scattered all over the country. Each convert becomes a missionary.

Self-support is now more general. Older groups pay their local expenses and help to maintain Bible women and pastors. Fourteen congregations own their Church buildings. For six years the Christians in Osaka were collecting money to build a central Church, which they now own and worship in.

The W.M.S. has 735 members. The women can now lead meetings efficiently and speak well. Their offerings help to support small groups and pay the salaries of Bible women.

Kindergartens show an increased attendance, with 222 enrolled, among them many younger brothers and sisters of former pupils. Most of the latter continue to attend Sunday School faithfully.

MANCHURIA AND CHINA

The W.M.S. continues its grants to Manchuria and South China as follows:

1. \$500.00 to Mrs. Davis, Taonan, for simple Christian literature, so eagerly sought for, and for her Short Term Bible Classes, the attendance at which is encouraging.
2. To the Christian Literature Society, Shanghai, through Mrs. D. Macgillivray, an increased grant of \$100. We would pay tribute to the great contribution Mr. Zia is making to this Society as editor, publisher and translator.
3. To the Church of Christ in China \$1,000, used to the best advantage in assisting students, Bible women, teachers and preachers.

With deep regret the W.M.S. is discontinuing its grant to Hackett Medical College, Canton. After ten years of unparalleled service in this College and Hospital Dr. Jessie

MacBean's retirement because of ill-health leaves a blank impossible to fill. Their profound regret and appreciation of her work has been expressed by the President and Provost, on behalf of themselves and her colleagues.

FORMOSA

Every department of missionary activity shows steady progress, especially in work among young people, who are rapidly adopting Japanese language and customs.

The Japanese Government has issued certain instructions which have necessitated changes in our educational institutions: nationalism is to be emphasized, the Japanese language used in our schools, and only two foreign teachers are to be employed in each school.

As our missionaries are now required to have a knowledge of both Japanese and Chinese languages Miss Adams, Miss Douglas and Miss Taylor are in Tokyo studying Japanese. Miss Chisholm is in Canada on furlough, Miss Burdick is Principal of the Women's School, Tamsui, Miss Hermanson is acting Superintendent of Mackay Memorial Hospital, Miss MacVey returned to her home in Canada and Miss Argall to her home in Japan.

New additions to the staff are Miss Ruth Heighton, B.A., Vancouver, B.C., and Miss Mildred Weir, Reg.N., Agincourt, Ont. Miss Georgia Newbury, B.L.I., was appointed Acting Principal of Tamsui Girls' School.

Our missionaries gave every possible assistance at the time of the earthquake tragedy in which many pupils in the schools lost relatives.

INDIA

Mrs. Angus MacKay has re-assumed her supervision of the academic work in the Helen Macdonald School, Jhansi, on account of the resignation of Miss Ida McSparron. The new venture of having boys and girls together in the primary class has been launched and meets Government requirements. It is felt that this further step in co-education will raise the standard of the school. Miss Stringer reports the girls' work improved and increased in every way and the new hostel almost ready for occupation.

The little dispensary for four months during epidemics cared for 30 in-patients each week, and 8,884 out-patients were treated there by Miss McKechnie and Nurse Miriam. Miss Simpson concentrated on visiting in the nearby villages where she gave medical aid while carrying on evangelistic work.

Dr. Thurrott and Miss Whatling are much encouraged by the interest shown during their extensive evangelistic campaign in Baragoan, Babina and many villages. Members of weavers caste, young Mohammedans from military camp are among new types asking instruction. Sunday Schools include adults, and a night school was carried on in the W.M.S. bungalow. The services of Nurse Sophie and preachers and Bible women are invaluable and Dr. Thurrott's medical skill has been a great asset.

Missionaries are agreed that medical work is essential to any full presentation of the Gospel. Jobat Hospital becomes more and more a fruitful field for evangelism. 463 in-patients were admitted in 1935 and 12,987 out-patients treated. Miss McConnell administered anaesthetics 85 times for major operations. The Louise Henderson Maternity Ward was formally opened by the Rana of Jobat State on his twentieth birthday, October 21st.

Many graduates of Amkhut School are filling useful places in the Christian community. 1935 saw 160 pupils enrolled and a staff of 12 native teachers.

Miss Errey cared for eleven tiny children in the M. G. Abey Memorial Children's Nursing Home, treated cases of illness in the homes, and gave much relief, besides caring for the health of the boys and girls in the school.

The new primary school system under Miss Douglas's supervision means that these schools are a training centre for teachers as well as children. A uniform course of study is followed and examinations held three times a year.

STUDENT DEPARTMENT

From British Columbia to Quebec increasing interest has been taken in students away from home. By invitations to student parties, to private houses and to various congregational gatherings many students have been shown that their arrival was noted and that they are welcome.

Financial assistance was given to ten students chosen as delegates to the Quadrennial Convention at Indianapolis. A supper was provided there for all the Canadian Presbyterian delegates at which Miss Pelton acted as hostess for the Women's Missionary Society.

The Secretary has taken an active part on the Missionary Education Council of the Student Christian Movement.

CANDIDATES

Between fifty and sixty applications for National and Overseas service came into the Candidates Department last year. As always, the majority of the applicants were seeking work in Canada, though an interesting and encouraging feature of the year's work was the number of well-equipped young women looking to Overseas service and considering preparation for such service. One candidate was accepted for training for work in India. Miss Margaret Ann McKenzie, B.A., of Woodbridge, Ontario, will enter the Training Home for missionary preparation in October of this year, and, it is expected, will be appointed to school work in Jhansi, India, early in 1937.

Eight appointments were made to National work. Miss Mabel M. Booth, deaconess, Toronto, was appointed to part-time work in the Ukrainian Mission, Toronto; Miss Winona F. Blackwell, teacher, of Brandon, Manitoba, to the Indian Residential School, Birtle, Manitoba; Miss Irene McRae, nurse, of Wellwood, Manitoba, to the Hugh Waddell Hospital, Canora, Saskatchewan; Miss Mollie O'N. Harback, nurse, of Claresholm, Alberta, to the Rolland M. Boswell Hospital, Vegreville, Alberta; Miss Evelyn M. Lamb, teacher, of Winnipeg, to the primary department of the Cecilia Jeffrey Indian Residential School, Kenora, Ontario; Miss Pearl M. Campbell, of Kenora, to the position of Supervisor in the same school; Miss Helen P. Madill, nurse, of Melancthon, Ontario, to nursing service in the Brownvale district of Alberta; Mrs. Mary Hilliard, Winnipeg, appointed as a matron in the Indian School at Birtle, Manitoba.

PUBLICATIONS

In July Miss Helen Mackintosh of Madoc, Ontario, was appointed Editor of *Glad Tidings*. She brings to the work a fine Presbyterian background and academic qualifications. The number of paid subscriptions to the *Glad Tidings* for 1935 was 18,282.

Sales of the World Day of Prayer programmes increased, as did the demand for helps and programmes from the younger organizations. During the year the following were issued: 500 Mission Band tin mite boxes; 5,000 reprint leaflets, 20,000 prayer cards, 3,000 Auxiliary Welcome and Welfare leaflets, 2,000 copies of the Flag Ceremony for Mission Bands, 1,000 Graduation certificates, 5,675 Home Helper leaflets, 500 Thank-offering leaflets, 500 copies of the Affiliation Service, 25,000 Auxiliary membership cards, and 10,000 Mission Band membership cards. Interest is reported in the various provinces, and there is an increase in lending libraries.

LANTERN SLIDES

A set of slides, "The Open Door of Manchuria", was prepared and sent out to the Provinces in October. Dr. and Mrs. Goforth loaned the pictures and gave gracious help with the information for the lecturette. Three boxes of these slides are in Ontario, one in British Columbia, Alberta, Saskatchewan and Manitoba, Quebec, and the Maritime Provinces.

Number of times slides were shown: Alberta 55, British Columbia 43, Manitoba and Saskatchewan 71, Ontario 231, Quebec 60, Maritimes 20, total 480.

LIBRARY

Greater interest and much better selection of literature were two encouraging features of the past year's work. An abundance of well selected reading matter was sent out, including Sunday School and Church papers to specific addresses; many hymn books and Bibles have been sent our workers for distribution. There are many avenues of service open to us through this department of our W.M.S.

The railways have again granted free transportation by freight, which has enabled us to carry on with little expense.

REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of the Presbyterian College, Montreal, begs to submit the following report for the year 1935-1936.

Your Board is pleased to record its satisfaction in the appointment by the last General Assembly of the Rev. Frank W. Beare, B.A., to the chair of Church History. Professor Beare has also been made registrar, and his appointment to the permanent staff is very gratifying to all friends of the College.

The report of the Senate will show that from an academic point of view the College is in a very flourishing condition. Your Board takes this opportunity to express to the General Assembly its appreciation of the splendid services rendered by Principal Scott Mackenzie and his staff during the past year.

Your Board is grateful that the grant from the Budget for 1935 was increased to \$15,000. It is also gratifying to report, for the first time in many years, a credit balance in the household account. With this increased revenue, it has been possible this year, by rigid economy and by restricting expenditures to a minimum, to show a credit balance in the revenue and expenditure account.

During the recent years of stress, the College buildings, for the most part, have been neglected and your Board believes certain major repairs can no longer be delayed, as a rapid deterioration is taking place on the roof and certain portions of the exterior walls. This, together with certain interior protective renovations, would cost approximately \$3,000, and while the surplus above-mentioned will not quite cover this cost, we are proceeding with this vitally necessary work at once, as a grant equal to that of the past year will enable your Board to take care of the extra expenditure by spreading it over two years.

The financial statement for the year is already in your hands.

In conclusion, it is opportune to express sincere appreciation to the Assembly for the co-operation and support which it has accorded to the Presbyterian College of Montreal during the past year.

All of which is respectfully submitted on behalf of the Board of Management.

Secretary.

REPORT OF THE SENATE OF THE PRESBYTERIAN COLLEGE, MONTREAL

To the Venerable the General Assembly:

The Senate of the Presbyterian College, Montreal, begs to submit the following report for the Session 1935-1936.

The College is able to report that its sixty-ninth session has been marked by an increase in the number of students and by efficiency and harmony in its operation. Thirty-four students were registered in Theology—eleven in the Third Year, six in the Second Year, ten in the First Year, four unclassified, two for the degree of Bachelor of Divinity and one for the degree of Doctor of Divinity. The number of students registered in Arts in preparation for Theology was thirty-seven.

The College staff has been strengthened by the appointment of the Rev. Frank W. Beare, B.A. to the Chair of Church History by action of the General Assembly in 1935. Principal Emeritus D. J. Fraser, D.D., has again rendered invaluable service in the Department of New Testament. Prof. O. W. Howard of the Diocesan College admitted our students to his classes in the Psychology and Philosophy of Religion and Apologetics, and Mr. A. Robert George, B.A., B.D., of McGill University rendered instruction in Elocution. Special courses of lectures were delivered by Dr. A. M. Hill in Religious Education and by Dr. A. M. Gordon in Church Worship. To all these the Senate and Faculty express their gratitude.

The lecturing has been assigned as follows:—

Old Testament Language and Literature.—Prof. W. Harvey-Jellie.

There were eleven students in the graduating class. Their names are reported above as registered in 3rd year Theology. These students, with the exception of Mr. T. S. Hutton, were licensed by the Presbytery of Montreal. Mr. Hutton was obliged to withdraw from College, on account of serious illness, some weeks before the end of the session, and the Senate has recommended through the Board of Education to your venerable body that sympathetic consideration be given to his case.

The new graduates were addressed by the Moderator of the General Assembly, the Right Rev. D. T. L. McKerroll, D.D.

The practical experience gained by students, who serve on mission fields during the summer is of great value, especially to students who have completed their Arts course and who are enrolled in the theological classes. It is very desirable that in making these appointments, preference should be given to men in Theology, and furthermore, that the students who are enrolled in our colleges, whether in Arts or Theology, should be selected in preference to men who are studying elsewhere. The Senate therefore would urge your venerable body to issue instructions on this matter to the General Board of Missions and to the Presbyteries of the Church, and would also respectfully recommend that in the interests of fairness and efficiency in the appointment of students for the summer, a representative from the Faculty of each College should be present in consultation with the General Board of Missions when these appointments are being made.

All of which is respectfully submitted.

W. HARVEY-JELLIE,
Secretary to the Senate.

F. SCOTT MACKENZIE,
Principal.

KNOX COLLEGE

REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of Knox College begs to submit its Ninety-second Annual Report.

The Board reports that the utmost diligence has been exerted in the administration of the College and that it has striven to give effect to the wishes and recommendations of the General Assembly with due regard both to economy and efficiency.

A measure of self-government to the students has greatly helped in the internal discipline of the College, and the conduct of all residents has been satisfactory.

The Board wishes to acknowledge with gratitude the gracious action of Dr. R. Johnston, of St. Catharines, Ontario, in presenting to each member of the graduating class a book by Wm. A. Brown, "The Pathways to Certainty".

The College has come into the possession of a Communion Cup that was used by the Scottish Covenanters. This cup was the gift of Mrs. A. M. Wood, Toronto, whose kindness the Board wishes by this Report to make known to the Church at large.

Your Board feels that the present system of a limited term for members of the Board and Senate of the College is not conducive to the best management of the business of the College and would recommend that the General Assembly revert to the system of annual eligibility of the members of the Board and Senate of Knox College.

Your Board having received a copy of the resignation of Prof. E. Lloyd Morrow, M.A., B.D., Ph.D., from the Chair of Systematic Theology in Knox College and having given careful consideration to the same regretfully feels itself under the necessity of recommending that the resignation of Professor Morrow be accepted by the General Assembly and that, in event of this recommendation being adopted that the Board of the College be instructed to make temporary provision for the teaching of Systematic Theology during the coming session of 1936-7 and until such time as the Chair is filled.

Your Board would further recommend that if the resignation of Professor Morrow be accepted by the General Assembly that a suitable honorarium be given to him.

The Board would commend the Endowment Funds of the College to the consideration of members of the Church when exercising their liberality. These Funds were decreased \$145,000 in 1925.

All of which is respectfully submitted.

WALTER T. MCCREE,
Secretary

J. A. McLEOD,
Chairman.

REPORT OF THE SENATE OF KNOX COLLEGE

To the Venerable the General Assembly:

The Senate of Knox College hereby submits its ninety-second Annual Report.

Forty-one students attended the regular classes in Theology; fourteen in the third year, fourteen in the second year, and thirteen in the first year. This is a very gratifying increase in the number of young men offering themselves for the ministry of our Church. Another matter of interest and importance is that the number taking special or short courses in Arts preparatory to entrance on the study of Theology is steadily declining and is now close to the vanishing point.

The diligence of the students was highly commendable. They manifested a keen interest in their studies and a desire to be adequately equipped for their life work. Almost the entire graduating class found places waiting for them as soon as they were licensed and most of these were anxious to settle in the Western Provinces, being convinced that the greatest need was there.

Fourteen men were enrolled as candidates for the degree of Bachelor of Divinity, whilst thirty-three were registered in Arts, making a total of eighty-eight who were under the supervision of your Senate.

The Ninety-second Annual Convocation was held on April 7th, when the following received the diploma of the College: David Keith Andrews, B.A., Gordon S. Baulch, B.A., Robert J. Burton, D. St. Clair Campbell, B.A., Donald B. Cram, James Dunn, M.A., Robert H. M. Kerr, B.A., Norman MacKay, James Milroy, B.A., James M. Ritchie, B.A., Thomas E. Roulston, D. Crawford Smith, B.A., Robert L. Taylor, B.A., William Weir, B.A.

The address to the graduating class was given by the Reverend Professor Ernest F. Scott, D.D., of Union Theological Seminary, New York, who also delivered a short course of lectures to the Alumni Association of Knox College.

The following is a list of awards:

CERTIFICATE

We have audited the books and accounts of Knox College for the year ending 31st January, 1936, and certify that the Balance Sheet and related Statements are, in our opinion, drawn up so as to show a true and correct view of the affairs of the College according to the best of our information, the explanations given us, and as shown by the books.

The Cash on Hand was verified by actual count during the course of our audit and we have received confirmation of the bank accounts from your bankers.

We examined the Bond and Debenture securities and found them to be in accord with the books. These securities are held for safe keeping in the vaults of the Toronto General Trusts Corporation. The Investments are shown on the Balance Sheet at book value.

HENRY BARBER, MAPP & MAPP,
Chartered Accountants.

REPORT OF THE TRUSTEES OF THE CHURCH EXTENSION FUND

To the Venerable the General Assembly:

The Trustees of the Church Extension Fund beg to submit the following report:—

During the past year several applications for loans from this fund have been received from congregations, but because of the position of the fund, no action could be taken. A number of applications have been received from congregations which have obtained loans from the fund asking for further relief from payment of interest, or for an extension of time. These applications have received careful consideration.

We wish, however, to point out that a heavy overdraft in the Bank is being carried in connection with this fund, upon which interest must be paid. The expectation of the Board was that payments from congregations would gradually reduce the amount paid by us to the Bank, and thus enable us to conserve as far as possible the capital of the fund.

The financial statement which follows shows that while the sum of \$2,079.32 was paid out in interest to the Bank, only \$1,213.04 was received in payment of interest from congregations, while the sum of only \$1,680.50 was repaid on account of principal. Under these circumstances it has not been possible to make any new loans during the year. A financial statement follows:—

CHURCH AND MANSE FUND

During the past year loans to the amount of \$3,370.00 were made from this fund. The sum of \$1,500.00 was paid out upon request of the Presbytery of Toronto from funds held to the credit of that Presbytery. The sum of \$1,100.00 was received on account of payment of principal and only \$85.00 on account of interest during the year.

The Board regrets therefore that it is not in a position to approve of further loans or grants until funds are available from the repayment of loans already made to congregations. The financial statement follows.

REPORT OF THE DEACONESS COMMITTEE AND BOARD OF MANAGEMENT OF THE PRESBYTERIAN MISSIONARY AND DEACONESS TRAINING HOME

To the Venerable the General Assembly:

In compliance with the request for brevity, the Deaconess Board presents its twenty-eighth Annual Report under the following heads:—

RESIDENCE AND STUDENTS

The residence has been filled with students, of whom eight have been Students-in-training. In contrast to last year, there have been no W.M.S. candidates, and no missionaries-on-furlough. The health and discipline of the students have been excellent, and the repair and up-keep of the house have been maintained. The residence has again lent itself to the entertainment of many Church organizations.

GRADUATES AND EMPLOYMENT

We estimate that there are at present fifty-four missionaries and deaconesses in active work in Canada and overseas fields, under the various Boards and Sessions of the Church. The graduating class of last year, five in number, have received appointments under the W.M.S. of the Eastern and Western Divisions, and your Board feels that the present graduating class of three will be absorbed during the year as occasion arises.

POLICY AND ECONOMY

(a) The institution of the "One-year Course for Volunteer Workers," offers the privileges of residence—with free tuition—to the earnest volunteer church worker for whom no provision has formerly been made. The Board hopes in this way to return to their local churches—more efficient, and more zealous volunteer workers. It is respectfully urged that the advantages of this Course be presented to young women.

(b) The institution of the "Deaconess-on-call," is the answer to an economic situation, which forbids the employment of a full-time deaconess. Through the office of the Training-Home, the services of a trained deaconess may be had for such time or times as desired, and may be shared by two or more congregations. It is the aim of the Board to establish a central fund so that this service may be extended, and, ultimately, to establish the "Deaconess-on-call" in the cities and larger towns.

ALLOCATION AND EXPENDITURE

It is with satisfaction your Board reports that expenditures have been kept within the Church's allocation; that the property has been kept in repair; and that accounts, to the amount of over seven hundred dollars, for gas, light; telephone; extra wages; and up-keep; hitherto charged to allocation account, have been carried by the maintenance account of the school.

The sincerity of your Board in anticipating and meeting the economic situation which the Church faces, the earnestness of the students in their studies and their

duties, and the untiring fortitude of the graduates in facing weather and distance in the performance of their duties should, we feel, commend themselves to the sympathy and support of the Church.

WINIFRED FERGUSON,
Principal.

TUITION AND STAFF

Your Board would also remind this Venerable Court of the fact that the Missionary and Deaconess Training Home was brought into being by the General Assembly, for the education and training of young women who would serve the Church as deaconesses and missionaries; that such training involves the securing of properly qualified teachers; for which no monetary provision has been made by the Assembly since 1925; and that the Professors of Knox College, who have so generously given of their time and labour to this work in the past, cannot, overburdened as they are with their own work, assume extra burdens in connection with the Deaconess Home.

RECOMMENDATIONS

Your Board therefore recommends:—

1. That we be given authority to draw up a suitable curriculum for a two-year course of training for prospective deaconesses and missionaries.
2. That, since there is little or no hope at present of securing a permanent teaching staff, your Board be given authority to engage the services of ministers, and others specially qualified, to carry out the work outlined in the aforesaid curriculum.
3. That, in order to attain as nearly as possible to permanency in the teaching staff, and in the subjects taught, the Deaconess and Missionary Training Home be given an extra annual grant of five hundred dollars (\$500.00), to be used as honoraria for the teachers selected each year by the Board.

WINIFRED FERGUSON,
Principal and Secretary.

REPORT OF COMMITTEE ON EVANGELISM AND CHURCH LIFE AND WORK

To the Venerable the General Assembly:

Your Committee met immediately after the last Assembly and outlined the work it proposed to undertake during the year. Letters were immediately sent to all Conveners throughout the Church informing them of the plans of the Committee and asking their co-operation.

The following programme was unanimously adopted and reports show that attempts were made in all Synods to carry out the suggestions of the Committee.

1. Emphasis was placed on the importance of co-operation with other churches especially in regard to the Universal Week of Prayer.

2. It was urged that minister and office bearers meet whenever possible for fellowship and prayer. In this connection your Committee wishes to call attention to the meeting held in Knox Crescent Church, Montreal, where over one hundred ministers and elders were present for prayer.

3. It was recommended by the Committee that special emphasis be placed on evangelism throughout the year and especially in the week immediately preceding Easter. Our Moderator, Rev. D. T. L. McKerrol, D.D., carried the note of evangelism from Coast to Coast and in co-operation with Dr. Goforth held a week's mission in Montreal and another in Toronto during the winter. Our thanks are due to these faithful Servants of the Church. In St. Andrew's Church, Toronto, Dr. Stuart Parker held meetings on every day of the week preceding Easter for the central district of the city. This plan was widely adopted throughout the Church.

4. Emphasis was laid by your Committee on the importance of the communicants' class as an agency in congregational evangelism, and we are glad to report that where this method was faithfully adopted very encouraging results were obtained.

We once again go on record as expressing indebtedness to the Presbyterian Publications for the emphasis continually placed on evangelism in the Teachers' and Scholars' Periodicals. As these publications are now almost universally used the assistance thus rendered to your Committee is invaluable. We note with gratitude articles of deep spirituality in recent copies of the *Teacher* and *Presbyterian Record* written by members of our own Committee and other members of the Church.

Re THE JOINT BOARD FOR THE EVANGELIZATION OF CANADIAN LIFE

We continue to be strongly represented on the Joint Board of Evangelism and have much pleasure in congratulating Dr. W. M. Kannawin on his appointment as Secretary to this Board. This year this Committee sent out a programme on the Evangelization of Canadian Life to every minister in the co-operating churches throughout Canada, this programme consisted in a series of articles on the Holy Spirit. The following subjects were suggested as suitable for treatment in sermons:

The Holy Spirit as Power.
The Holy Spirit and the New Life.
The Holy Spirit and the Church.

The Holy Spirit and the Man of Prayer.
The Holy Spirit and the Thinker.
The Holy Spirit and the Missionary Statesman.
The Holy Spirit and the Life Eternal.

A pamphlet was issued in which information was given on these subjects and books suggested. These pamphlets were much appreciated, one minister in British Columbia wrote immediately expressing his pleasure on receipt of the programme and asking for fifty additional copies for use in his congregation.

The Mass meetings for Christian witness which proved of such value of last year were continued in the fall with good results.

Re THE SOCIAL SERVICE COUNCIL OF CANADA

Through the Social Service Council on which your Committee is represented we were asked to appoint representatives to meet with the Rev. J. H. Oldham representing the Universal Christian Council. Dr. Oldham informed the Committee that the Universal Christian Council with headquarters at Geneva, Switzerland, was planning to hold a World's Conference at Oxford in 1937. We subsequently received a letter from the Rev. H. S. Leiper, Executive-Secretary of the Council enclosing an invitation to our Church to be present at this Conference and asking us to make known to the Council the names of those from our Church whom we deem to have special qualifications fitting them for work in connection with the Universal Christian Council. We leave the appointment of a representative open to the Assembly which alone has the authority for such an appointment.

Re OVERTURES

No. 2 from the Synod of Saskatchewan—This Committee are of the opinion that the prayer of this Synod asking that the General Assembly approach all the other churches and religious bodies, in the hope that a great national movement in Canada may be initiated which will support the action of such instruments as the League of Nations, is one with which in principle they are in cordial sympathy, but in view of the fact that several of the nations in Europe are rather desirous of promoting war instead of peace and that up to the present the League has been comparatively ineffective—we feel that such an idea would be best served, not so much in approaching other bodies but in using every effort to stress the necessity of preaching the gospel of regeneration and co-operating with the general Committee on Evangelism already formed in all the churches in Canada.

Re OVERTURE FROM THE PRESBYTERY OF GUELPH

Whereas the Joint Committee on the Evangelization of Canadian Life is an organization which we believe to cover the objects set out in this overture and whereas our Church is represented on this Committee we feel that no further action is required in this direction at the present time.

RECOMMENDATIONS

1. That the Committee on Evangelism and Church Life and Work be continued as at present constituted.

2. That the General Assembly give its most cordial approval and blessing to the work of the Joint Committee on the Evangelization of Canadian Life.

3. *Re Sabbath Observance.* Re-affirming our conviction of the value of the Lord's Day as a divine institution, ministering to the economic, social, and spiritual well-being of mankind, and regarding it as an inestimable boon to all who toil, a most gracious sweetener of the home, and the chief bulwark of all our civil and religious institutions.

And recognizing that the abnormal mental strain under which our people are now labouring makes them an easy prey to interests that are constantly seeking to undermine the Christian Sabbath; consequently, we affirm, as our deliberate conviction, that the fundamental, social and economic need of to-day is the protection and proper use of the Lord's Day.

Therefore, your Committee begs leave to recommend, that this Assembly enjoin all ministers within its bounds to give adequate prominence to the Scriptural basis of the Lord's Day in the ministrations of the pulpit; and that they be asked to exhort our people to use the day for its appointed purposes of rest and worship; so that, for themselves and others, they may protect it from the inroads of pleasure and business.

4. *Re Temperance.* The Committee request that earnest efforts be made by all the ministers of the Church to stress the teaching of Temperance in their congregations in view of the widespread increase in the use of alcoholic beverages throughout the Dominion.

5. *Re Evangelism.* That a more earnest and sustained effort should be made during this coming year by the ministers of the Church to reach the unreached by carefully planned evangelistic efforts.

6. *Re The Appointment of a Representative to the Universal Christian Council Conference at Oxford in 1937.*

The Committee recommends that such an appointment should be made by the Assembly at its discretion.

All of which is respectfully submitted.

G. DEANE JOHNSTON,

Secretary.

W. F. McCONNELL,

Convener.

REPORT OF THE COMMITTEE ON CORRESPONDENCE WITH OTHER CHURCHES

To the Venerable the General Assembly:

Your Committee begs to submit the report for 1934.

The Committee has deemed it impracticable to recommend payment of commissioners' expenses to the General Assemblies overseas and other Assemblies, but resolved to take advantage of the presence in the British Isles of any of our ministers to represent us at any Assembly possible upon payment of local expenses. In this way Rev. Dr. Eakin, Principal of Knox College, was last year the delegate to the Synod of the United Original Secession, the General Assembly of the Church of Scotland, and the General Assembly of the Presbyterian Church in Ireland. The date of his visit did not permit of his attendance upon the Assembly of the Presbyterian Church of England and, on account of a special celebration to which the Assembly of the Presbyterian Church of Wales was devoted, no delegates from other churches

were received by that body. Dr. Eakin reported a very hearty welcome by the Assemblies visited and a manifestly better understanding of our Church than was evident on a previous visit.

Dr. Rochester, Editor of the *Record*, attended the Assembly of the Presbyterian Church in U.S.A., where he was warmly welcomed. That being the year of our King's Silver Jubilee, when every part of the Empire brought its tribute to a beloved Sovereign, the Moderator of the Presbyterian Assembly in the U.S.A. joined in that tribute in the name of the church he represented.

Our contribution of \$250 to relief of the European churches was again forwarded and the sympathy of our Church with our European brethren in their distress thus expressed was deeply appreciated.

Interest on the part of other churches and individuals in our Diamond Jubilee Celebration was marked both in extent and degree.

The Presbyterian Church in U.S.A. sent a delegate in the person of Rev. Dr. J. Ross Stevenson, President of Princeton Theological Seminary, to convey greetings. This he did in a most suitable address and in terms of most cordial fraternal relations.

The Alliance of the Reformed Churches was represented also by a delegate, Rev. G. H. Donald, D.D., Minister of St. Andrew and St. Paul, Montreal, who in a brief address outlined the work of the Alliance and set forth the significance of our membership in this world-wide body of Presbyterianism.

A personal message, greatly appreciated, was that from Rev. Dr. E. D. McLaren, of Vancouver, a veteran of our Church who since has joined the Church Triumphant. In addition messages were received from the following churches:—The Presbyterian Church in the United States, the United Presbyterian Church of North America, the General Synod of the Evangelical and Reformed Church in the United States, the United Free Church of Scotland, the United Original Secession Synod of Scotland, the Free Church of Scotland, the Presbyterian Church of England, the Presbyterian Church of Wales, the Presbyterian Church in Ireland, the Vindhya and Satpura Mountain Bhil Presbytery of The Presbyterian Church in Canada, North Formosa Presbytery, the Church of Scotland.

The meetings of the Alliance of the Reformed Churches, Western Section, are for the meantime held biennially. This being the year of meeting, the Alliance assembled in Richmond, Virginia, in the Second Presbyterian Church there, February 12th and 13th, with the following representing our Church in attendance:—Rev. Frank Baird, Rev. William Barclay, Rev. Dr. A. J. MacGillivray, Mr. E. W. McNeill, Rev. Dr. W. M. Rochester.

Contact with the Church of Scotland and the Presbyterian Church in Ireland is maintained through their Colonial Committees by correspondence as occasion requires and by a brief report of some phase of our Church's work sent annually. This information then appears in the Assembly reports of these Churches.

In view of the necessity still prevailing in the mid-European churches, your Committee again recommends, for 1936, a contribution of \$250 for relief.

All of which is respectfully submitted.

W. M. ROCHESTER,

Secretary.

F. G. VESEY,

Convener.

DR. EPHRAIM SCOTT FUND FOR THE RELIEF OF MINISTERS AND THEIR FAMILIES

To the Venerable the General Assembly:

This Fund which was established under the Will of the late Dr. Ephraim Scott, "to be used to relieve cases of distress and misfortune happening to ministers of the Presbyterian Church in Canada, or their families, through ill-health or misfortune, especially in cases where the amounts available from other funds of the said Church are insufficient to afford relief, or are not available", is administered by a Committee appointed by the Board of Administration.

The capital of the Fund is invested in Trustee Securities as shown in the Treasurer's Report on Investments. Owing in part to the low rate of interest now available on this class of Securities, the income of the Fund is not adequate to meet the many urgent appeals for help which reach the Committee. The Committee therefore has been obliged to limit the grants made to the most needy and urgent cases, and in order to render help to as many as possible, to reduce the grant in many cases to a very inadequate amount. However, even the limited assistance that can be given under the circumstances has been greatly appreciated by the recipients.

During the year assistance was given to nineteen applicants, of whom six were ministers and thirteen ministers' widows or relatives.

The Committee desires to appeal to the generosity of any who are able to contribute to this most deserving Fund. It has justified its existence every year since it was started, and has proved of untold blessing to many of our ministers and their families. If the income of this Fund could be increased by at least \$500.00 per annum it would enable the Committee to grant a further measure of relief to many deserving applicants who are not eligible for assistance from other sources.

All of which is respectfully submitted.

J. C. BROWN,
Chairman.

J. W. MacNAMARA,
Secretary.

REPORT OF THE COMMITTEE ON CHURCH WORSHIP

To the Venerable the General Assembly:

Owing to the considerable expense the bringing of the Committee together would have entailed, your Convener corresponded with the members asking for suggestions and comments. Seven replies were received—surely, an inadequate response. In the following paragraphs will be found a gist of the contents of the letters.

DIVINE WORSHIP

It is sometimes thought that ministers alone are desirous of a more liturgical service. That is not so. A rather prominent laymen writes: "I am one of those men who desire and like a service with due regard to dignity and form. I suppose some of our people would say I am liturgical in my ideas and, probably, I am. Of course, I am aware that many ministers and elders are quite opposed to anything of the sort; but from my point of view, they miss much . . ."

A minister from the far east, one who has given much study to the forms of Public Worship, thinks that the Committee has very limited powers, (he is quite right) and writes: "I do not know that the Committee can do much more than go on trying to induce ministers and congregations to adopt and follow an Order of Service like that in *Aids for Worship*, which is both Catholic and Presbyterian."

Our next correspondent sees little use of making recommendations to the Assembly unless some better means are adopted of getting them to sessions and congregations, yet he goes, quite properly, to make his contribution: "I have felt that I should like to see . . . a more dignified and logical form of worship than the one usually practiced. A service which accumulates forces and richness from the Invocation upward to a climax, which seems to me to work out best at the altar when the Offering unto the Lord is presented and received with Thanksgiving, and Doxology (or *Gloria in excelsis*), and Benediction. The 'Worship' part of the service terminates there. After that the sermon, which closes with an Ascription or the choir softly chanting as the minister leaves the pulpit." Naturally, as this minister adds, these things can only be "worked out" in Committee. The Convener would add—worked out in sessions and congregations.

And now follows a letter, from a minister in a fine old charge, which snaps one at once to attention. He opens: "I sometimes think we are too stereotyped in our form of worship . . . Why not more freedom? Give the congregation a greater part in the service . . . Start the evening service with song service . . . followed by the Lord's Prayer in unison. Alternate reading gives spriteliness . . . And another minister said to the Convener: "Why should we always start Divine Worship with 'Holy, Holy, Holy,' or the Doxology, or Prayer? There should be variety . . ." Still another writes: "I am not much of a ritualist, but we would do well to keep all that is in accord with Historic Presbyterianism at its best . . ." If the latter were easily discovered the problem would be rapidly solved.

However, the above all goes to show that in the representative committee, there is, considerable diversity of opinion on the important matter of Public Worship. There is also, here and there, strong feeling that the modern choir has too large a share of the time devoted to Public Worship. Two "special" numbers are heard at most periods of worship and sometimes three. A minister reports that *congregational*

singing is giving place to choir singing with a consequent falling off in attendance of worshippers! In many churches to-day the minister's back is literally and figuratively to the wall—he has to fight for a reasonable time in which to declare "the counsel of God". He is fortunate, we are told, to get to his sermon at eleven fifty! And yet to "preach the Word!" is an unabrogated command. This requires *reasonable time*.

THE SPECIAL SERVICE

One of the Committee is quite concerned—and with reason—over services that are wholly placed, at times, in the hands of the young people. He writes: "Should we encourage young people (other than young men who are candidates for the ministry) to conduct a service of Public Worship? . . . I must admit that when I read 'The Young People Took the Service' I do not like it . . . I feel that the pulpit should be left to the minister . . ." The following advertisement appeared in a city newspaper: "GIRLS! GIRLS! GIRLS! Girls in middies will usher! Girls will take the service. Girl will preside at the organ. A choir of girls." The matter, then, suggested by our correspondent should be seriously considered by our Sessions.

SUMMATION

The Convener would like to quote a paragraph from an article by Prof. Walter S. Davidson: "Other institutions have assumed the prerogatives of teaching, of ethical guidance, of social service, of philanthropy, of music, of drama, and art. The conduct of public worship and the fostering of the spirit of public worship are still the unique task of the Church. In his book, 'Reality in Worship', we find Dean Sperry saying, 'The conduct of public worship is the differentia of the Church as an institution . . . In the total cultural division of the vast and varied ministries of religion to society the maintenance of public worship is still, as it has always been, the one plain task of the Church'."

If the above be only in a measure true, an unavoidable and heavy responsibility rests upon ministers and sessions. Many lament a considerable decrease in attendance on the House of the Lord. This cannot be laid altogether on the spirit of the times. Are we satisfying the deepest needs of men? Competition with music halls and movies will not meet heart-hunger. Nor will the sensational form of topical sermon. Nor will pulpit "casualness and chattiness". Dignity, orderliness, and beauty in our services are essential, and, above all, the exposition of the Word of God. Spiritual reality is essential, for it will ever be true: "They that worship Him must worship Him in spirit and in truth." The Convener wonders if there is not a tremendous suggestiveness in the fact that *you do not require to urge people to attend Holy Communion!* No service is more filled with reality. It meets a need. Then the worshipper in effect says: "I was glad when they said unto me, let us go into the House of the Lord". Can we not transfer that "Mysterium Tremendum" that makes Holy Communion so satisfying into the ordinary service? If we can, we shall solve perhaps, the problem of the "Order of Worship".

C. L. COWAN,

Convener.

REPORT OF THE HISTORICAL COMMITTEE

To the Venerable the General Assembly:

The Historical Committee respectfully reports regarding its work for the year 1935-1936.

THE BEGINNING OF A VALUABLE WORK

The usual letter was sent out to the members of the Committee and many other friends on March 5, 1936. It gave a brief account of what activities had been reported from almost every part of the Church and views expressed, concluding with a number of questions. On March 17, 1936, the members were called together, the Board Room in Knox College, ready for the sessions. Unfortunately it was the day of the big blizzard and only three were able to attend. And now in looking back over all these proceedings the impression is deeply made that it is a very valuable work and a beginning has been solidly secured.

DIFFICULTIES AND ENCOURAGEMENTS

The Presbyterian Church in Canada with its eight synods and forty-seven presbyteries is a long chain across a continent and to a land beyond the sea. Our first difficulty is to keep it as living links. Your Committee can report the encouraging fact that there is life in almost every part. That is found in the cheering proofs that there is knowledge of such a work going on and a desire to promote it. The great stretches of space involve us in another difficulty, because records, documents, pictures, vessels and other valuables are material things, hard to collect, preserve and keep for practical purposes. We are glad to report that this problem has been tackled and will not be left unsolved.

MANY MINDS

There are not only "many men of many minds" but many women with fine ideas and enthusiasms. More than our share of space for this report could be taken up with particulars. Your Convener was invited to "The Maples", the birthplace of the great missionary of Zorra, Dr. George Leslie MacKay, and given the wonderful privilege by his niece, Miss Mary Helen MacKay, Reg.N., of not only seeing the "old home" but of enjoying the rare treasures of a museum. Miss Vera Devitt of Renfrew, granddaughter of Dr. Alex. Mann, an "old worthie" among the ministers of the Ottawa Valley, has kindly brought to the attention of the Committee the existence of a very valuable set of vessels used by him at the Lord's Table during his long ministry. An old lady at Carluke in "house cleaning" has the old Missionary Record of the Secession Church in Canada, in a number of well-bound volumes. In reading the interesting pages one is drawn into the church-life of many years ago when "there were giants in those days." There are three other real treasures. The lectures by Dr. William Maclaren of Knox College on Systematic Theology, in the handwriting of William Gauld, the beloved missionary who gave his life to Formosa, were given to the Convener some years ago. The notes begin with Effectual Calling and are an excellent sample of the theological armour with which every student for the ministry was required to equip his mind and heart before he passed victoriously from the professor's class-room. The chair that William Gauld used while memorizing the said "notes" was also given to the Convener, and it has on it the names inscribed of a succession of owners, later known as Dr. A. E. Mitchell, Dr. J. C. Smith, Presbyterian Church, U.S.A., and back to Rev. A. A. Scott, M.A., of Carleton Place, who graduated in 1878.

PRESBYTERY MINUTES

The most valuable of the books added this year to the library of the Archives are two volumes of Minutes of the Presbytery of Hamilton from April 27, 1854, to February 14, 1866. For four years Rev. Mark Y. Stark, M.A., of Dundas, was Clerk, and the rest of the time Rev. James Middlemiss, M.A., who was well known in modern times. The Church is indebted to Rev. E. A. Thomson, B.A., Elora, clerk of the Presbytery of Guelph, for forwarding the same. Already they have served the cause where extracts are desired of proceedings, now of great historical interest, in the old Free Church in Canada.

FOR THE SAKE OF BREVITY

This year your Committee curtails the length of its report, being in line with the whole of the contents of the Blue Book. It is with regret therefore, that the names of congregations and congratulations to them cannot be given. The year has been one where the same spirit has been shown to celebrate by the smaller congregations as well as the strong and historic charges at central points. The thanks of the Committee are due to many invitations to take part, and for booklets and press reports of the proceedings. Our children are interested and asking what do these things mean?

DIAMOND JUBILEE AND MACGREGOR CELEBRATION

Your Committee cannot allow the eventful "Year of Jubilee" to pass without a cordial expression of appreciation and in prospect of the celebration in Pictou, N.S. next July 22nd, the best wishes are offered. The Special Committees respectively—one which did its work so sympathetically and the other now planning with the highest expectations—are worthy of all praise.

RECOMMENDATIONS

1. That suitable provision be made for a historical library and that the Principal of Knox College be interviewed and the Board requested to make provision for the same.

2. That there be published a four-page pamphlet to arouse interest throughout the ministry, the eldership and people generally in the work of the Historical Committee.

AUSTIN L. BUDGE,

Convener.

Hagersville, April 17th. 1936.

REPORT OF THE "RECORD" COMMITTEE

To the Venerable the General Assembly:

Your Committee begs to submit the report for 1935, the fifty-seventh in the history of the *Record* and the ninth under the present Editor and Manager.

For another year your Committee is pleased to present a satisfactory financial statement with respect to the proportion of expenditure to receipts. The Treasurer's statement shows a balance to credit of \$44.72. The receipts for 1934 were \$13,101.47, and for 1935 \$12,497.84, showing a reduction of \$603.63. In 1934 the expenditure was \$13,061.46 while for 1935 it was \$12,452.12, a reduction in expenditure for the year of \$609.34. Therefore while receipts were lower compensation was found in reduced expenditure. After charging to publicity the sum of \$175, there remained to credit the sum of \$44.72.

The reduction in receipts is due in part to loss of circulation but chiefly to the smaller volume of advertising which for 1934 was \$1,440.19 and for 1935, \$899.86 a reduction of \$540.33.

Comparison is still favourable to us in regard to circulation both with respect to the publications of other churches and our own prior to disruption. The number of *Records* circulated in 1924 was less by several thousand than one-third the number of families. Now the *Record* reaches nearly 4,000 more than one-third the families.

Throughout the year the *Record* has been at the disposal of the Budget and Stewardship Committee for the prosecution of its work. In this particular the closest co-operation has been maintained, and the Church fully and regularly informed of the Committee's plans and effort. In particular during the past year each issue has carried a report of progress in respect of the Diamond Jubilee Thankoffering and the matter kept constantly before the Church. It has closely co-operated also with the other boards and committees of the Church in maintaining communication with their constituency. Careful attention was again given to the report of the General Assembly with a view to conveying full and accurate information of its deliverances and its work to all the members and adherents of the Church. This service, as correspondence indicates, seems to have been very gratefully received and has been productive of interest and liberality.

The *Record* has sustained its effort to provide information of the work of the Church in the home fields and in foreign parts as fully and in as interesting form as possible.

It has endeavoured also to inspire its readers to larger participation in the Church's service, to awaken liberality, and to bring messages of encouragement, comfort, and hope to all who have the opportunity of reading its pages.

It is the judgment of your Committee that the time has come for definite and energetic measures on the part of the Assembly to put into effect its policy of placing the *Record* in every family. Such effort is indeed long overdue. The object for which the *Record* has been established requires such action. If it is to be the Church's

medium of communicating with all its members and adherents the Committee believes the Church should see that the *Record* is actually placed in their hands. In other words its policy in this regard should be carried into effect.

To this matter your Committee has given very serious thought and commends to the consideration of the Assembly the placing in the Church's annual estimates a sum sufficient to put into effect its policy. It believes that the advantage accruing to the Church from this policy in the awakening of interest and the promotion of liberality would amply justify this policy and it appears to be the only way by which the Assembly's purpose could be effected.

PUBLICITY

The year has shown that it is still necessary to pursue misrepresentations and correct misunderstandings about the standing of our Church. Attention was again directed to Australia in this connection and statements sent to persons and the press there. In the United States a theological conference held towards the close of the year in Indianapolis presented a brief opportunity to set this matter right before a very representative body. The words spoken then by the Editor attracted sufficient attention to call for correspondence covering a wide area. Whilst depending upon letters in some measure we have supplemented correspondence by brief, comprehensive statements specially prepared, by the circulation of Dr. Scott's book on Church Union, copies of the *Record* reporting legal decisions and dealing with other aspects of the question, and the pamphlet entitled *The Presbyterian Church in Canada, An Outline of the Church's Work*. This last has been specially helpful because it is not controversial and by presentation of the Church's work permits the Church to speak for itself.

All of which is respectfully submitted.

W. M. ROCHESTER,
Secretary.

G. M. DUNN,
Convener.

REPORT OF THE PENSION BOARD

To the Venerable the General Assembly:

Your Pension Board begs leave to submit the following report:—

The following ministers, annuitants and rate-payers have been called to their rest during the year:—Rev. G. D. Bayne, Ph.D., Rev. Jas. Greer, Rev. A. F. MacGregor, D.D., Rev. E. D. McLaren, D.D., Rev. Thos. H. Rogers, Rev. H. F. Thomas, Rev. Lachlan MacLean, Rev. W. G. Smith, D.D., Rev. G. S. Scott (Annuitants); Rev. Alfred Macfarlane, Rev. R. B. Ledingham, Rev. Peter Mathieson, Rev. Peter M. Colquhoun (Rate-paying).

On account of the Church seeking to remove the burden of deficit through the Jubilee Thank-Offering, your Board thought it wise for this year to refrain from sending down to congregations any supplications for funds; but desire here to express their gratitude to all congregations who have so generously donated to the Fund, and hope that other Sessions and Board of Management will in the very near future be able to comply with the General Assembly's directions.

Your Board gave due consideration to the resolution of last Assembly *re* "the generous consideration of all members of the Fund who are in arrears to the Fund, and especially with regard to interest" but could not see their way clear to the reduction of the interest charged below the 5 per cent suggested by the Board at last Assembly.

The five overtures sent down to the Board from last Assembly were referred to the Actuary and considered by the Board. To grant the request of the Overtures would require nearly double the capital in hand and an increased grant from the Budget of the Church.

In view of the falling rate of interest earned by the Fund and the persistency of the Overtures which have been reaching the Board for some time now we have thought it wise to give the Church the following information of the Assets and Liabilities of the Fund for their consideration:—

The total assets of the Pension Fund as at January 31st, 1936 were as follows:—

Cash in Bank.....	\$ 16,364.92
Bonds and Mortgages.....	741,816.53
Interest due and accrued on Investments.....	10,927.72
Receivable from Church Budget.....	38,310.83
	\$807,420.00
Rates and Interest due the Fund as at January 31st, 1936.....	\$11,780.04
	\$819,200.04

ASSEMBLY'S COMMITTEE ON SUSTENTATION

To the Venerable the General Assembly:

Preamble: No. 31 Presbytery of Toronto. Mr. Skene appeared in support and upon his motion, seconded by Mr. Dutton, it was agreed that a small committee be appointed by the Moderator to consider and report next year. Committee: Dr. J. G. Inkster, Convener, Dr. S. Banks Nelson, Dr. A. T. Barr and Mr. James Dutton.

REPORT

Your Committee met and conferred with Prof. Daniel Lamont, of New College, Edinburgh, who is convener of the Committee of the General Assembly of the Church of Scotland on the "Maintenance of the Ministry", and received from him some valuable information.

The Committee then sent out a letter and questionnaire on the question of the Sustentation, to all ministers in charges in Canada—a total of 600. Ninety replies were received. Seventy-two favoured a change from augmentation to sustentation, 15 were opposed to a change and 3 were neutral. Nearly all saw some difficulties in any change. Some said a change now would be unwise. The great majority, however, said a change was necessary and overdue.

Your Committee, after careful consideration, are agreed—with one exception—that in their judgment the sustentation system is better than augmentation for the following reasons:—

1. Seventy per cent of the replies stated that the present system is creating dissatisfaction and producing distress.
2. The Committee believe that the sustentation system would help to relieve this condition, give relief and add dignity to the ministry.
3. While your Committee realize to the full, the difficulty in the way, nevertheless the sustentation system, without any fund or teinds has worked successfully in (a) the Old Free Church of Scotland, (b) the Presbyterian Church in England.

Believing that this question is of such paramount and pressing importance your Committee would respectfully recommend as follows:—

1. That the committee be continued and enlarged.
2. That the principle alone, underlying this question, be now remitted to Presbyteries with definite instructions from the Assembly to thoroughly discuss the principle and report to the 1937 Assembly.
3. That an outline of the sustentation system be prepared by the committee in charge and sent down with the Remit to Presbyteries.

J. G. INKSTER,

Convener.

RECOMMENDATIONS OF PRESBYTERIES

Presbytery of Quebec. "In response to the request of the Board of Missions for the nomination of some one to fill the position left vacant by the death of Dr. Grant, Secretary of the Mission Board, this Presbytery of Quebec respectfully recommends that no appointment be made to this position at the meeting of the General Assembly in 1936.

That the General Assembly appoint a strong Committee at its 1936 meeting to survey the whole central organization of the Church and the Secretarial work in connection therewith; this Committee to report at the General Assembly in 1937.

That this Committee be authorized to call for nominations from Presbyteries for positions it considers necessary to be filled.

That in the meantime Dr. J. W. MacNamara be appointed Acting-Secretary of the Mission Board for one year, with such assistance and remuneration as the General Assembly may deem advisable."

Presbytery of Montreal. "At the November meeting of this Presbytery, a communication from the Board of Missions *re* the nomination of a successor to Dr. Grant, as General Secretary of the Board of Missions, was referred to this Committee.

In response to this communication we beg to recommend as follows:—That this Presbytery of Montreal respectfully recommends that no appointment be made to this position at the meeting of the General Assembly in 1936.

That the General Assembly appoint a strong Committee at its 1936 meeting to survey the whole central organization of the Church and the secretarial work in connection therewith; this Committee to report at the General Assembly in 1937.

That this Committee be authorized to call for nominations from Presbyteries for such positions as it considers necessary to be filled.

Further that before any name or names come before the General Assembly, this Committee shall specifically consult Presbyteries regarding these.

That in the meantime Dr. J. W. MacNamara be appointed Acting-Secretary of the Board of Missions for one year, with such assistance and remuneration as the General Assembly may deem advisable.

It was moved by Mr. Mulligan, seconded by Dr. A. S. Reid, and agreed that this report as a whole be adopted."

Presbytery of Glengarry. "In considering the request of the Executive of the Board of Missions of our Church to nominate a successor to the late Dr. Grant to fill the position of Secretary of the Board of Missions at the coming Assembly in 1936, the Presbytery of Glengarry would suggest in view of its importance, that the present arrangement be continued and in the meanwhile the Assembly to consider the advisability of appointing a Committee to study the situation with a view, if possible, of consolidating the Committees and considering the advisability of effecting changes in the heads of Departments, all with a view of economy, at the same time not injuring the operations of the Church.

That the Rev. James Wilson and the Rev. J. W. MacNamara be continued as at present, until the Committee report be received by the Assembly, and to receive such remuneration as the Mission Board may decide."

Presbytery of Peterborough. "Re the request from the General Board of Missions that Presbyteries send in names of those especially qualified for the position of Secretary of the General Board of Missions, the following resolution was agreed upon motion of James Dutton, duly seconded by J. F. MacGregor, viz.:—That the Presbytery of Peterborough respectfully recommend that no appointment be made to fill the vacancy caused by the death of Dr. A. S. Grant, Secretary of the General Board of Missions for at least one year. This Court would also suggest the appointment of two Boards, namely, the Board of Home Missions and the Board of Foreign Missions, and that Rev. J. W. MacNamara, D.D., be continued as temporary Secretary of these respective Boards."

Presbytery of Lanark and Renfrew. "We request the fullest information possible as to the proposed changes of Policy that we may be the better qualified to suggest a name for the office of General Secretary of the Board of Missions."

Presbytery of Brockville. "In response to the request of the Executive of the Board of Missions of the Presbyterian Church in Canada for nominations to fill the position of General Secretary of the Board of Missions, we beg to recommend that no appointment to this position, or any other official position in the Church be made at the 1936 Assembly, and we would, further, respectfully suggest that a Committee be appointed at the General Assembly to make a survey of the re-organization of the Church in all respects during the year 1936-37 and to report at the 1937 General Assembly, and that this Committee be authorized to ask the Presbyteries for nominations for such positions as it considers necessary to be filled."

J. W. MACNAMARA,
Clerk of Assembly.

REPORT OF COMMITTEE ON THE MINISTRY OF THE CHURCH

To the Venerable the General Assembly:

Your Committee in obedience to the terms of its appointment by the General Assembly of 1935, (see Minutes of 1935, page 65,) has made a substantial beginning in the work of finding out where this Church stands touching eligibility of its settled Ministers with sister Presbyterian communions. The field of world Presbyterianism is wide, and the work of securing data is not yet finished but the Committee has gathered the following information which it considers to be most valuable to the Assembly.

1. *Re The Church of Scotland—*

There is no mutual eligibility at present between The Presbyterian Church in Canada and this Church.

2. *Re The United Free Church of Scotland—*

The following classes of persons are qualified to be elected, called and admitted as Ministers of congregations.

Ministers settled in Charges.

Presbyterian Churches in the Colonies which are in connection with this Church.*

3. *Re The Presbyterian Church in England—*

We have no mutual eligibility between our two Churches.

4. *Re The Presbyterian Church in Ireland—*

It is hereby overtured to the General Assembly to rescind the resolution on mutual eligibility. Minutes, 1929, page 40, Annual Reports, 1929, page 69, and to enact that an application from a Minister of any other Church than the Church of Scotland and the Presbyterian Church in England to be received as a Minister of this Church shall be dealt with on its merits. This was made an interim act.

Although this communication does not explicitly say so, it is a fair conclusion from the facts that there is no mutual eligibility as between The Presbyterian Church in Canada and the Presbyterian Church in Ireland.

The law of this Church at present is set forth in Book of Forms, section 215 and section 248, and a comparison of these sections with the above replies will reveal that while settled ministers in the Church of Scotland, Presbyterian Church in England and the Presbyterian Church in Ireland, are eligible for call in this Church, settled ministers of this Church are not so eligible in the Churches named.

Your Committee is still continuing correspondence with the Presbyterian Churches with a view of gathering more data on the whole question, but in the meantime respectfully begs to recommend:—

1. That the Committee be continued to further carry on its work of gathering data from Presbyterian Churches not yet heard from.

2. To approach the Church of Scotland, the Presbyterian Church of England and the Presbyterian Church in Ireland with a view to securing a basis of mutual eligibility of settled Ministers.

Your Committee would point out that mutual eligibility appears to exist between this Church and The United Free Church of Scotland at the present time.

All of which is respectfully submitted.

J. B. SKENE,
Convener.

*These are the Canadian, Australian, New Zealand and South African Presbyterian Churches.

BOARD OF SABBATH SCHOOLS AND YOUNG PEOPLE'S SOCIETIES

To the Venerable the General Assembly:

The Board of Sabbath Schools and Young People's Societies respectfully presents the following report for the year 1935.

Your Board met in the school room of St. Andrew's Church, Toronto, on March 19th and 20th and passed the work of the year under review.

THE GENERAL SECRETARY

The General Secretary reported that besides visiting many congregations in Ontario, he had spent about two and one-half months in Western Canada. During that trip he concentrated on British Columbia and the newer parts of Alberta and Saskatchewan. This was in accordance with the requests from those places. On account of adverse weather conditions, that have prevailed for years in the southern parts of the prairie provinces, many settlers have deserted their farms and trekked to the north where there is more moisture. Here they are repeating their pioneering experiences and the Church is doing its utmost to bring to them its message of consolation and cheer. Rev. James Wilson, in Northern Saskatchewan, has built five new churches, at very little expense, the settlers providing almost all the labour and material. His first care was to organize Sabbath Schools and out of them grew preaching services. What he did is emblematic of the beginnings in every other district.

The Peace River District is a very promising area, but the great distance from markets continues to handicap the farming community. On that account the Church will require financial assistance for some time. Our faithful band of ministers and deaconesses are laying foundations and are giving particular attention to work amongst the young. Wherever possible day schools are visited and mission bands are organized. It was your secretary's privilege to visit some of these schools and to witness the work that is being done.

During the latter part of October and the first half of November he reached almost every Sabbath School in British Columbia with the exception of Prince Rupert.

He wishes to commend the ministers and other workers for the splendid service they are rendering, many of them under very adverse conditions.

Special reference must be made to the development of Summer School and Young People's work. These will receive due attention in those sections of the report.

GIRLS' WORK SECRETARY

It was with very deep regret that your Board received the resignation of Miss O. Mary Hill, M.A., who, for the past three years, has held the position of Girls' Work Secretary, with great acceptance to the Church in general, and particularly to the leaders of teen-age girls. During her all too brief term of office she journeyed throughout the Dominion, and, wherever she went, she was an inspiration to all whom she visited. The Board particularly regrets that illness was the cause of her resignation, and the fervent prayer of every member is that she may be speedily restored to her accustomed health and strength.

During the first six months of 1935 she worked continuously throughout Ontario and Quebec and it was while conducting a Girls' Leaders Camp at Glenmohr that she was forced to relinquish her active duties. Her field letters to leaders and her ready response to private appeals for help, endeared her to all workers amongst girls, and her literary ability was just beginning to find expression in such productions as "Tales from Taiwan", a "Service for Youth for the World's Day of Prayer", "Treasure Book of Books", and articles in *The Glad Tidings*. The Board realizes that the task of finding a worthy successor will not be an easy one.

During Miss Hill's absence many of her duties, particularly those pertaining to the office, were assumed by the office secretary, Miss Doris Winchester, who, with the assistance of Mrs. John Kelman, of the Women's Missionary Society, has given leadership to this department of our work. The Board wishes to heartily thank these ladies for the splendid service they have rendered. The wisdom of employing a Girls' Work Secretary is very evident when the work of the Church as a whole is reviewed. Graduates from Girls' groups are now leaders in Sunday Schools, Young People's Societies and Women's Organizations.

SYNODS' CONVENERS

With one exception the conveners of the different Synods' Committees were at the Board meeting and each of them gave an interesting and concise report of the work within the bounds. The importance of the work was stressed by all, and more than one deplored the lack of a Boys' Work Secretary. As a rule the teen-age girls are well cared for, but too often the teen-age boys are neglected through the lack of leadership. In the wide spaces in the west and north there is also great need for missionaries or deaconesses who could visit from place to place and organize Sunday Schools or extend the Sunday School by Post.

REPORTS

The compiling of a worthwhile report for the General Assembly is becoming increasingly difficult because of the incomplete reports from Presbyteries. Many ministers, Sunday School superintendents, and Young People's presidents, are very particular to give the necessary information, but too often their neighbours send no report, or one that is only partially filled in, thus spoiling the work as a whole. Would that we could find some way of getting the information that is absolutely essential if the office is to give a true picture to the Church, and carry on its work throughout the year.

PUBLICATIONS

Presbyterian Publications continue to render a very efficient service. All helps for the International Uniform Lessons are now edited and printed in Canada. The illustrated Sunday School papers are greatly appreciated as they provide very wholesome reading for all ages within the family. Your Board placed on record its deep appreciation of the excellent work being done by Rev. N. A. MacEachern, and his staff, on behalf of the youth of our Church.

Besides the Uniform Lesson Helps, the Publications department also supplies Graded Lesson material, Bibles, Books of Praise, Duplex Envelopes, etc. Through a refund on the Book of Praise and Duplex Envelopes the Budget of our Church receives several hundreds of dollars.

We bespeak for Presbyterian Publications the continued loyal support of the entire Church.

THE SABBATH SCHOOL

Most people think of the Sabbath School as consisting of only those who attend the Sunday session. They forget that the entire congregation should be enrolled in this educational organization.

Your Board wishes to emphasize again the importance of the Cradle Roll and the Home Department. The former is for those who are too young to attend, and the latter for those who, on account of age, infirmity, or other reason cannot attend.

From the moment of birth physical and mental habits are forming which will determine character. During those fateful years the child is entirely at the mercy of the family into which it is born. The home is the child's whole world during those first four years. It is the high privilege of the Cradle Roll Superintendent to form the connecting link between the family with the child and the Church; to inspire and assist the parents in providing Christian nurture in the home and to introduce the child, when he becomes old enough, to the Beginner's Department.

The function of the Home Department is to provide supervision for those who are not able to attend the regular sessions of the school, but who can be induced to undertake courses of study at home. The officers are a general superintendent and visitors. The members agree to spend at least half an hour each week studying the Sunday School lesson for the coming Sunday. The work of this department is most important in maintaining a contact between the Sabbath School and the families of the Church. Careful co-operation between the Home Department Visitors and the Cradle Roll Superintendent and her assistants can do much to promote Christian Education in the family.

MEMORY WORK

Too great emphasis cannot be placed on the memorization of Scripture and the Catechism. That which is learned during the days of childhood becomes a permanent possession. During the year 3,753 memory work awards were sent out from the office of the General Secretary, though the statistical report shows only 2,994. This may be some indication of the accuracy of the reports that reach Presbytery conveners. Of the above number 258 were for repeating the Shorter Catechism, an increase of 32 over the previous year.

SPECIAL PROGRAMMES

The special programmes issued for Mother's Day and Rally Day were very generally used. The offerings amounted to \$6,312.87. These programmes afford a special opportunity to emphasize the importance of the Home and the Church, and where due attention is given to them the financial response is very gratifying.

MISSIONS

Your Board advocates the giving of the offering on at least one Sunday each month to the Missionary Budget of the Church. Most schools have adopted this plan. A few use the duplex envelopes and thus give weekly to missions. A very limited number of schools are supported by the congregation, thus permitting the entire offering to be devoted to missions.

The educational value of adopting some definite method of giving to the Missionary Budget of the Church should not be lost sight of. The Sabbath School is a place of training and too much attention cannot be given to the development of an interest in world-wide evangelization.

On account of the decrease in our allocation the Board is unable to carry on the practical missionary work that it formerly did in the prairie provinces. Miss Ruby Blyth continues her work in British Columbia, and one of the tangible results of that work was the erection of a building for Sunday School purposes, at Dunbar Heights in Vancouver. It is believed that before long this will develop into a regular preaching appointment.

A number of isolated families in British Columbia, Saskatchewan, Northern Ontario and New Brunswick are supplied with Sunday School literature through the S. S. by Post. This number might be greatly increased if ministers and missionaries would send the names of such families to the General Secretary.

New schools, and schools in localities where most of the people are on relief, are supplied with free Lesson Helps and Illustrated Papers. These are paid for out of the Rally Day offering.

WEEK-DAY RELIGIOUS INSTRUCTION

We are scarcely beginning to realize the unlimited possibilities of week-day religious instruction in our public schools. In 185 schools in the Province of Ontario the local ministers are taking advantage of the provision made for such work by the school regulations. Statistics for the other provinces are not at hand.

Most of the provincial departments of Education, and local school boards, are very sympathetic, and your Board urges the ministers to seize the opportunity of bringing to all the children in the community the message of the Bible.

For further information write to the General Secretary.

In Normal School centres, especially in the Province of Ontario, our resident ministers continue to do excellent work in imparting religious instruction to the teachers in training. Your Board, on behalf of the entire Church, wishes to thank these men for their services so freely given.

TEMPERANCE EDUCATION

The temperance question demands the serious attention of all who have the best interests of youth at heart. Increased facilities for the beverage use of alcohol have made the problem acute. We cannot urge too strongly the diligent use of the quarterly temperance lesson, the supplementary temperance lessons in our Illustrated Sunday School Papers each Autumn, and all other means at our disposal to educate the rising generation in the dangers associated with strong drink. Christianity is the world's greatest bulwark against all forms of evil. Thus would we fortify the youth of our land against the inroads of this insidious temptation.

DAILY VACATION BIBLE SCHOOLS

The leading Protestant denominations have adopted the Daily Vacation Bible School into their yearly programmes of Christian Education, and the movement is spreading with great rapidity. For two or more weeks, in July and August, the boys and girls meet in the Church every forenoon for worship, instruction and training. A definite curriculum is followed and the results are surprising.

This department of work is highly commended by your Board. Write to the General Secretary for further information.

SUMMER SCHOOLS AND CAMPS

The Summer School and Training Camp has become an integral part of our yearly programme. Our ideal is to have such a place of instruction and training within easy reach of every congregation. Through the generosity of interested friends of youth we have now several splendidly equipped camp grounds. Write to your Synod's Convener for dates, and plan to send delegates to your nearest school or camp.

YOUNG PEOPLE'S SOCIETIES

Throughout the Dominion the young people of our Church are taking a new interest in the work. The number of societies is increasing and in almost every Presbytery there is a Presbyterial Society.

In two of the provinces there are provincial organizations. In Saskatchewan this Provincial Society has its centre in the annual Summer School at Saskatoon. Last July the enrolment was 115.

Ontario has a very active provincial organization. The annual convention at Galt in October was very largely attended. A week-end camp at Glenmohr for Young People's leaders had an enrolment of 72. Besides emphasizing the value of a strong devotional and intellectual weekly programme this Society has fostered debating and oratorical contests.

In August your Board issued a "Programme for Presbyterian Young People" for the ensuing year—October to September. This programme was well received and was followed by most of our societies. We commend this series of studies to the thoughtful consideration of every minister and leader.

FINANCES

During the year the Sabbath Schools and Young People's Societies raised \$21,143 for the Budget of our Church. The amount allocated to the Board, with which to carry on its work, was \$10,000. Of this amount the sum of \$938.03 was spent on printing and mailing Mother's Day and Rally Day Programmes, the returns from which go directly to the Budget of the Church.

Your Board hopes the time is not far distant when its allocation will be sufficient to provide for a Boys' Work Secretary, who will give to the teen-age boys of our Church the same kind of leadership that the teen-age girls are enjoying. Even under the present conditions we think the investment would be a profitable one, as the boys of to-day will be the men of to-morrow upon whom the Church must depend.

THE PRESBYTERIAN RECORD

We very gladly acknowledge our continued indebtedness to *The Presbyterian Record* for the service it is rendering to the youth of the Church. The section, "Children and Youth" should be read in every home.

THE POSSIBILITIES

We conclude this report with the following quotation,—"Lambs become sheep by and by". When through the agency of the Scripture, boys and girls are won for Christ there is not only a soul but a life saved. Many an older person is won and the soul is saved, but the life is lost. Not so with children. Cleanse the spring and you cleanse the output of the stream. The stream is purified. The outflow is enriched.

"Get Bobbie Moffat, the mite, and finally you have Dr. Robert Moffat—the missionary. Get Mary Slessor, the mill girl, and you have won a missionary heroine for Africa. Get the truth home to Charlie Spurgeon, the lad, and you have one of the world's greatest preachers.

"Get the soul of the boy and you have the service of the man. God alone can tabulate the results of a distant day. Eternity will tell that it was more than worthwhile."

RECOMMENDATIONS

1. That the General Assembly enjoins each Presbytery to give increased attention to the procuring of full and accurate reports from every Sabbath School and Young People's Society within the bounds.

2. That the General Assembly expresses its sincere appreciation of the faithful services of those teachers and officers who give so freely of their time and talents to work in the Sabbath School.

3. That the Lesson Helps, Illustrated Papers and other Sabbath School supplies provided by the Board through its Editorial Committee, and distributed by Presbyterian Publications, be used by all of our Schools.

4. That increased attention be given to memorizing Scripture and the Primary and Shorter Catechisms, and instruction in Temperance.

5. That every Sabbath School and Young People's Society be urged to study the missionary work of the Church, and to give at least one offering each month to the Missionary Budget.

6. That increased attention be given to the Cradle Roll and the Home Department with a view of fostering religion in the home.

7. That the attention of ministers be called to the wonderful possibilities of week-day religious instruction in the public schools, and Daily Vacation Bible Schools.

8. That in the absence of a Boys' Work Secretary, Presbyteries be urged to give special oversight to this work, by enlisting such voluntary assistance as may be available.

9. That the thanks of the General Assembly be tendered to those ministers who conducted classes in Religious Knowledge in the Normal Schools.

10. That we place on record our appreciation of the service rendered to our Sabbath Schools by Rev. N. A. MacEachern, and commend Presbyterian Publications to the loyal support of every congregation.

OVERTURES

No. 1.—SYNOD OF MANITOBA.

Re A SUMMER SESSION IN THEOLOGY

At Winnipeg, and within First Presbyterian Church there, on Thursday, the fourteenth day of November, one thousand nine hundred and thirty-five, at the hour of two-thirty o'clock, the Synod of Manitoba of the Presbyterian Church in Canada, met pursuant to adjournment and was constituted.

Inter alia.—Mr. Cundy presented the report of the Committee appointed to prepare an overture from the Synod to the General Assembly.

To the Venerable the General Assembly:

WHEREAS, the welfare of the Church is being jeopardized by reason that many of its Mission Fields are being left indifferently manned during the winter months,

WHEREAS, the majority of the students for the ministry of the Church must of necessity attend College during the time the Colleges are in session, and are therefore unavailable for the supply of Mission Fields during that part of the year,

THEREFORE, the Synod of Manitoba humbly overtures the Venerable, the General Assembly that steps be taken to provide a Summer Session in Theology at one or other of the Church's Colleges, so as to set free a number of students for mission work, equal to the number thus employed in summer,

It was moved by Mr. Floyd, seconded by Mr. McMahon, that the overture be received and adopted, and transmitted to the Clerks of the General Assembly, and that Commissioners from the Presbyteries of the Synod support it at the General Assembly. Carried.

Extracted from the Minutes of the Synod of Manitoba, this 27th day of November, 1935, by

DAVID JOHNSTONE,
Clerk of Synod.

No. 2.—SYNOD OF ALBERTA.

Re ONE YEAR OF MISSION WORK FOR GRADUATE STUDENTS BEFORE ORDINATION

At Medicine Hat, and within St. John's Church there, on Wednesday, the thirtieth day of October, one thousand nine hundred and thirty-five, at two o'clock in the afternoon, the Synod of Alberta met, pursuant to adjournment and was constituted.

Inter alia.—On motion of Messrs. Hugh Jack and Harry Lennox it was agreed to forward the following overture to the General Assembly.

To the Venerable the General Assembly:

WHEREAS, the mission fields of western Canada are suffering because of failure to obtain winter supply, and many are closed for the winter,

WHEREAS, a year in mission work in western Canada would be of immense value in the training and education of a vigorous ministry,

The Synod of Alberta hereby overtures the General Assembly to require that all students, on completion of their course in theology, be compelled to spend one year on a mission field, before ordination.

Extracted from the Minutes of the Synod of Alberta, this sixth day of December, 1935.

F. D. ROXBURGH,
Clerk of Synod.

No. 3.—SYNOD OF BRITISH COLUMBIA.

Re EXTENSION OF HOME MISSION WORK WITHIN THE SYNOD

At the city of Vancouver, and within the Mount Pleasant Church there, on Wednesday, the ninth day of October, in the year of our Lord one thousand nine hundred and thirty-five, and at eight o'clock in the evening, which time and place the Synod of British Columbia met in regular annual session as per adjournment last year and was duly constituted.

Inter alia.—Dr. Campbell reported that no progress had been made by the Committee appointed to bring in resolutions arising out of the Mission Committee's Report. Therefore it was moved, duly seconded and carried, that a Committee of all members of Synod able to attend be appointed with power to issue, when a meeting of Westminster Presbytery deals with Mission Work.

Extract Minute of Synod.

Sooke, B.C., March 5th, 1936.

S. LUNDIE,
Clerk.

To the Venerable the General Assembly of the Presbyterian Church in Canada:

INASMUCH AS large districts of this Province, formerly cared for largely by the Presbyterian Church, have not, since the disruption, been so served, or explored, or visited to any extent—we might mention such regions as the old Cariboo Country, extending from Ashcroft, three hundred miles northward including Wells and Barkerville, and large agricultural activity; the Chilcotin Country, one of the great grazing countries of the World; the Lillooet Country; Bridge River; the Omineca, and many other areas of good promise, where mining, agriculture, lumbering, and stock raising are becoming increasingly active, and where these industries and other necessary business engage an increasing population, which is larger at the present time than ever before in the history of the Province;

AND INASMUCH AS these districts have a considerable school population and large representation in the Legislature, while, at the same time, our Church has made no adequate effort to meet the growing need with the services of our Church and the Gospel of Christ;

INASMUCH, also, as our Church promised at the time of the disruption to care for our people who remained loyal to their Church;

THEREFORE, the Synod of British Columbia, through its Special Committee, appointed at the last regular meeting, with power to issue, hereby overtures the Venerable the General Assembly to inaugurate a more aggressive missionary effort in this Synod, and while we admit a considerable overhead for Missions for the amount of work being done, would beg leave to pray that a missionary be appointed to this work, to explore and do mission work, and bring in a report of the situation to the Board at the earliest possible date.

Signed, in behalf of the Synod's Special Committee.

DUNCAN CAMPBELL,
Convener.

No. 4.—PRESBYTERY OF QUEBEC.

Re CLOSE OF THE FINANCIAL YEAR

At Sherbrooke and within St. Andrew's Church there, the Presbytery of Quebec met on the third day of March, nineteen hundred and thirty-six and was duly constituted with prayer by the Moderator.

Inter alia.—

WHEREAS, it is understood by this Presbytery that the set time for closing the Financial books of The Presbyterian Church in Canada, is the 31st day of January each year.

AND WHEREAS, it now appears that these books are usually kept open for a considerable time after that date, which means that two sets of books are being kept open, one for the year closed and one for the current year.

AND WHEREAS, this is evidently leading to confusion in the Reports received by the Presbytery *re* Budget Contributions, it being almost impossible to know what contributions have been credited to the different years.

THEREFORE, in order to avoid all confusion, we, the Presbytery of Quebec, respectfully Overture the Venerable, the General Assembly of The Presbyterian Church in Canada, to the effect that the Books of the Church be closed definitely and permanently on the 31st day of January of each year, and that any amounts received after that date be credited to the current Financial year.

Extracted from the Minutes of the Presbytery of Quebec, this the eleventh day of March in the year of our Lord, one thousand nine hundred and thirty-six.

THEREFORE, the Presbytery of Sarnia respectfully overtures the Venerable the General Assembly to reduce the minimum stipend to sixteen hundred dollars per year with free manse or rented house until such times as conditions warrant a return to the present minimum.

Inter alia.—On the motion of Judge John McKay, seconded by the Rev. P. Cundy, it was agreed that the Presbytery overture the General Assembly as follows:—

WHEREAS North Western Ontario is closely linked with the older sections of that province rather than with the Province of Manitoba, by educational, commercial, financial, social and transportation ties, and

WHEREAS the mineral and other natural resources of North Western Ontario are being extensively developed by individual and corporations, most of whom have their headquarters in the City of Toronto and other Ontario centres, and

WHEREAS this rapid and extensive development has resulted in a large influx of population, thus presenting a great missionary challenge and opportunity to the Presbyterian Church, and

WHEREAS it is most desirable for the better promotion of the Church's work that its workers and activities should be associated as closely as possible with the larger centres of the rest of the Province, to which they must look for active co-operation and financial support,

The Presbytery of Superior therefore humbly overtures the General Assembly to effect the transfer of the Presbytery of Superior from the Synod of Manitoba to the Synod of Toronto and Kingston.

WHEREAS, we believe there is no apparent measure of growth of the mission work throughout Canada to warrant such an expenditure from the Budget, and

WHEREAS, the Home Mission Committee of each Presbytery in close proximity to their bounds can undertake the supervision of such work, as has been done in the past, and

WHEREAS, the present travelling expenses, roughly amounting to \$1,876.00 per annum, would more than cover the total expenses of the Home Mission Committee of the Presbyteries,

THEREFORE, the Presbytery of Lindsay does respectfully overture the Venerable the General Assembly of the Presbyterian Church in Canada that the Synodical Missionaries be dispensed with for a period of five years, which would effect the immense saving to the Budget, in salaries alone, of \$61,650.

On motion of John Kennedy, seconded by G. M. Jamieson, this overture was received, considered, approved and ordered to be forwarded to the General Assembly.

No. 26 (Continued).

The report of this Committee is as follows:—

To the Venerable, the General Assembly of the Presbyterian Church in Canada.

WHEREAS the Presbyterian Church in Canada has always been a democratic Church, and in consequence all the Presbyteries within the bounds should have a voice and share in the Church's administration, and

WHEREAS rules have been enacted by the General Assembly whereby ministers should not be placed on more than one Standing Committee, which rule has been persistently ignored, and

WHEREAS by this practice of lawlessness much dissatisfaction has been caused amongst the smaller Presbyteries of the Church, as some Presbyteries have not had even one member on a Standing Committee for many years; a situation which cannot be otherwise than hurtful to the Church.

THEREFORE the Presbytery of Orangeville humbly and respectfully overtures the Venerable the General Assembly to take immediate steps to enforce the law of the Church and remedy the situation.

WHEREAS that Kingdom and Glory are advanced by Him through the instrumentality of man, and

WHEREAS man can render effective service only when he is fully possessed of all his faculties, and

WHEREAS it is the exceptional individual who is fully possessed of all his faculties after he passes the allotted span of life, and

WHEREAS this fact is realized by the great industrial concerns of our own and other lands, and by some of the larger Christian Communion of the World, and they have placed an age limit in which to serve;

THEREFORE the Presbytery of London humble overtures the General Assembly to send this question down to the Presbyteries of our Church, to ascertain what the mind of the Church is on the desirability of having all servants of our Church who have been appointed by the General Assembly, retire upon attaining their seventieth birthday, as is done in the Presbyterian Church, U.S.A.; and in the event of the majority of Presbyteries voting being in favour of such action, that the General Assembly of 1937 declare it to be the law of the Church, and that it become operative on May thirty-first, 1938.

REPORT OF THE BUDGET AND STEWARDSHIP COMMITTEE

To the Venerable the General Assembly:

Your Budget and Stewardship Committee beg leave to report as follows:—

The Committee, as per instructions of the General Assembly of 1934 is composed of three members from the Board of Administration, one of whom shall be appointed chairman, three members from the General Board of Missions, one representative from each of the other spending Boards of the Church, and one from each of the Colleges.

Rev. T. D. McCullough was elected Chairman, Rev. A. C. Stewart Vice-Chairman, Dr. A. S. Grant and Dr. J. W. MacNamara Joint Secretaries. Upon the lamented death of Dr. Grant last July, Dr. MacNamara was requested to undertake the full duty of Secretary of the Committee.

Your Committee desires to put on record its deep sense of sorrow in the removal by death of Dr. A. S. Grant, and to express its sincere sympathy with Mrs. Grant and the members of his family, and with the whole Church in the loss of this noble and devoted servant of God and of His Church.

At its first meeting, soon after last Assembly, your Committee decided to continue its appeal to congregations for a Diamond Jubilee Thank-offering Fund. This action was taken because that up until last Assembly comparatively few congregations had responded to the earlier appeal. And to enable every congregation to have some part in this special effort, Diamond Jubilee Thank-offering boxes for each family were sent out to all congregations, early in September, with an accompanying letter asking for an offering of at least a cent a day from each member. Also a letter from the Moderator of Assembly urging response to this appeal was sent to each family throughout the Church.

The Church was kept fully informed as to plans and aims. Letters to Synod and Presbytery conveners urged hearty co-operation, a majority of the Presbyteries, and practically every Synod was visited and had the claims presented, either by the Moderator of Assembly, or by the chairman and members of the Committee. The columns of the *Record* were freely used, and much helpful publicity given to the Church through this medium, the Editor co-operating most heartily with the Committee.

Budget estimates for the year 1935 were \$420,000, and allocations to Synods were made on this basis. The amount of \$286,495.16 was received. This shows a falling off in receipts from 1934 of \$16,262.40. Receipts from the Diamond Jubilee Thank-offering Fund up to January 31st, were \$32,864.44, and \$8,915.49 has since been received.

The accumulated deficit as at January 31st, 1935, was \$163,282.36, and at January 31st 1936, \$174,262.15

The amount received from the Diamond Jubilee Thank-offering since January 31st, will bring the deficit down to practically where it stood a year ago. The

Diamond Jubilee Fund thus has saved the Church from an increase in the accumulated deficit of approximately the same amount as was secured by this special effort.

A special list is appended of the congregations that have responded to this special appeal, with the amounts contributed. These congregations are deserving of the gratitude of the Church for their loyalty in responding to her call.

Congregations to the number of 66 met their Budget allocation, and 123 exceeded their allocation.

From many congregations only the amount contributed by the Sabbath Schools for Mother's Day and Rally Day were received. And a very considerable number of congregations contributed absolutely nothing.

Your Committee begs to submit the following recommendations:—

1. That Presbyteries forward to the Budget and Stewardship Committee a statement of the allocations made to congregations as soon as these are made, which should not be later than the month of December for the following year.

2. That in every congregation a functioning Missionary Committee be appointed, with its own separate treasurer.

3. That Budget Treasurers of congregations be urged to make returns monthly in larger congregations, and at least quarterly in all congregations, to the General Treasurer of the Church.

4. That an annual every person canvass be made in all congregations, in order to secure, if possible, a wider use of the Duplex Envelope. At present only forty per cent of our families, and less than twenty per cent of our members are using the Budget end of the duplex envelope. A thorough-going annual canvass would, we feel, increase this number.

5. That Budget Conveners of Presbyteries seek to keep in close touch with their congregations within their bounds and report progress frequently to the Assembly's Committee.

6. That for the present year the giving energies of our people be focussed on the regular Budget, and that no special appeals be made.

7. That Presbyteries be instructed to make special efforts to impress upon congregations the claims of the wider work of the Church. Your Committee would suggest:—

- Special hours set apart at Presbytery meetings for conference and prayer.
- Group meetings for members of Session and Boards of Managers to enlist their sympathy and co-operation.
- Meetings of congregations or groups of congregations, for informing the members and urging a more hearty response to the missionary appeal of the Church.

All of which is respectfully submitted.

T. D. McCULLOUGH,
Chairman.

J. W. MacNAMARA,
Secretary.

REPORT OF BOARD OF ADMINISTRATION

To the Venerable the General Assembly:

Your Board desires to place on record our deep sense of the loss which the Church has suffered during the past year, through the death of two men, each prominent in his own sphere, who rendered valuable service to the Church, and whose place it will be hard to fill—Dr. Andrew S. Grant, Secretary of the General Board of Missions since 1925, for several years a member of this Board, and with a long record of outstanding service, and Mr. R. S. Cassels, K.C., who for many years, and especially since 1925, was able because of his long experience, and intimate knowledge of law and legislation affecting the Church to give valuable guidance in many difficult questions.

The following resolutions were passed by the Board, and ordered to be placed in the Minutes as tokens of appreciation:—

Re DEATH OF DR. A. S. GRANT

The Board of Administration desires to place on record its deep sense of the great loss sustained by the Presbyterian Church in Canada through the death of Dr. A. S. Grant, Secretary of the General Board of Missions. We recall with gratitude the fine record of heroic service, his deep interest in and love for the Church to which he devoted unsparingly his time, and strength, and his unique talents, and the great contribution made by him in many ways to the work of the Church during his long and active ministry. The sincere sympathy of the Board is extended to Mrs. Grant and to the other members of the family.

Re DEATH OF MR. R. S. CASSELS, K.C.

The Board of Administration has learned with deep regret of the death of Mr. R. S. Cassels, K.C., who for many years, has been the trusted adviser of the Church. We wish to place on record our high appreciation of the valuable services rendered to the Church by Mr. Cassels, and of his deep interest in and thoughtful consideration for the Church he loved and served most willingly and unselfishly, and which has enjoyed the advantage for many years of his wide knowledge and wide experience. The sincere sympathy of the Board is extended to Mrs. Cassels and to the other members of the family.

Turning to a survey of the year's operations and the financial situation as the result of the past year's work, your Board regrets to report a further decrease in Budget Receipts from congregations. It is evident that the improvement in business conditions, which was anticipated has not yet been reflected in the givings of our people. There are no doubt various reasons that could be given to account for the steady decrease in Budget contributions. Congregations that are carrying heavy indebtedness incurred in recent years through the erection of churches are finding it difficult to meet payments of interest and principal when due. In some cases the struggle to meet local congregational obligations has resulted in a spirit of discouragement. In many cases the tendency is noted to concentrate all efforts upon the local needs of the congregation, and to ignore the appeal of the larger work of the Church, and the responsibility for a share in its support.

On the other hand many congregations in similar circumstances, struggling with local problems just as difficult, have been able by special efforts to reach their Budget Allocations, and to respond to the appeal for the Diamond Jubilee Thank-Offering Fund. This would seem to indicate that failure in other cases is due in large measure to lack of leadership on the part of many of our ministers and office holders and to lack

of systematic methods of raising the money required for congregational purposes, or for the larger work of the Church at home and abroad.

Your Board cannot believe that the Budget givings of the past year represent in any adequate degree the giving power of our Church. We believe that there is need of a revival of missionary interest, and a greater recognition of the principle of Stewardship.

It is disappointing to note that no effort has been made by very many of our congregations to carry out the repeated instructions of the General Assembly regarding the prompt remittance of Budget Funds. The common practice of holding a large proportion of the givings for the whole year until the last month or two, or even after the date set for the closing of the financial year inflicts a heavy and unfair burden upon the Church for the payment of interest, and cannot be too strongly condemned.

Referring to expenditures your Board begs to report that every effort has been made to reduce expenditures where possible. Conferences were held in September and March with representatives of the Spending Boards when the financial situation was carefully considered, and the hearty co-operation of the Spending Boards has been secured. It will be found that some reduction in expenditures has been effected in most of the departments.

Your Board is pleased to learn that the General Board of Missions is urging upon the Presbyteries of the Church greater consolidation in the work of the rural districts, and in this way it is hoped that further savings can be effected.

The Treasurer's report will show a deficit on the year's operations of \$46,257.48.

The accumulated deficit carried over from the previous year of \$163,282.36 was reduced during the year by \$37,434.69 received from the Diamond Jubilee Thank-Offering Fund and other sources. It is expected that further contributions will be received from the Diamond Jubilee Fund.

Looking to the future it seems evident that the Church cannot continue the practice of making special appeals in order to meet its obligations. Every effort should be made to raise the funds required through the ordinary and regular channels, and the obligation therefore rests upon the individual congregations to take definite measures whereby a greater use could be made of the Duplex Envelopes.

Your Board desires to point out, that unless measures of this kind are carried out, and a definite increase secured in the funds available for the work of the Church in its various departments at home and abroad, the only course left open will be to call for drastic reductions affecting every department with a consequent serious impairment of the work hitherto carried on by our Church. We cannot continue indefinitely making special appeals, and at the same time creating large deficits in our yearly operations.

SECURITIES

The report of the Auditor, and the list of securities printed in accordance with the instructions of the Assembly will show that the Endowments and Reserve Funds held on behalf of Knox College, the Pension Fund, and other Trust Funds are in a sound and healthy condition.

INCORPORATION

In 1929 authority was granted by the Assembly for the Incorporation of a Board of Trustees with power to hold and administer the property and funds of the Church. This authority was withdrawn by the Assembly in 1932. The Board has reason to believe that the time is now opportune to secure the passing of an Act incorporating a Board of Trustees. We therefore recommend that authority be granted to this Board through its Legal Committee to prepare such a Bill, and to appoint Trustees not less than seven in number whose names shall appear in the Bill.

THE DIAMOND JUBILEE THANK-OFFERING FUND

Your Board is pleased to learn that many of our congregations and many individuals have responded to the appeal to commemorate the Diamond Jubilee of our Church by a special thank-offering to be applied in the reduction of the deficit. The

Board respectfully suggests that the General Assembly express its appreciation of the earnest efforts put forth by a formal resolution.

STANDING COMMITTEES

Under the present regulations members of Standing Committees are appointed for a term of three years, and at the end of that period are not eligible for re-election. Experience has shown us that this restriction is found detrimental to the work of the Board and in practice has not been satisfactory. Your Board therefore, while in favour of the principle, that members should retire at the end of the three year period, would respectfully recommend that the present regulation be changed to allow members so retiring to be eligible for re-election.

BUDGET ESTIMATES FOR 1937

Your Board recommends that no special appeals be made during the year, but that we earnestly endeavour to raise the sum of \$420,000.00 in order that the work of the Church at home and abroad may be carried on more effectively. Your Board further recommends that the above amount be allocated to the Synods for 1937 as follows:—

Maritime Provinces.....	\$ 31,920.00
Montreal and Ottawa.....	79,800.00
Toronto and Kingston.....	154,560.00
Hamilton and London.....	114,240.00
Manitoba.....	8,400.00
Saskatchewan.....	6,720.00
Alberta.....	11,760.00
British Columbia.....	12,600.00

Total..... \$420,000.00

RECOMMENDATIONS

1. That the General Assembly approve of the Budget as submitted, and recommend to the Synods of the Church, that their respective allocations be approved, and in turn allocated to the Presbyteries within their bounds, at the earliest possible date.

2. That while one-third of the members of the Board retire each year, they shall be eligible for re-election.

3. That authority be granted to this Board through its Legal Committee to prepare a Bill incorporating a Board of Trustees with power to hold and administer the property and funds of the Church, and to appoint Trustees, not less than seven in number, whose names shall appear in the Bill.

4. That the thanks of the General Assembly be tendered to all congregations and individuals who have contributed to the Diamond Jubilee Thank-Offering Fund.

5. That Henry Barber, Mapp & Mapp, Chartered Accountants, be continued as the auditors of the Church accounts, under the same terms as were approved by the Assembly last year.

All of which is respectfully submitted.

JAMES DUTTON,
Chairman.

J. W. MacNAMARA,
Secretary.

AUDITOR'S REPORT

To the Venerable the General Assembly of the Presbyterian Church in Canada:

In accordance with your instructions, we have audited the books and accounts of the Presbyterian Church in Canada, for the year ending 31st January, 1936.

The Cash on Hand was verified by actual count during the course of our audit and we received confirmation of the respective bank accounts from your bankers.

We examined the Bond and Debenture securities and found them to be in accord with the books. These securities are held for safe-keeping in the vaults of the Toronto General Trusts Corporation. The investments are shown on the Balance Sheet at book value.

No provision has been made for any further depreciation on the various properties shown in the Balance Sheet and we have not verified the title to the real estate, mortgage investments, or loans, by search, certificate of title, confirmation or otherwise.

Subject to the foregoing, we certify that the Balance Sheet is, in our opinion, drawn up so as to show a true and correct view of the affairs of the Church, according to the information and explanations given us and as shown by the books.

HENRY BARBER, MAPP & MAPP,
Chartered Accountants.

Memorial Record

DR. ANDREW S. GRANT

Rev. Andrew S. Grant, B.A., M.D., B.D., was born at Laguerre in Huntingdon County, Quebec, on October 10th, 1860, and finished his earthly course in Toronto on the 22nd of July, 1935.

He obtained his Senior Matriculation at Huntingdon Academy, and entered McGill University, from which he graduated both in Arts and Medicine. In 1888 he graduated from the Presbyterian College, Montreal, with the degree of B.D. During the following winter he pursued post-graduate studies in Edinburgh. On August 26th, 1899 he was ordained and inducted into the Charge of St. Andrew's Church, Almonte, where he served for seven years.

In the Fall of 1897, in response to an appeal from Dr. James Robertson, he volunteered for service in the Yukon, then in the throes of the great gold rush. The designation service was held in St. James Square Church, Toronto, on the evening of December 30th. After three years of the most arduous service in the Klondyke region, first at Lake Bennett, where he erected a Church and a Manse, then at Dawson in Church and Hospital work, he was called to St. Andrew's Church, Dawson, where he served for seven years, returning to Toronto in 1908. From that on "Grant of the Yukon" was his title of honour.

In 1911 he was appointed as General Superintendent of Home Missions and Convener of the Home Mission Committee. In the interval, he enlisted his energies in the cause of temperance in Ontario, a cause in which he was deeply interested, and regarding which he held strong convictions, well founded upon his experience in the Yukon.

He served as General Superintendent of Home Missions until 1915 when he resigned to the great regret of the Church. It was during this period in the year 1913 that he organized and carried to a most successful issue the great Pre-Assembly Congress, which was held in Toronto.

In January, 1925, in co-operation with the Presbyterian Church Association he undertook to assist in the organization of the work of the Church, looking forward to the separation that followed the coming into force of the Church Union Act in June, 1925, and in preparing for the Pre-Assembly Congress. At the General Assembly, which met in St. Andrew's Church in 1925 he was appointed Secretary of the General Board of Missions, which position he held until his death.

In the several positions he occupied he showed marked administrative ability and a special gift for raising money. For the varied service he was called upon to render he was admirably equipped. His physical strength and athletic training, his medical and surgical skill, his courage and indomitable resolution, his business sagacity, his knowledge of affairs and of men, his deep spirituality concealed by a bluff exterior from those who judged after outward appearance, a profound belief in the Gospel of Jesus with simplicity and fervor in proclaiming it, and a rugged, earnest style of public address, were characteristics of this virile and capable servant of the Master.

His name will ever stand high among the leaders of our Church.

Synod of the Maritime Provinces

REV. JAMES D. MACLELLAN, M.A.

The death of Rev. James D. MacLellan, M.A., took place at the Aberdeen Hospital, New Glasgow, June 9th, 1935.

Mr. MacLellan was born in Seattle, Washington, U.S.A., on November 12th 1907, moving with his parents, when he was a child, to Plymouth, Nova Scotia, where his education was begun in the common school. He later attended the High Schools at Stellarton and New Glasgow. In the fall of 1925 he enrolled as a student in Arts at McGill, obtaining his B.A. degree in 1929, and his theological diploma from the Presbyterian College, Montreal, in 1932. Immediately upon finishing his course he was called to the charge of Scotsburn and West Branch, River John, where he was inducted May 17th, 1932. He received the degree of Master of Arts from Acadia University in the spring of 1934.

Mr. MacLellan was a young man of high promise, and his demise at the early age of twenty-seven is a heavy loss to the church, and an occasion for deep sorrow by the members of his family and by his brethren in the Presbytery and Synod. He was possessed of unusual energy and activity of both body and mind, and was most self-sacrificing and devoted in the discharge of all his duties. His appeal to young people was very strong, and with his gift for sympathy, and his deep sense of the nature of the problems and temptations facing youth of today, he seemed destined to fill a large and a useful place in the life and work of the Church.

The funeral held from the church at Scotsburn on June 11th, with the Moderator of Presbytery presiding, and with the address given by Rev. D. G. Ross, of Stellarton, the deceased's former minister, was a remarkable tribute of affection and regard, a great concourse of people far exceeding the capacity of the church assembling. Interment was in the local cemetery.

Synod of Montreal and Ottawa

REV. W. L. WILLIMAN, B.A.

The following is a Resolution passed by the Presbytery of Montreal:—

"The Presbytery desires to place on record its deep sense of loss in the death of the Rev. W. L. Williman, B.A., which occurred in the Western Hospital on the 20th day of November, 1935.

Mr. Williman was born in Brantford, Ontario, and received his primary education in the local schools of that city. His higher education was obtained at the University of Toronto and Knox College.

Subsequently he held pastoral charges in Elora and in Westminster Church, Hamilton, and he is still remembered with grateful affection by many in both these congregations. In the fall of 1925, he accepted a Call to St. Matthew's Church, Montreal, where he was inducted on the 18th of November of that year, and where he laboured with great ability and devotion until his death.

In less than two months after his induction the church was destroyed by fire, and it was largely due to his wise and courageous leadership that a beautiful new church was immediately erected, and the congregation, notwithstanding the handicap of unemployment and business depression, continued to make progress in every phase of its work.

He also was a faithful member of this Presbytery, wise in counsel, and diligent in the performance of any duty which he undertook to discharge. His brethren cherish his memory gratefully and give thanks to God for the example of his life. He rests from his labours, but his works do follow him."

Synod of Toronto and Kingston

REV. R. B. LEDINGHAM, B.A.

Death came very unexpectedly to Mr. Ledingham at his home in Weston, Ontario, on the 24th of July, 1935, while in the midst of his work and in the enjoyment, apparently, of a full measure of health and strength.

He was a native of the County of Grey, and took his High School course in Owen Sound. For a time he taught school and then went to the West, where he entered Manitoba College, from which he graduated in Arts in 1902. His Theological training was taken in Knox College, Toronto, and his first Charge was Waldemar, Ontario.

After giving some time to the Church's work in the West he pursued his studies in 1909 in the United Free Church College, Glasgow, Scotland. Returning to Canada he again gave his energy to the West in various parts. In 1922 he was called to the congregations of Esson and Willis, and three years later accepted a call to Harriston. For four years he had laboured in Weston, where his fidelity and unselfishness won for him high regard and affection.

He is survived in his immediate family by Mrs. Ledingham, three daughters and three sons.

The funeral service was conducted by the Presbytery of Toronto, the Moderator, Rev. A. R. Skinner, presiding. The address of tribute to Mr. Ledingham was given by a long-standing and intimate friend, the Moderator of the General Assembly, Dr. D. T. L. McKerroll.

REV. WILLIAM GREIG SMITH, D.D.

The Rev. William Greig Smith, D.D., of Glenarm, Ontario, having completed forty years in the ministry, attained the fiftieth anniversary of his marriage, and reached the age of seventy years, died suddenly (shortly after these events had been fittingly observed) and entered into that rest that remaineth for the people of God, on the 6th day of August, 1935.

Born in East Gwillimbury, the son of the late William and Mrs. Smith; he was educated in the schools of Newmarket and Barrie, and taught school in Oro, Whitechurch, and in his own native township. He won honours at the University of Toronto, and graduated from Knox College in 1894.

He married Margaret Farber Rouse in Oro, Simcoe County, and two children survive, Mrs. R. A. McMullen, a missionary at Hang Chow, Korea, and J. M. Smith, Regina, Sask.

In 1895 he was ordained and inducted into Callander, Ontario, where he spent eight years. He was then translated to Bobcaygeon, Presbytery of Lindsay, and after a fruitful ministry of sixteen years moved to Glenarm, in the same Presbytery, to give sixteen more years of faithful service.

He was elected to the Clerkship of the Presbytery of Lindsay in 1914, and was also its Treasurer, which offices he held with becoming dignity until his death. He was an honoured Moderator of the Synod of Toronto and Kingston in 1926, and for many years its Treasurer. In 1933 he was honoured with the degree of Doctor of Divinity by Knox College, Toronto. Though honours were conferred upon him his innate modesty enabled him to bear them as badges of service and not as rewards for merit above his brethren. As a scholarly preacher and teacher he excelled and as a kind and understanding pastor he had few equals.

By all his brethren in Presbytery and Synod he was a brother beloved, a true friend and comrade. His genial manner and unfailing kindness won the esteem of all. His qualities as a church lawyer guided us through many a tangled problem. His

letters to his brethren as individuals with their literary touch, sound reasoning, subtle humour, deep spirituality and good advice were highly prized.

In later years he spent himself beyond the resources of strength, but being what he was he could not but spend and be spent in the Master's service. It is the consolation of his friends, his widow, and his family, that his epitaph might well be that said of Great Hearted Barnabas: "He was a good man."

"The morning shall awaken,
The shadows flee away,
And each true hearted servant
Shall shine as endless day."

REV. H. F. THOMAS, M.A.

Rev. Herbert Francis Thomas died at Parkside Hospital, Toronto, on the 23rd of October, 1935, in his sixty-eighth year.

Born in Toronto he attended the Model School, winning the Marquis of Lorne Bronze Medal. In Upper Canada College he earned the distinction of Head Boy, and at the University of Toronto gained high standing.

After graduating from Knox College, he held charges at Preston, Newmarket, and Toronto. In Toronto, he was assistant minister in Knox Church, and subsequently was in charge of Todmorden, where he served for seven years and a half.

He was widely known as an able preacher. He had retired from the active duties of the ministry, and for the past four years had been in failing health.

He is survived by his two daughters, Mrs. J. F. M. Bingham, and Miss Muriel Thomas, Toronto, and a son, Prof. H. F. Scott Thomas, of Acadia University, Wolfville, N.S.

REV. A. F. MacGREGOR, B.A., D.D.

A very worthy man, a choice spirit, kindly but strong, a ripe scholar, an able preacher and pastor, was lost to our Church when Rev. Dr. A. F. MacGregor was called by death. He passed to the other life on October the 28th, 1935, in his eighty-fifth year.

His was a ministerial family for he was a minister's son and three brothers served in that calling. He was a native of Scotland, but was a graduate of McGill University, and the Congregational College, Montreal.

He came into the Presbyterian Church in Canada in response to a call from St. Andrew's, Niagara-on-the-Lake, where he served for twenty years, retiring in 1924.

He received from Knox College at its last Convocation in April, 1935, the honorary degree of D.D.

REV. ALEXANDER KINLOCH McLAREN

Rev. Alexander Kinloch McLaren who was minister of the Presbyterian Church at King, and other points in the district, died in the Western Hospital, Toronto, on Sunday, November the 3rd, 1935.

Mr. McLaren was born at Guelph, Ontario, and there received his education in preparation for his College course. He was a graduate of Toronto University and Knox College.

Prior to entering the ministry Mr. McLaren taught architecture at the Central

Technical School, Toronto, for two years. He was also keenly interested in music and gifted as an artist.

He served the Church in South Kinloss and Kinlough in the Presbytery of Maitland, at Bradford in the Presbytery of Barrie, and in the Presbytery of Toronto at Eversley, Strange, West King and Tenth Line, of which Charge he had been pastor for the past two years, inspiring great love and respect in the congregations to which he ministered so unselfishly and earnestly.

He is survived by his widow, formerly Miss Katherine Cook, a daughter Jean, a brother, Major Peter McLaren, of Toronto, and sister, Mrs. Beatty, of Vancouver.

The funeral service in Toronto on Wednesday, November the 6th, was largely represented by the Presbytery, Rev. E. Foreman, Rev. J. D. Cunningham and Dr. J. W. MacNamara being in charge. The interment took place in Woodlawn Cemetery, Guelph, Ontario.

REV. W. C. MERCER, D.D.

Dr. Mercer was a minister much beloved for the grace and strength of his personality, and his quite unexpected death has brought sore grief not only to his widow and relatives, but to a wide circle of friends.

The Church, too, has lost a faithful servant and a preacher whose personal qualities as well as his gifts made him a welcome messenger of the Gospel.

He passed away on November the 12th in his 70th year.

He was born in Greenbank, Ontario, in 1866, and spent his boyhood on a farm in the Owen Sound district. Having completed his early education in the Collegiate Institute, Owen Sound, he proceeded to the University of Toronto, and then to Knox College, from which he graduated in 1901. Always a diligent student, at the age of 60 years he took a two-year special course and obtained his degree of D.D.

He served two pastoral charges, Coldwater, Waubaushene, and Fesserton; and Maple Valley and Singhampton. He also gave two years as supply to Mount Forest.

He devoted himself in assiduous service to churches which remained out of the United Church following the vote of 1925, and travelled many thousands of miles in this work. This service he deemed a delight and gave of his best to it. His latest ministry was in the Reformed Presbyterian Church, Toronto, of which he was in charge at the time of his death. Following his services on Sunday, November the 10th, 1935, he passed away two days later as the result of cerebral hæmorrhage. He was a good man devoted to his home, and to his work and to his friends.

REV. PETER MATHIESON

The Rev. Peter Mathieson was born in Forester's Falls, Ontario, on June 19th, 1875. He was educated in Forester's Falls Public School and Pembroke High School. He took his course in Arts at McGill University and his Theological studies in the Presbyterian College, Montreal, graduating with the class of 1903.

Mr. Mathieson held pastorates in Richmond, Ont., Kinlough and Riversdale, Ont., Walter's Falls, Ont., Glen Sandfield, Ont., Kinnear's Mills, Que., and Duff's and Knox, Puslinch, Ont. To the last named charge he was called in 1925 and settled on November 3rd of that year. On the 10th anniversary of his settlement he conducted a memorial service commemorative of those members and adherents who, during the ten years of his ministry, had passed to the great beyond. Those who were present speak of it as a most impressive service. Little did any one then think that the beloved minister would be the next to pass on. Remembering those ten

years of service his loyal people following the Sabbath service gathered round him and by their kindly felicitations and gifts demonstrated the strong affection they bore him and his family.

Mr. Mathieson was singularly blessed in a happy home life. Besides Mrs. Mathieson he leaves behind one daughter, Miss Isabel, four sisters, Mrs. McGill, Mrs. Murdock, Mrs. Jack, and Mrs. Miller, and four brothers, James, John, William and Robert. All the sisters and brothers live in Forester's Falls, Ont., with the exception of Mr. William Mathieson who resides in Beechburg, Ont. To Mrs. Mathieson, to Miss Isabel, and to his sisters and brothers, the sympathy of the Presbytery of Guelph goes out at this time. That God will bless them and keep them and cause His face to shine upon them and grant them the consolation of His loving presence is their heart-felt prayer.

Mr. Mathieson was a strong preacher of evangelical truth. As tender as a woman, as brave as a lion. He ever had the courage of his convictions and spoke and acted fearlessly. He was beloved by his people, revered by his friends and honoured and respected by his fellow ministers. Almost his last act was on Tuesday, November 12th, 1935, to attend the meeting of Presbytery. From Guelph he returned to his home. Next morning he became ill. On Thursday he seemed to rally but on Friday afternoon, November the 15th, he sank rapidly. About eight o'clock Friday evening he breathed his last. "So passed the strong, heroic soul away."

He is gone but the fragrance of his life will linger with us. It has been good for all of us to have known this man of God who walked so closely with Christ that no one could know him long without realizing that he was one of those who, like his Master, had "learned obedience by the things that he suffered". Let us bow our heads in humble gratitude to God that we have been counted worthy to have been the friends and fellow-labourers of such a man. As our hearts burn with sorrow, let us thank the Great Giver that among His gifts He gave us Mr. Mathieson. As we address ourselves to the unfinished task for which he gave his life, let us say, as he would have us say, "The Lord gave and the Lord hath taken away; Blessed be the name of the Lord."

REV. THOMAS H. ROGERS, B.A.

The Rev. Thomas H. Rogers, B.A., was born near Bolton, Ontario, March 29th, 1856, and died December 17th, 1935, at the home of his brother, Dr. Bruce Rogers, of Port Burwell. The funeral obsequies were conducted in his home, 23 Glenview Avenue, Toronto, and the interment was in Mount Pleasant Cemetery. His father was Scotch, his mother was Irish, and he inherited the excellent qualities of both.

He began active life as a teacher and was Principal of the Model School, Strathroy, and then taught in the High School at Bradford; later he taught in Upper Canada College, studying the while in Knox College, and from which he graduated in 1891.

At the call of Dr. James Robertson, the Superintendent of Missions, he accepted appointment to British Columbia, and was the first Protestant minister in the Kootenay district, where he laboured with signal success for five years. The next two years he took post-graduate studies at Knox College, and at the same time supplied the pulpit of the Congregational Church in Georgetown. In May, 1899, he was inducted into the Pastoral Charge of Emmanuel Church, East Toronto, where for twenty-seven years, beginning with small things, his devoted life and missionary endeavours not only built up a strong congregation, but also established, from their beginnings, three other causes which have grown into the present Rogers Presbyterian Church, Macpherson Church, latterly divided by Church Union into two congregations and Greenwood United Church.

In addition to his pastoral labours Mr. Rogers, in 1909, became a Director of

the House of Industry in Toronto and gave considerable time to that Institution. As a recognition of his valued influence he was later made an Honorary Secretary.

In May, 1924, his congregation celebrated the 25th Anniversary of his Induction by a public gathering, at which Toronto Presbytery was present and presented a testimonial and congratulatory address.

Early in the year 1926 he retired from the active ministry, but continued in intimate relations with his beloved congregation as "minister extra muros".

He is survived by his widow, who is a daughter of the late Rev. James Adams, of West King, and two brothers, Dr. Bruce Rogers, of Port Burwell, and Mr. J. W. Rogers, Newaygo, Mich, U.S.A.

REV. PETER M. COLQUHOUN

Rev. Peter M. Colquhoun was born in the year 1865, near Loch Lomond, Scotland, and after passing through the primary schools became employed in the Scottish railway service for some years. He later heard the call from the Master and took courses in Glasgow University, after which he came to Canada, entering Manitoba Theological College, from which institution he graduated in 1913.

Most of his ministerial life had been spent in western Canada at Kennedy, Sask. and Ardley, Alta. Following June the 10th, 1925, he came east and was stationed at Richmond, Ont., and Ashfield, Ont. His last Charge was Havelock, where he served as supply until the time of his death, March the 17th, 1936.

In every sphere he occupied he discharged his duties with diligence, energy and devotion. He was known to all as one of God's gentlemen, unassuming in all his ways, and with a consuming passion for souls.

He was thrice married, and is survived by his widow who before their tragically short wedded life of only a few weeks, was Miss Lillian Morrison of Havelock, and his son James, who resides in Scotland.

To his sadly bereaved widow and son as well as to his people we tender our united sincere sympathy and offer our fervent prayer for God's overshadowing presence and support.

REV. LACHLAN MACLEAN

The Rev. Lachlan MacLean was born in Oakwood, Ontario, in the year 1869. He graduated from Knox College, Toronto, in 1895. He was ordained and inducted at Nottawasaga to the Charge of West Church, Duntroon and Nottawa in the Presbytery of Barrie on August 1st, 1895.

He also ministered successfully at Churchill, Craigville and Bradford in the same Presbytery, and was for several years Minister of Rogers Church, Woodbine Avenue, Toronto.

Mr. MacLean retired from active service six years ago and after a short illness passed away on January 18th, 1936. Shortly after Mr. MacLean's death his widow and family were again sorely bereaved by the sudden death of the son, Rev. Leslie A. B. MacLean, who passed away on February 7th, 1936, following an attack of pneumonia.

Rev. L. MacLean is survived by his widow, formerly Annie Dames; two sons, Kenneth Douglas, and Ronald, and three daughters, Mrs. Fred Stevenson, Miss Kathleen, and Mrs. J. Nesbitt.

The service he rendered the Church was not of the conspicuous and spectacular character, but was a noble surrender in hard fields, which was to the Church's enrichment, and honour to the name of his Lord and Master.

Synod of Hamilton and London

REV. LESLIE A. B. MACLEAN, B.A.

We record with deep regret the sudden death of the Rev. Leslie Alexander Bruce MacLean, B.A., at Forest, Ontario, on February the 7th, 1936, in the 35th year of his age, and the 8th of his ministry.

Mr. MacLean was born at Duntroon, Ontario, on June the 1st, 1901. He received his early education at Churchill and Bradford, Simcoe County; was an Honor graduate of the University of Toronto, and took his Theological Course at Knox College, Toronto, graduating in 1926. Later he began study for his B.D. degree from Montreal College, and having finished his work was ready to receive his Degree this Spring.

As a student he supplied fields at Port Elgin and Keene, Ontario; and was ordained and inducted to the ministry of Glebe Presbyterian Church, Toronto in December, 1927, to which congregation he ministered for four years. While studying for his B.D. Degree he supplied the congregation at Dunn Memorial Church, Long Branch; and in March 1935 received a call from St. James' Presbyterian Church, Forest.

In his ten months' ministry in Forest Church Mr. MacLean had become deeply engrossed in his work; and his passing is mourned by the entire community.

His father, the Rev. Lachlan MacLean had died in Toronto on January the 18th, 1936, after a short illness; and when on January the 29th, his son became suddenly ill with an attack of influenza, which developed into pneumonia, passing away suddenly on February the 7th, this double bereavement aroused the sympathy of the whole Church.

A public funeral service was held in St. James' Church, on Sunday, February the 9th, led by members of Sarnia Presbytery and ministers of Forest. Later a private service was held at the home of his sister, Mrs. Fred Stevenson, Allandale, the Rev. N. R. D. Sinclair of Allandale, the Rev. Dr. Shortt of Barrie, and Rev. J. A. MacInnes of Orillia taking charge. Interment took place in the 6th Line Cemetery at Innisfil.

A memorial service was held also at Glebe Presbyterian Church, Toronto, on Sunday, February 9th, conducted by the Rev. W. T. McCree, which was largely attended, and the greatest sympathy expressed by the congregation and friends of the late Mr. MacLean.

Mr. MacLean is survived by his widow, formerly Miss Jeanine McDermid of Toronto, and one daughter, Joan, aged five; also his mother, two brothers and three sisters.

REV. GILBERT S. SCOTT, B.A.

Rev. Gilbert S. Scott, B.A., passed to rest at his home in Ingersoll on April the 20th, 1936. The Presbytery of London, of which Mr. Scott was a member, has placed on its record its esteem for him as a man and as a minister.

After pursuing his studies to the B.A. degree at the University of Toronto, and completing his studies in Theology at Knox College, Mr. Scott rendered valuable service in churches in the West and in Ontario.

In this Presbytery his ministry at Fingal, and at South Nissouri and Kintore was markedly successful. As a preacher he was earnest and evangelical, and as a presbyter he was faithful and congenial.

Interment was made at St. John's (Norway) Cemetery, Toronto. The sympathy of the Presbytery is extended to Mrs. Scott and the family.

Synod of Saskatchewan

REV. JAMES GREER

James Greer, when a student of Queen's College, Belfast, was one of a considerable number of British students who were attracted for service in Western Canada, by the late Dr. James Robertson. As such Mr. Greer arrived in Saskatchewan early in the summer of 1907, where he was appointed to Lipton, and was soon afterward ordained. His whole subsequent ministry of twenty-five years was rendered in this Province.

In 1925 he entered the United Church of Canada; but three years later was welcomed back into the Presbyterian Church, and was soon settled as pastor of Briercrest, in the Presbytery of Moose Jaw, where he rendered faithful service, and also occupied the position of Presbytery Clerk for several years. In 1932, on account of impaired health, he was under the necessity of resigning his charge, when he, accompanied by Mrs. Greer, returned to his and her native land. On leaving he retained his status in the Canadian Church, in the hope of returning if his health should be restored, but even the much needed rest and renewed association with friends and scenes of early life, while much enjoyed, did not gratify his desire for prolonged service.

On Sabbath, August 18th, 1935, at his home in Belfast, he peacefully passed to his rest and reward. His body was placed in the family plot, following a solemn service conducted by the Moderator of the General Assembly. Mr. Greer was a man of gentle disposition, much beloved by his people, and held in affectionate esteem by his brethren in Presbytery and Synod.

REV. G. D. BAYNE, M.A., Ph.D.

The death of Rev. G. D. Bayne took place in Regina on November the 6th, 1935, at the age of 81 years, and thus ended a ministry in the Presbyterian Church in Canada, that exceeded half a century.

Mr. Bayne was born in the City of Ottawa, February 25th, 1855, and was a graduate of McGill and the Presbyterian College, Montreal, the latter in 1881. Later he obtained the degree of Ph.D., at the University of Chicago.

He served the Church in Wakefield, Que., Morrisburg, Pembroke and Sudbury, Ont. In the year 1908 he went to the West, and was minister in Austin and Carberry. Then went further West to Saskatchewan to Melville, etc. In 1925 and throughout the time the Church was being divided by the Union movement, Dr. Bayne rendered valuable service to the Church, placing all his energy, learning and leadership at the disposal of the Presbyterians in the Synod of Saskatchewan, and the Church is deeply indebted to him.

Dr. Bayne was a gifted speaker, and an able preacher of the Gospel. He was a man of strong convictions and possessed of great scholarship. In recognition of his gifts as a teacher he was recommended to a professorship in Manitoba College, and later invited to the Chair of Church History in the Presbyterian College, Montreal. Both of these offers he, however, set aside to serve the Church in the Ministry.

Mrs. Bayne died in 1896, and the surviving members of the family are one daughter and three sons.

Synod of Alberta

REV. GEORGE C. SHEARER, B.A.

The following Memorial Record was approved by the Presbytery of Calgary and ordered to be placed on its permanent records:—

"Rev. George C. Shearer was born at Bright, Ontario, February the 11th, 1877. He received his education at Hamilton Collegiate, Toronto, and Queen's Universities.

For 32 years he served the Presbyterian Church in Canada. Prior to 1925, he served as Synodical Missionary in Saskatchewan. In 1914, he accepted the position of Field Secretary of Sabbath Schools and Young People's Societies for the Provinces of Manitoba, Saskatchewan and Alberta.

Following Union in 1925, Mr. Shearer was called to the Pastoral Charge of Stoughton, Saskatchewan. In 1927, he accepted a call to Moosomin Presbyterian Church, Saskatchewan, where he laboured for six years. During this period he was a valued member of the Assembly's Board as Convener of Sabbath Schools and Young People's Work for Saskatchewan. In 1934, a call was given him by the congregation at Carstairs, Alberta, and after two years at Carstairs he accepted the challenge of the leadership of the North Hill Presbyterian Church, Calgary. Mr. Shearer's ministry there lasted only one week, a serious illness laying hold upon him, which terminated fatally on January the 16th last.

Our brother served his Master in the work of his Church with unswerving loyalty and a boundless enthusiasm. His decease is a great loss to our Church in Canada. To his widow who served with him in a ministry equally blessed of God, and the members of the family, the Presbytery of Calgary extend their heartfelt sympathy and prayers."

Synod of British Columbia

REV. E. D. McLAREN, M.A., B.D., D.D.

The death of the Rev. E. D. McLaren, D.D., on November the 29th, 1935, removes one of the best known and most beloved ministers of the Presbyterian Church in Canada. Richly endowed by nature and by grace with a thorough education he was fitted to give large service to his Church and country.

He was born in Lanark, Ontario, on September the 24th, 1850; and he received his early education in Eastern Ontario, graduating from Queen's University in Arts and Theology; and he was ordained to the ministry in 1873, his first Charge being Merrickville, Ontario.

After serving with marked success in several shorter pastorates, Cheltenham and Mount Pleasant, Ontario, he accepted a Call to Brampton, and after nine years' service there was called to St. Andrew's Church, Vancouver, as their first pastor, in 1889, his ministry covering a period of over ten years, and making a lasting impression on the community.

Evangelical in spirit he was fearless in maintaining the highest ideals in Christian and public life, and being of a strong missionary spirit he was chosen in 1902 to be General Secretary of the Board of Home Missions for Western Canada, and did much to promote the Church in the West.

Not the least of his services was during and after the World War. During the War he served as Chaplain; and after the War he became Chaplain in Tranquille Sanitarium and Vancouver Military Hospital until his passing at 85 years.

By his transparent sincerity and warmhearted kindness Dr. McLaren held a large circle of friends amongst all classes and creeds. The large assemblage that gathered at the funeral was a fitting tribute to his goodness and service.

The Presbytery of Westminster places on record, with devout thanksgiving to God, its sincere appreciation of the life and work of such a devoted, true and consecrated gift to the service of His Kingdom in this Province.

God grant that a like spirit may be given to us all. Well done, good and faithful servant of God and man.
